## **SECTION I: INVITATION FOR TENDERS**

**THE UNITED REPUBLIC OF TANZANIA  
MINISTRY OF HEALTH  
MEDICAL STORES DEPARTMENT**

**Tender No. FA/2024/2025/137/TR177/G/88**

**FOR  
SUPPLY OF MEDICAL SUPPLIES FROM MANUFACTURERS UNDER FRAMEWORK  
AGREEMENT**

31/12/2024

1. The Government of Tanzania has set aside funds for the operation of the MEDICAL STORES DEPARTMENT during the financial year 2024/2025. It is intended that part of the proceeds of the fund will be used to cover eligible payments under the contract for the SUPPLY OF MEDICAL SUPPLIES FROM MANUFACTURERS UNDER FRAMEWORK AGREEMENT.
2. The MEDICAL STORES DEPARTMENT now invites tenders from eligible all eligible tenderers for SUPPLY OF MEDICAL SUPPLIES FROM MANUFACTURERS UNDER FRAMEWORK AGREEMENT.
3. Tendering will be conducted through the Restricted International Competitive Tendering method specified in the Public Procurement Act, Cap 410 and is open to specified in paragraph 3 of this IFT.
4. A complete set of tendering document(s) in English may be accessed through NeST.
5. Tenderers are required to register on the National electronic Procurement System of Tanzania (NeST) and pay tender participation fee as indicated in the NeST to be able to participate in this tendering process.
6. All tenders must be accompanied by a Tender Securing Declaration in the form provided in the tendering document.
7. All tenders must be appropriately filled in and submitted through NeST at or before 10/01/2025 and 2:00 PM. Tenders will be opened promptly thereafter through NeST. Tender opening details will be available to the public through NeST.
8. Tenders not received through NeST shall not be accepted for evaluation irrespective of the circumstances.
9. The successful supplier with a Framework agreement will be issued a Call-off Contract through a process defined in the Framework Agreement. However, the conclusion of a Framework Agreement shall not impose any obligation on PE to procure goods under a Call-off Contract.
10. The Framework Agreements shall be concluded for a term of 1095 days. PE may invite new bidders anytime when the need arises.

## **SECTION II: INSTRUCTIONS TO TENDERERS**

### A. Introduction

SN	ITT	ITT Clause	ITT Clause Description
1.	Scope of Tender and Tendering Method	1.1	<p>The Procuring Entity (PE), as specified in the Tender Data Sheet (TDS) and in the Special Conditions of Contract (SCC), invites tenders for the supply of Goods specified in the <b>TDS</b> which may include pharmaceuticals, medical equipment and supplies, Laboratory Equipment and reagents, Diagnostic and medical imaging or nutritional supplements as specified in Section VII- Schedule of Requirements under a Framework Agreement arrangement.</p> <p>The successful Tenderer will be expected to supply the goods within the period stated in the <b>TDS</b> from the start date specified in the <b>TDS</b>. The Contract duration shall be as specified in the <b>TDS</b>.</p>
		1.2	Tendering will be conducted through the method of procurement indicated in <b>TDS</b> and is open to all Tenderers who meet the eligibility criteria stated in Instructions to Tender (ITT) 3 [Eligible Tenderers].
		1.3	Unless otherwise stated, throughout this bidding document definitions and interpretations shall be as prescribed in General Conditions of Contract (GCC).
2.	Source of Funds	2.1	<p>The Government of the United Republic of Tanzania has set aside sufficient funds for the operations of the Procuring Entity named in the <b>TDS</b> during the Financial Year indicated in the <b>TDS</b>. It is intended that part of the proceeds of the funds will be applied to cover eligible payments under the contract for the supply of related goods and or services as described in the <b>TDS</b>.</p> <p>Or</p> <p>The Government of the United Republic of Tanzania through the Procuring Entity named in the <b>TDS</b> has received/has applied for/intends to apply for a [loan/credit/grant] from the financing institution named in the <b>TDS</b> towards the cost of the project described in the <b>TDS</b>, and it intends to apply part of the proceeds of this [loan/credit/grant] to payments under the contract described in the <b>TDS</b>.</p>
		2.2	Payments will be made directly by the Procuring Entity (or by financing institution specified in the <b>TDS</b> upon request of the Procuring Entity to so pay) for each call-off order and will be subject in all respects to the terms and conditions of the resulting contract placed by the Procuring Entity.
3.	Eligible Tenderers	3.1	The Invitation for tenders (IFT) is open to all tenderers except where specified in the TDS. A Tenderer may be natural persons, companies or firms, or public or semi- public agencies of Tanzania and foreign countries, subject to ITT 3.5 or any combination of them with a formal intent or letter of intent to enter into an agreement or under an existing agreement in the form of a joint venture, consortium, or association (hereinafter referred as JVCA).
		3.2	In the case of a JVCA, all members shall be jointly and severally liable for the execution of the Contract in accordance with the Contract terms. The JVCA shall nominate a Lead Member as specified in the <b>TDS</b> , who shall have the authority to conduct all business for and on behalf of any and all the members of the JVCA during the tendering process and, in the event the JVCA is awarded the Contract, during contract execution. Unless specified in the <b>TDS</b> , there is no limit on the number of members in a JVCA.
		3.3	The appointment of a Lead Member in the JVCA shall be confirmed by submission of a valid Power of Attorney to the PE
		3.4	Any agreement that forms a JVCA shall be required to be submitted as part of the tender and shall be attested.
		3.5	Any Tender from a JVCA shall indicate the part of proposed contract to be performed by each party and each party shall be evaluated or post qualified with respect to its contribution only and the responsibilities of each party and shall not be substantially altered without prior written approval of the PE.
		3.6	National Tenderers shall satisfy all relevant licensing and/or registration requirements with the appropriate statutory bodies in Tanzania. Foreign

			Tenderers are exempted from this requirement but where selected as having submitted the lowest evaluated Tender the successful Tenderer shall register with the appropriate statutory body and shall be required to submit evidence of registration as an approved Supplier in Tanzania before signing the contract.
		3.7	<p>A Tenderer shall not have a conflict of interest. All Tenderers found to have a conflict of interest shall be disqualified. A Tenderer may be considered to have a conflict of interest with one or more parties in this tendering process, if they:</p> <p>a) Are associated or have been associated in the past, directly or indirectly with a firm or any of its affiliates which have been engaged by the PE to provide consulting services for the preparation of the design, specifications and other documents to be used for the procurement of the supplies and services to be purchased under this Invitation for Tenders; or</p> <p>b) have controlling shareholders in common; or</p> <p>c) receive or have received any direct or indirect subsidy from any of them; or</p> <p>d) have the same legal representative for purposes of this tender; or</p> <p>e) have a relationship with each other, directly or through common third parties, that puts them in a position to have access to information about or influence on the Tender of another Tenderer, or influence the decisions of the PE regarding this tendering process; or</p> <p>f) submit more than one tender in this tendering process, However, this does not limit the participation of subcontractors in more than one tender, or as Tenderers and subcontractors simultaneously; or</p> <p>g) participated as a consultant in the preparation of the design or technical specifications of the supplies and services and related services that are the subject of the tender.</p>
		3.8	<p>A tenderer may be ineligible if:</p> <p>(a) the tenderer is declared bankrupt or, in the case of company or firm, insolvent;</p> <p>(b) payments in favour of the tenderer is suspended in accordance with the judgment of a court of law other than a judgment declaring bankruptcy and resulting, in accordance with the national laws, in the total or partial loss of the right to administer and dispose of its property;</p> <p>(c) legal proceedings are instituted against the tenderer involving an order suspending payments and which may result, in accordance with the national laws, in a declaration of bankruptcy or in any other situation entailing the total or partial loss of the right to administer and dispose of the property;</p> <p>(d) the tenderer is convicted, by a final judgment, of any offence involving professional conduct;</p> <p>(e) the tenderer is debarred in accordance with section 62 of the Act or ineligible in accordance with section 84(7) of the Act, from participating in public procurement for corrupt, coercive, collusive, fraudulent or obstructive practices, failure to abide with a Tender Securing Declaration, breach of a procurement contract, making false representation about his qualifications during tender proceeding or other grounds as may be deemed necessary by the Authority company or firm is found guilty of serious misrepresentation with regard to information required for participation in an invitation to tender or to submit proposals; and</p> <p>(f) the tenderer is from ineligible country as specified in Section VI of the tendering document.</p>
		3.9	Public or Semi-public owned enterprises in the United Republic of Tanzania may participate only if they are legally and financially autonomous, if they operate under commercial law, and if they are not a dependent agency of the Government and are registered by the relevant registration boards or authorities.
		3.10	Tenderers shall provide to the PE evidence of their eligibility, proof of compliance with the necessary legal, technical and financial requirements and their capability and, adequacy of resources to carry out the contract effectively.
		3.11	Tenderer shall provide such evidence of their continued eligibility

			satisfactory to the PE, as the PE shall reasonably request.
		3.12	Tenderers shall submit proposals to relating to the nature, conditions and modalities of sub-contracting wherever the sub-contracting of any elements of the contract amounting to the more than ten percent (10%) of the tender price is envisaged.
4.	Eligible Goods and Related Services	4.1	All goods and Related Services to be supplied under the Contract shall have their country of origin in eligible source countries in accordance with the Public Procurement Regulations, 2013. For purposes of this Tender, ineligible countries are stated in the <b>TDS</b> .
		4.2	For the purposes of this Clause, the term “goods” includes Health commodities, raw materials, machinery, equipment and Biomedical plants, and “related services” includes services such as insurance, installation, training and initial Maintenance.
		4.3	The term “country of origin” means the country where the goods have been mined, grown, cultivated, produced, manufactured, or processed, or through manufacture, processing, or assembly, another commercially recognised article results that differs substantially in its basic characteristics from its imported components or the place from which the related services are supplied.
		4.4	The nationality of the firm that produces, assembles, distributes, or sells goods and related services shall not determine their origin.
		4.5	To establish the eligibility of the goods and Related Services, Tenderers shall fill the country of origin declarations in the Price Schedule included in the Forms of Tender.
		4.6	If so required in the <b>TDS</b> , the Tenderer shall demonstrate that it has been duly authorized by the Manufacturer of the goods to supply, in the United Republic of Tanzania, the Supplies indicated in its Tender.
5.	One Tender per Tenderer	5.1	A firm shall submit only one Tender, in the same tendering process, either individually as a Tenderer or as a partner in a joint venture.
		5.2	No firm can be a subcontractor while submitting a tender individually or as a partner of a joint venture in the same Tendering process.
		5.3	A firm, if acting in the capacity of subcontractor in any tender, may participate in more than one tender but only in that capacity.
		5.4	A Tenderer who submits or participates in more than one Tender (other than as a subcontractor or in cases of alternatives that have been permitted or requested) will cause all the tenders in which the Tenderer has participated to be disqualified.
		5.5	If it is so specified in <b>TDS</b> Tenderers are invited to tender their prices for one or more items. The Framework Agreements (FWA) may be concluded with more than one tenderer for one item/lot/package. Incase FWA is concluded with multiple awards, the first ranked lowest evaluated bidder will be considered first for each call off order issued, and when the first ranked lowest evaluated bidder fails to comply with the agreed delivery schedule, the purchaser reserves the right to issue call off order to the next ranked bidder consecutively.
6.	Cost of Tendering	6.1	The Tenderer shall bear all costs associated with the preparation and submission of its tender, and the PE will in no case be responsible or liable for those costs, regardless of the conduct or outcome of the tendering process except where the PE is ordered by the Public Procurement Appeals Authority (PPAA) to compensate the Tenderer following a successful Tenderer’s appeal of the procurement proceedings.

**B. Tender Documents**

7.	Content of Tendering Documents	7.1	The goods required, Tendering procedures, and contract terms are prescribed in the Tendering Documents. In addition to the Invitation for Tenders, the Tendering documents which should be read in conjunction with any addenda issued in accordance with ITT 9.2 [Amendment of Tendering Documents] include: <b>PART 1: TENDERING PROCEDURES</b> Section II - Instructions to Tenderers (ITT). Section III - Tender Data Sheet (TDS). Section IV– Qualification and Evaluation Criteria. Section V - Tendering Forms. Section VI - Eligible Countries. <b>PART 2: PROCURING ENTITY’S REQUIREMENTS</b> Section VII – Schedule of Requirements <b>PART 3: CONDITIONS OF CONTRACT AND CONTRACT FORMS</b> Section VIII - General Conditions of Contract (GCC). Section IX - Special Conditions of Contract (SCC). Section X - Contract Forms.
		7.2	The “Invitation for Tenders” (Section I) issued by the PE is not part of the Tendering Documents and is included as a reference only. In case of discrepancies between the Invitation for Tender and the Tendering Documents listed in ITT 7.1 above, the said Tendering Documents will take precedence.
		7.3	The PE is not responsible for the completeness of the Tendering Documents and their addenda, if they were not obtained directly from NeST.
		7.4	The Tenderer is expected to examine all instructions, forms, terms and specifications in the Tendering Documents. Failure to furnish all information required by the Tendering Documents or to submit a Tender substantially responsive to the Tendering Documents in every respect will be at the Tenderer’s risk and may result in the rejection of its Tender.
8.	Clarification of Tendering Documents	8.1	A prospective Tenderer requiring any clarification of the Tendering Documents may notify the PE through NeST at least seven (7) days for open competitive methods and three (3) days in the case of other tendering methods prior to tender submission deadline.
		8.2	The PE will within one (1) to three (3) days after receiving the request for clarification for non-competitive tendering methods and open competitive methods respectively respond and publish through NeST.
		8.3	Should the PE deem it necessary to amend the Tendering documents as a result of a clarification, it shall do so following the procedure under ITT 9 [Amendment of Tendering Documents].
		8.4	PE's response shall include a description of the inquiry without identifying its source.
9.	Amendment of Tendering Documents	9.1	Before the deadline for submission of Tenders, the PE, for any reason, whether at its own initiative or in response to a clarification requested by a prospective Tenderer, may modify the Tendering Documents by issuing addenda.
		9.2	Any addendum issued including the notice of any extension of the deadline shall be part of the Tendering documents pursuant to ITT 7.1 [Content of Tendering Documents] and shall be communicated through NeST to the participating Tenderers.
		9.3	In order to allow prospective Tenderers reasonable time to take into-account an addendum in preparing their tenders, the PE at its discretion may extend the deadline for submission of tenders, pursuant to ITT 22.2 [Deadline for Submission of Tenders].

### C. Preparation of Tender

10.	Language of Tender	10.1	The tender prepared by the Tenderer, as well as all correspondence and documents relating to the tender exchanged by the Tenderer and the PE, shall be written in the language specified in the TDS. Supporting documents and printed literature furnished by the Tenderer may be in another language provided they are accompanied by an accurate translation of the relevant passages in the Language of the Tender, in which case, for purposes of interpretation of the Tender, the translation shall govern.
11.	Documents and Sample (s) Constituting the Tender	11.1	<p>The Tender prepared by the Tenderer shall constitute the following components:</p> <p>a) Form of Tender and a Price Schedule completed per ITT 14 [Form of Tender], ITT 16 [Tender Prices and Discounts], and ITT 17 [Tender Currencies];</p> <p>b) Sample(s) as requested in the <b>TDS</b>;</p> <p>c) Documentary evidence established by ITT 13 [Documents Establishing Eligibility and Qualification of the Tenderer] that the Tenderer is eligible to Tender and is qualified to perform the contract if its Tender is accepted;</p> <p>d) Documentary evidence established by ITT 13.3(a) that the Tender has been authorized by the manufacturer to supply the goods to the United Republic of Tanzania, where required and where the supplier is not the manufacturer of those goods. In the case of a Tenderer offering to supply Goods under the Contract that the Tenderer manufactures or otherwise produces (using ingredients supplied by primary manufacturers) that the Tenderer: is incorporated in the country of manufacture of the Good, then:(i) has been licensed by the regulatory authority in the country of manufacture to supply the Goods. (ii) has manufactured and marketed the specific Goods covered by this tendering document, for at least two (2) years, and for similar Goods for at least five (5) years. (iii) has received a satisfactory GMP inspection certificate in line with the WHO certification scheme on pharmaceuticals moving in International Commerce from the regulatory authority (RA) in the country of manufacture of the goods or has been certified by the competent authority of a member country of the Pharmaceuticals Inspection Convention (PIC) and has demonstrated compliance with the quality standards during the past two years before Tender submission. (ii) that, in the case of a Tenderer offering to supply Goods under the Contract that the Tenderer does not manufacture or otherwise produce: Likewise if tenderer (ii) has been duly authorized by a manufacturer of the Goods that meets the criteria under to supply the Goods in the Purchaser's Country; shall also submit the following additional information: (a). copies of its audited financial statements for the past three fiscal years. (c). List of major supply contracts conducted within the last five years;</p> <p>e) Documentary evidence established by ITT12 [Documents Establishing Eligibility of Goods and Related Services and Conformity to Tendering Documents] that the goods and ancillary services to be supplied by the Tenderer are eligible goods and services and conform to the Tendering Documents;</p> <p>f) Tender security or Tender securing declaration furnished by ITT19 [Tender Security or Tender Securing Declaration];</p> <p>g) Duly Notarized Power of Attorney (in the format provided in Section V– Tendering Forms) authorizing the</p>

			<p>signatory of the Tender to commit the Tenderer, by ITT20.2 [Format and Signing of Tenders] except for Sole Proprietor; and</p> <p>h) Tenderers who are not primary manufacturers should provide evidence that their product conforms to the quality standards of the primary manufacturer and they can supply the specified quantities. A “primary manufacturer” is defined as a company that performs all the manufacturing and formulating operations needed to produce health commodities but not limited to Pharmaceuticals, medical equipment, and supplies, Laboratory Equipment and reagents, Diagnostic and medical imaging or nutritional supplements in their appropriate dosage forms or models, including processing, blending, formulating, filling, packing, labeling, and quality testing. The Tenderer shall furnish a certificate from the competent Regulatory Authority (RA) that the manufacturer is licensed to manufacture the Goods offered.</p> <p>(i) Any other document, other than the documents under ITT11.1 (a) – (h) above, is required to be completed and submitted by Tenderers, as specified in the <b>TDS</b>.</p>
		11.2	<p>Where a sample(s) is required by a PE, the sample shall be:</p> <p>(a) Physically submitted as part of the tender, in the quantities, sizes, and other details requested in the IFT;</p> <p>(b) carriage paid.</p> <p>(c) received on, or before, the closing time and date for the submission of tenders and at the address shown in the <b>TDS</b>; and</p> <p>(d) Evaluated to determine compliance with all characteristics listed in the <b>TDS</b>.</p>
		11.3	<p>The PE shall reject the tender if the sample(s) does not conform to all characteristics prescribed in the tendering documents and are not submitted within a specified time; and shall retain the sample(s) of the successful tenderer.</p>
		11.4	<p>Where it is not possible to avoid using a propriety article as a sample, a tenderer shall make it clear that the propriety article is displayed only as an example of the type or quality of the goods being tendered for and that competition shall not thereby be limited to that article only.</p>
		11.5	<p>Samples made up from materials supplied by a PE shall not be returned to a tenderer nor shall a PE be liable for the cost of making them.</p>
		11.6	<p>All samples produced from materials belonging to an unsuccessful tenderer that are not claimed by the tenderer within thirty (30) days from the date of award of the contract shall be the property of the PE and shall dispose them in such a manner as may be directed by the Accounting Officer.</p>
12.	Documents Establishing Eligibility of Goods and Related Services and Conformity to Tendering Documents	12.1	<p>Under ITT 11 [Documents and Sample(s) Constituting the Tender], the Tenderer shall furnish, as part of its tender, documents establishing the eligibility of the Health Sector Goods and Related Services to be supplied under the Contract.</p>
		12.2	<p>The documentary evidence of the eligibility of the goods and related services shall consist of a statement in the Price Schedule of the country of origin of the goods and services offered which shall be confirmed by a certificate of origin issued at the time of shipment.</p>

		12.3	<p>The documentary evidence of conformity of the goods and related services to the Tendering Documents may be in the form of literature, drawings, and data, and shall consist of:</p> <p>a) a detailed description of the essential technical and performance characteristics of the goods;</p> <p>b) an item-by-item commentary on the PE's Technical Specifications demonstrating substantial responsiveness of the goods and related Services to those specifications, or a statement of deviations and exceptions to the provisions of the Technical Specifications;</p> <p>c) any other procurement-specific documentation requirement as stated in the <b>TDS</b>.</p>
		12.4	<p>Unless the <b>TDS</b> stipulates otherwise, the Goods to be supplied under the contract shall be registered with the relevant authority in the United Republic of Tanzania. A Tenderer who has already registered its Goods by the time of Tendering should submit a copy of the Registration Certificates, with its Tender.</p> <p>Application for Registration of goods shall not be considered as Evidence establishing to the PE's as evidence of registration of goods.</p> <p>Registration requirements for local and foreign suppliers shall be specified in <b>TDS</b>.</p>
		12.5	<p>For purposes of the commentary to be furnished under ITT 12.3(b) above, the Tenderer shall note that standards for workmanship, material, and equipment, as well as references to brand names or catalog numbers designated by the PE in its Technical Specifications, are intended to be descriptive only and not restrictive. The Tenderer may substitute alternative standards, brand names, and/or catalog numbers in its Tender, provided that it demonstrates to the PE's satisfaction that the substitutions ensure substantial equivalence to those designated in the Technical Specifications.</p>
		12.6	<p>The required documents and other accompanying documents must be in the language of the tender specified in ITT 10 [Language of Tender]. In case any other language than the language of tender is used, the pertinent translation into that language of tender shall be attached to the original version.</p>
13.	Documents Establishing Eligibility and Qualifications of the Tenderer	13.1	<p>Under ITT 11, the Tenderer shall furnish, as part of its Tender, documents establishing the Tenderer's eligibility to Tender and its qualifications to perform the contract if its Tender is accepted.</p>
		13.2	<p>The documentary evidence of the Tenderer's eligibility to Tender shall establish to the PE's satisfaction that the Tenderer, at the time of submission of its Tender, is from an eligible country as defined under ITT 4.</p>
		13.3	<p>The documentary evidence of the Tenderer's qualifications to perform the contract if its Tender is accepted shall establish to the PE's satisfaction:</p> <p>a. that, in the case of a Tenderer offering to supply Goods under the Contract that the Tenderer does not manufacture or otherwise produce,</p> <p>i. that the Tenderer has been duly authorized by a manufacturer of the Goods that meets the criteria under (a) above to supply the goods in the Purchaser's Country; and</p> <p>The Tenderer shall also submit the following additional information:</p> <p>a. copies of its audited financial statements for the past</p>

			<p>three fiscal years;</p> <p>b. list of major supply contracts conducted within the last five years.</p> <p>c. The Tenderer meets each of the qualification criteria specified in Section IV [Qualification and Evaluation Criteria]</p>
		13.4	Tenderers can get information on national standards and the registration process from Regulators at the address specified in the TDS
14.	Form of Tender and Price Schedules	14.1	The Form of Tender and Price Schedules shall be prepared using the relevant forms furnished in Section V, Tendering Forms. The forms must be completed without any alterations to the text, and no substitutes shall be accepted except as provided under ITT 20.3 [Format and Signing of Tender]. All blank spaces shall be filled in with the information requested.
15.	Tender Prices and Discounts	15.1	The prices and discounts quoted by the Tenderer in the Form of Tender and the Price Schedules shall conform to the requirements specified below.
		15.2	All items in the Schedule of Requirements must be listed and priced separately in the Price Schedules. If a Price Schedule shows items listed but not priced, the Tender will be rejected as being substantially non-responsive. Items not listed in the Price Schedule shall be assumed to be not included in the Tender and the Tender will be rejected as being substantially non-responsive.
		15.3	The price to be quoted in the Form of Tender, by ITT 14.1 shall be the total price of the tender, based on the estimated quantities specified, including any discounts offered.
		15.4	The Tenderer shall quote any unconditional and conditional discounts and the methodology for their application in the Form of Tender, by ITT 15.8
		15.5	The terms EXW, CIF, CIP, and other similar terms shall be governed by the rules prescribed in the current edition of Incoterms, published by the International Chamber of Commerce, as specified in the TDS.
		15.6	Prices quoted on the Price Schedule for goods and Related Services, shall be disaggregated, when appropriate as indicated in this ITT. This dis-aggregation shall be solely to facilitate the comparison of tender by the PE. This shall not in any way limit the PE's right to contract on any of the terms offered: In quoting prices, the Tenderer shall be free to use transportation through carriers registered in any eligible country, by Section V, Eligible Countries. Similarly, the Tenderer may obtain insurance services from any eligible country by Section VI, Eligible Countries. Prices shall be entered in the following manner: a) for Goods manufactured in the United Republic of Tanzania: i) the price of the Goods quoted EXW (ex-works, ex-factory, ex-warehouse, ex-showroom, or off-the-shelf, as applicable), including all customs duties and sales and other taxes already paid or payable on the components and raw material used in the manufacture or assembly of the Goods;

		<p>ii) any sales tax and other taxes which will be payable on the Goods if the Contract is awarded to the Tenderer; and  iii) the price for inland transportation, insurance, and other local services required to convey the Goods to their final destination (Project Site) specified in the <b>TDS</b>.</p> <p>b) for Goods manufactured outside the United Republic of Tanzania, to be imported:  i) the price of the Goods, under quoted Incoterm named place of destination, in the Purchaser's Country, as specified in the <b>TDS</b>; and  ii) the price for inland transportation, insurance, and other local services required to convey the Goods from the named place of destination to their final destination (Project Site) specified in the <b>TDS</b>;</p> <p>c) for Goods manufactured outside the United Republic of Tanzania, already imported:  i) the price of the Goods, including the original import value of the Goods; plus, any mark-up (or rebate); plus, any other related local cost, and customs duties and other import taxes already paid or to be paid on the Goods already imported;  ii) the customs duties and other import taxes already paid (need to be supported with documentary evidence) or to be paid on the Goods already imported;  iii) the price of the Goods, obtained as the difference between (i) and (ii) above;  iv) any sales and other taxes which will be payable on the Goods if the Contract is awarded to the Tenderer; and  v) the price for inland transportation, insurance, and other local services required to convey the Goods from the named place of destination to their final destination (Project Site) specified in the <b>TDS</b>.</p> <p>d) for Related Services, other than inland transportation and other services required to convey the Goods to their final destination, whenever such Related Services are specified in the Schedule of Requirements: the price of each item comprising the Related Services (inclusive of any applicable taxes).</p>
	15.7	<p>Prices quoted by the Tenderer shall be fixed during the Tenderer's performance of the Contract and not subject to variation on any account unless otherwise specified in the <b>TDS</b>. A tender submitted with an adjustable price quotation shall be treated as non-responsive and shall be rejected, under ITT 28. However, if by the <b>TDS</b>, prices quoted by the Tenderer shall be subject to adjustment during the performance of the Contract, a tender submitted with a fixed price quotation shall not be rejected, but the price adjustment shall be treated as zero.</p>
	15.8	<p>If so indicated in <b>TDS</b>, tenders are being invited for individual items, lots, or for any combination of contract packages. Unless otherwise specified in the <b>TDS</b>, prices quoted shall correspond to 100% of the items specified for each lot and to 100% of the quantities specified for each item of a lot. Tenderers wishing to offer any price reduction for the award of more than one Contract shall specify in their tender the price reductions applicable to each package, or to individual Contracts within the package. Price reductions or discounts shall be submitted by ITT 15.4, provided the tenders for each item or lot are submitted and opened at the same time.</p>
	15.9	<p>In the case of National, International, and Restricted Competitive Tendering on Fixed Budget Method, the Tender Price quoted by the Tenderer shall not exceed the</p>

			budget indicated in the <b>TDS</b> . Any Tenderer whose Tender Price exceeds the provided budget shall be rejected.
16.	Tender Currencies	16.1	Prices shall be quoted in the following currencies: a) For goods and services that the Tenderer will supply from within the United Republic of Tanzania, the prices shall be quoted in Tanzania Shillings, unless otherwise specified in the <b>TDS</b> . b) For goods and related services that the Tender will supply from outside the United Republic of Tanzania, or for imported parts or components of goods and related services originating outside the United Republic of Tanzania, the tender prices shall be quoted in any freely convertible currency of another country. If the Tenderer wishes to be paid in a combination of amounts in different currencies, it may quote its price accordingly but use no more than three foreign currencies.
		16.2	The rates of exchange to be used by the Tenderer in arriving at the local currency shall be the selling rates for similar transactions established by the Bank of Tanzania (BOT) prevailing on the tender publication date.
		16.3	Unless otherwise specified in the <b>TDS</b> , local transportation, insurance, and other services incidental to delivery of the goods covered under ITT 16.1 and installation services covered under ITT 16.3 shall be quoted in either foreign and/or local currency, depending upon the currency in which the costs are to be incurred and by the provisions of ITT 16.1 (a) and (b) above.
		16.4	Tenderers may be required by the PE to clarify their foreign currency requirements and to substantiate that the amounts included in the Lump Sum and the Special Conditions of Contract are reasonable and responsive to ITT 16.1.
		17.	Tender Validity Period
		17.2	In exceptional circumstances, before expiry of the original Tender validity period, the PE may request that the Tenderers consent to an extension of the period of validity of their Tenders. The request and the Tenderer's responses shall be made through NeST.
		17.3	The Tender Security provided under ITT 19 [Tender Security or Tender Securing Declaration] shall also be suitably extended. A Tenderer may refuse the request without forfeiting its Tender Security or causing to be executed its Tender Securing Declaration.
		17.4	A Tenderer agreeing to the request will not be required or permitted to modify its Tender but will be required to extend the validity of its Tender Security or Tender Securing Declaration for the period of the extension, and in compliance with ITT 19 [Tender Security or Tender Securing Declaration] in all respects.
		17.5	In the case of fixed-price contracts, if the award is delayed by a period exceeding sixty (60) days beyond the expiry of the initial Tender validity period, the contract price may be adjusted by a factor specified in the request for extension.
18.	Tender Security or Tender Securing Declaration	18.1	Under ITT 11, unless otherwise specified in the <b>TDS</b> , the Tenderer shall furnish as part of its Tender, a Tender Security in original form and in the amount and currency specified in the <b>TDS</b> or Tender Securing Declaration as specified in the <b>TDS</b> in the format specified in Section V

		18.2	The Tender Security or Tender Securing Declaration is required to protect the PE against the risk of Tenderer's conduct which would warrant the security's forfeiture, under ITT 18.9.
		18.3	The Tender Security shall be denominated in the currency of the tender or another freely convertible currency, and shall be in one of the following forms: a) a bank guarantee, an irrevocable letter of credit issued by a reputable bank, or an insurance bond issued by a reputable insurance firm located in the United Republic of Tanzania or abroad, in the form provided in the Tendering Documents or another form acceptable to the PE and valid for twenty-eight (28) days beyond the end of the validity of the Tender. This shall also apply if the period for tender validity is extended. In either case, the form must include the complete name of the Tenderer; b) a cashier's or certified cheque; or c) another security if indicated in the <b>TDS</b> .
		18.4	The Tender Security or Tender Securing Declaration of a Joint Venture must be in the name of the Joint Venture that submits the bid. If the Joint Venture has not been legally constituted at the time of tendering, the Tender Security or Tender Securing Declaration shall be in the names of all future partners as named in the letter of intent.
		18.5	The Tender Security or Tender Securing Declaration shall be by the Form of the Tender Security or Tender Securing Declaration included in Section VIII or another form approved by the PE before the tender submission.
		18.6	Any Tender not accompanied by a Tender Security or Tender Securing Declaration by ITTs 18.1 or 18.3 shall be rejected by the PE as non-responsive, under ITT 29.
		18.7	Unsuccessful Tenderers' Tender Security will be discharged or returned as promptly as possible but not later than thirty (30) days after the expiration of the period of Tender Validity prescribed by the PE under ITT 18.
		18.8	The successful Tenderer's Tender Security will be discharged upon the Tenderer signing the contract, under ITT 41, and furnishing the performance security, under ITT 42.
		18.9	The Tender Security may be forfeited or the Tender Securing Declaration executed: a) If a Tenderer i) withdraws its Tender during the period of Tender validity specified by the Tenderer on the Form of Tender except as provided for in ITT 17.2; or ii) does not accept the correction of errors under ITT 30.3; or b) In the case of a successful Tenderer, if the Tenderer fails: i) to sign the contract by ITT 41; or ii) to furnish performance security by ITT 42.
		18.10	A Tenderer shall be suspended from being eligible for tendering in any contract with the PE for the period indicated in the Tender Security or Tender Securing Declaration: (a) if the Tenderer withdraws its bid, except as provided in ITT 17.2 and 30.2; or (b) In the case of a successful Tenderer, if the Tenderer fails within the specified time limit to: (i) sign the contract, or (ii) furnish the required performance security
		18.11	The failure of a Tenderer to abide by the terms of the

			Tender Securing Declaration shall be reported to the Public Procurement Authority (PPRA) for debarment for a period which they shall determine. A Tenderer debarred by PPRA shall be ineligible to participate in public procurement during the period of debarment.
19.	Alternative Tenders by Tenderers	19.1	Tenderers shall submit offers that comply with the requirements of the Tendering Documents, including the basic Tenderer's technical design as indicated in the specifications and Schedule of Requirements. Alternatives will not be considered unless specifically allowed for in the <b>TDS</b> . If so allowed, ITT 19.2 shall prevail.
		19.2	When an alternative schedule for the delivery of goods is explicitly invited, a statement of that effect will be included in the <b>TDS</b> as will the method for evaluating the different schedules for delivery of goods.
		19.3	If so allowed in the <b>TDS</b> , Tenderers wishing to offer technical alternatives to the requirements of the Tendering documents must also submit a Tender that complies with the requirements of the Tendering documents, including the basic technical design as indicated in the specifications. In addition to submitting the basic Tender, the Tenderer shall provide all information necessary for a complete evaluation of the alternative by the PE, including specifications, breakdown of prices, and other relevant details.
20.	Format and Signing of Tender	20.1	The Tenderer shall prepare documents comprising the tender as described in ITT 11 [Documents and Sample(s) Constituting the Tender].
		20.2	The Tender shall be signed by a person or persons duly authorized to sign on behalf of the Tenderer and the authorization documents shall be submitted together with the tender indicating the names and position of each signatory in accordance with the requirements of the NeST. The authorization document(s) shall be a duly notarized power of attorney in the format provided in section V; Tendering forms.
		20.3	The Tenderer shall furnish information as described in the Form of Tenderer on commissions or gratuities, if any, paid or to be paid to agents relating to this Tender and to contract execution if the Tenderer is awarded the contract.

**D. Submission of Tenders**

21.	Submission of Tenders	21.1	All tenders shall be submitted through the National Electronic Procurement System of Tanzania (NeST) Tenders submitted through NeST shall be considered to be a true and legal version, duly authorized and duly executed by the tenderer, and intended to have binding legal effect. The tenderer shall properly name his soft copies of documents before submission through NeST.
		21.2	The tender shall bear e-signature or digital signatures, where applicable for identity and authentication purposes and the identity of the tenderer may be verified with a follow-up due diligence process.
		21.3	Tenders submitted through NeST shall be received in full prior to the closing time and the tenderers shall receive an acknowledgment of receipt of their tenders or amendment through the system.
		21.4	The authenticity of their submission; and in the case of electronic records entered online and files containing the tender being Unreadable for any reason, the tender submitted shall not be considered.
		21.5	In addition, if required in accordance with ITT11 [Documents and Sample(s) Constituting the Tender], the Tenderer shall deliver any samples at the address shown in the <b>TDS</b> not later than the deadline for submission of tenders.
22.	Deadline for Submission of Tenders	22.1	Tenders shall be received by the PE through NeST in a manner specified under ITT 21.2 and ITT 21.5 [Submission of Tenders] no later than the date and time specified in the <b>TDS</b> and NeST.
		22.2	The PE may, in exceptional circumstances and at its discretion, extend the deadline for the submission of Tenders by amending the Tendering Documents in accordance with ITT 9, in which case all rights and obligations of the PE and Tenderers previously subject to the deadline will thereafter be subject to the new deadline.
23.	Late Tenders	23.1	NeST does not allow a Tenderer to submit its tender after the deadline for submission of tenders in accordance with ITT 22 [Deadline for Submission of Tenders].
24.	Modification, Substitution or Withdrawal of Tenders	24.1	A Tenderer may modify substitute or withdraw its Tender after it has been submitted to the PE through NeST, provided that such modification substitution, or withdrawal is made prior to the deadline for submission of Tenders prescribed in ITT22.1 [Deadline for Submission of Tenders]. Tenderers shall receive an acknowledgment of receipt of any amendment of its submitted tender through the system.
		24.2	No Tender may be withdrawn, replaced or modified in the interval between the deadline for submission of Tenders and the expiration of the period of Tender validity specified by the Tenderer on the Form of Tender. Withdrawal of a Tender during this interval may result in the Tenderer's forfeiture of its Tender Security, or execution of Tender Securing Declaration pursuant to the ITT 18.10.

**E: Opening and Evaluation Of Tenders**

25.	Opening of Tenders	25.1	The Tenders shall be opened automatically by the system after the deadline date and time. Readout prices shall be displayed automatically in the NeST portal. Automated opening reports shall be sent to all involved parties including the PE and Tenderers.
		25.2	A Tenderer or any other person with interest in the tender process can access tender opening records on the appropriate section of NeST.
26.	Confidentiality	26.1	Information relating to the examination, evaluation, comparison, Tenders, and recommendation of contract award shall not be disclosed to Tenderers or any other persons not officially concerned with such process until the award to the successful Tenderer has been announced.
		26.2	Any effort by a Tenderer to influence the PE processing of tenders or award decisions may result in the rejection of its Tender.
		26.3	Notwithstanding ITT 26.2, from the time of tender opening to the time of Contract award, if any Tenderer wishes to contact the PE on any matter related to the tendering process, it should do so in writing or in electronic forms that provides a record of the content of the communication.
27.	Clarification of Tenders	27.1	To assist in the examination, evaluation, and comparison of tenders and post-qualification of Tenderers, the PE may, at its discretion, ask any Tenderer for clarification of its tender, including breakdowns of prices. Any clarification submitted by a Tenderer that is not in response to a request by the PE shall not be considered.
		27.2	The request for clarification and the response shall be communicated through NeST and The Tenderer shall; respond through NeST. No change in the prices or substance of the Tender shall be sought, offered, or permitted except provided otherwise.
		27.3	From the time of tender opening to the time of contract award if any Tenderer wishes to contact the PE on any matter related to the tender it should do so in writing or in electronic forms that provide a record of the content of the communication.
28.	Preliminary Examination of Tenders	28.1	Before the detailed evaluation of tenders, the PE will determine whether each tender (a) meets the eligibility criteria defined in ITT 3 and 4; (b) has been properly signed; (c) is accompanied by the required securities; and (d) is substantially responsive to the requirements of the Tendering Documents. The PE's determination of a tenderer's responsiveness will be based on the contents of the tender itself.
		28.2	A substantially responsive tender conforms to all the terms, conditions, and specifications of the Tendering Documents, without material deviation or reservation. A material deviation or reservation is one that: a) affects in any substantial way the scope, quality, or delivery of related goods and or services; b) limits in any substantial way, inconsistent with the Tendering documents, the PE's rights, or the Tenderer's obligations under the Contract; or c) if rectified, would affect unfairly the competitive position of other Tenderers presenting substantially responsive tenders. For this section, the following definitions apply <b>“Deviation”</b> is a departure from the requirements specified in

			<p>the Tendering Document;  <b>“Reservation”</b> is the setting of limiting conditions or withholding from complete acceptance of the requirements specified in the Tendering Document; and  <b>“Omission”</b> is the failure to submit part or all of the information or documentation required in the Tendering Document.</p>
		28.3	<p>The PE will confirm that the documents and information specified under ITT 11, 12, and 13 have been provided in the Tender. If any of these documents or information is missing or is not provided by the Instructions to Tenderers, the Tender shall be rejected.</p>
		28.4	<p>The PE may waive any minor informality, nonconformity, or irregularity in a Tender that does not constitute a material deviation, provided such waiver does not prejudice or affect the relative ranking of any Tenderer.</p>
		28.5	<p>Provided that a tender is substantially responsive, the PE may request that the Tenderer submit the necessary information or documentation, within a reasonable period, to rectify non-material non-conformities or omissions in the tender related to documentation requirements. Such omission shall not be related to any aspect of the price of the tender. Failure of the Tenderer to comply with the request may result in the rejection of its tender.</p>
		28.6	<p>Provided that a tender is substantially responsive, the PE shall rectify quantifiable non-material non-conformities related to the Tender Price. To this effect, the Tender Price shall be adjusted, for comparison purposes only, to reflect the price of a missing or non-conforming item or component</p>
		28.7	<p>If a Tender is not substantially responsive, it will be rejected by the PE and may not subsequently be made responsive by the Tenderer by correction of the nonconformity.</p>
		28.8	<p>Material deviations to commercial terms and conditions, which justify rejection of a tender shall include the following:</p> <ul style="list-style-type: none"> <li>a) failure to sign the Form of Tender and price schedules by the authorized person or persons;</li> <li>b) failure to satisfy eligibility requirements;</li> <li>c) failure to submit a tender security as specified in the tendering documents;</li> <li>d) failure to satisfy the tender validity period;</li> <li>e) inability to meet the critical delivery schedule specified in the tendering documents, where such schedule is a crucial condition with which tenderers must comply;</li> <li>f) failure to comply with minimum experience criteria as specified in the tendering documents;</li> <li>g) conditional tenders such as conditions in a tender that limit the tenderer’s responsibility to accept an award</li> <li>h) inability to accept the price adjustment formulae of the tendering documents;</li> <li>i) stipulating price adjustment when fixed price tenders were invited;</li> <li>j) subcontracting in a substantially different amount or manner than that permitted;</li> <li>k) Failure to submit major supporting documents required by the tendering documents to determine substantial responsiveness of a tender.</li> </ul>
		28.9	<p>All tenders shall be checked for substantial responsiveness to the technical requirements of the tendering documents and non-conformity to technical requirements, which are justifiable grounds for rejection of a tender including the</p>

			<p>following:</p> <p>a) failure to tender for the required scope of tender as instructed in the tendering documents and where failure to do so has been indicated as unacceptable;</p> <p>b) failure to quote for a major item in the package;</p> <p>c) failure to meet major technical requirements, such as offering completely different types of equipment or materials from the types specified, plant capacity well below the minimum specified, equipment not able to perform the basic functions for which it is intended;</p> <p>d) presentation of absolutely unrealistic and inadequate implementation plans and schedules regarding performance, technical, or service factors.</p>
29.	Examination of Terms and Conditions; Technical Evaluation	29.1	The PE shall examine the tender to confirm that all terms and conditions specified in the General Conditions of Contract and the Special Conditions of Contract have been accepted by the Tenderer without any material deviation or reservation.
		29.2	The PE shall evaluate the technical aspects of the Tender submitted by ITT 12 and ITT 13, to confirm that all requirements specified in Section VI – Schedule of Requirements of the Tendering Documents and Section VII – Technical Specifications have been met without material deviation or reservation.
		29.3	If after the examination of the terms and conditions and the technical evaluation, the PE determines that the Tender is not substantially responsive by ITT 28, it shall reject the Tender.
30.	Correction of Errors	30.1	<p>Tenders determined to be substantially responsive will be checked by the PE for any arithmetic errors. Errors will be corrected as follows: -</p> <p>a) If there is a discrepancy between unit prices and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail, and the total price shall be corrected unless, in the opinion of the PE, there is an obvious misplacement of the decimal point in the unit price, in which the total price as quoted shall govern and the unit price shall be corrected;</p> <p>b) If there is an error in a total corresponding to the addition or subtraction of subtotals, the subtotals shall prevail and the total shall be corrected; and</p> <p>c) Where there is a discrepancy between the amounts in figures and words, the amount in words will govern unless the amount expressed in words is related to an arithmetic error, in which case the amount in figures shall prevail subject to (a) and (b) above.</p>
		30.2	The amount stated in the tender will, be adjusted by the PE by the above procedure for the correction of errors and, with, the concurrence of the Tenderer, shall be considered as binding upon the Tenderer. If the Tenderer does not accept the corrected amount, its Tender will then be rejected, and the Tender Security may be forfeited or the Tender Securing declaration may be executed by ITT 18.10.
		30.3	In the case of National, International, and Restricted Competitive Tendering on Fixed Budget Method, determination as to whether the tender is within the budget shall be made during arithmetic correction. Any tender, whose corrected tender price exceeds the available budget

			shall be rejected
31.	Conversion to Single Currency	31.1	To facilitate evaluation and comparison, the PE will convert all tender prices expressed in the various currencies in which they are payable to either: a) in Tanzania Shilling at the selling exchange rate established for similar transactions by the Bank of Tanzania or a commercial bank in the United Republic of Tanzania. or b) in a currency widely used in international trade, such as U.S. dollars, at the selling rate of exchange published in the international press for the amount payable in foreign currency; and at the selling exchange rate established for similar transactions by the Bank of Tanzania for the amount payable in Tanzania Shillings.
		31.2	The currency selected for converting tender prices to a common base for evaluation, as provided by the Bank of Tanzania (BOT) prevailing on the date of tender opening.
32.	Commercial Evaluation of Tenders	32.1	The PE shall evaluate and compare only the Tenders determined to be substantially responsive, under ITT 29[Preliminary Examination of Tenders].
		32.2	To evaluate a Tender, the PE shall consider the following: a) Evaluation will be done for Items or Lots (contracts), as specified in the <b>TDS</b> ; and the Tender Price as quoted by clause 14 [Form of Tender and Price Schedules]; b) price adjustment for correction of arithmetic errors by ITT 29 [Correction of arithmetic Errors]; c) price adjustment due to discounts offered by ITT 16.4 [Tender Prices and Discounts]; d) converting the amount resulting from applying (a) to (c) above, if relevant, to a single currency by ITT 30 [Conversion to Single Currency]; e) price adjustment due to quantifiable non-material non-conformities by ITT 28.5 and 28.6[Preliminary Examination of Tenders] f) The additional evaluation factors are specified in Section IV [Qualification and Evaluation Criteria].
		32.3	The estimated effect of the price adjustment provisions of the Conditions of Contract applied throughout the execution of the Contract, shall not be taken into account in tender evaluation
		32.4	If these Tendering Documents allow Tenderers to quote separate prices for different lots (contracts), the methodology to determine the lowest evaluated price of the lot (contract) combinations, including any discounts offered in the Form of Tender, is specified in Section IV [Qualification and Evaluation Criteria]
		32.5	The PE's evaluation of a Tender will exclude and not take into account: a) In the case of goods manufactured in the United Republic of Tanzania or goods of foreign origin ready located in the United Republic of Tanzania, sales and other similar taxes, which will be payable on the goods if a contract is awarded to the Tenderer; b) In the case of goods of foreign origin offered from abroad, customs duties and other similar import taxes will be payable on the goods if the contract is awarded to the Tenderer; and

			c) any allowance for price adjustment during the period of execution of the contract, if provided in the Tender.
		32.6	The PE's evaluation of a tender may require the consideration of other factors, in addition to the Tender Price quoted by ITT16 [Tender Prices and Discounts]. These factors may be related to the characteristics, performance, and terms and conditions of purchase of the Goods and Related Services. The effect of the factors selected, if any, shall be expressed in monetary terms to facilitate comparison of tenders, unless otherwise specified in the <b>TDS</b> from amongst those set out in Section IV [Qualification and Evaluation Criteria]. The criteria and methodologies to be used shall be as specified in ITT 32.2 (f).
		32.7	The comparison shall be between the EXW price of the goods offered from within the United Republic of Tanzania, such price to include all costs, as well as duties and taxes paid or payable on components and raw material incorporated or to be incorporated in the goods, and the CIF named port of destination (or CIP border point, or CIP named place of destination) price of the goods offered from outside the United Republic of Tanzania.
33.	National Preference	33.1	If the <b>TDS</b> so specifies, the PE will grant a margin of preference to goods manufactured in the United Republic of Tanzania, provided the Tenderer shall have established to the satisfaction of the PE that its Tender complies with the criteria specified in Section IV [Qualification and Evaluation Criteria].
		33.2	Where a margin of preference applies, its application and detail shall be specified in Section IV [Qualification and Evaluation Criteria].
34.	Determination of the Lowest Evaluated Bid	34.1	The Tender with the lowest evaluated price from among those that are eligible, compliant, and substantially responsive shall be the lowest evaluated Tender.
		34.2	In determining the lowered evaluated tenderer, the PE shall determine to its satisfaction whether the Tenderer that is selected as having submitted the lowest evaluated cost and substantially responsive Tender is eligible and meets the qualifying criteria specified in ITT 11.1 [Documents and Samples Constituting the Tender] as applicable and Section IV, Qualification and Evaluation Criteria.
		34.3	The determination shall be based upon an examination of the documentary evidence of the Tenderer's qualifications submitted by the Tenderer, under ITT 13 [Documents Establishing Eligibility and Qualifications of the Tenderer]. The determination shall not take into consideration the qualifications of other firms such as the Tenderer's subsidiaries, parent entities, affiliates, subcontractors, or any other firm(s) different from the Tenderer
		34.4	An affirmative determination shall be a prerequisite for the award of the Contract to the Tenderer. A negative determination shall result in disqualification of the Tender, in which event the PE shall proceed to the Tenderer who offers a substantially responsive Tender with the next lowest evaluated cost to make a similar determination of that Tenderer's qualifications to perform satisfactorily
		34.5	In the case of National, International, and Restricted Competitive Tendering on Fixed Budget Method, the lowest evaluated price shall not exceed the provided budget. If the price of the Lowest Evaluated Tender exceeds the provided

			budget, it shall be rejected.
		34.6	<p>Where the tender price of the lowest evaluated tenderer is considered to be abnormally low, the PE shall perform price analysis as part of the Evaluation. The following process shall apply:</p> <p>(a) The PE may reject a tender if the PE has determined that the price in combination with other constituent elements of the tender is abnormally low about the subject matter of the procurement (scope of works or services) and raises concerns with the PE as to the ability of the tenderer that presented that tender to perform the contract.</p> <p>(b) Before rejecting an abnormally low tender the PE shall: request the tenderer an explanation of the tender or of those parts which it considers contribute to the tender being abnormally low; take account of the evidence provided in response to a request in writing; and subsequently verify the tender or parts of the tender being abnormal</p> <p>(c) The decision of the PE to reject a tender and the reasons for the decision shall be recorded in the procurement proceedings and promptly communicated to the tenderer concerned;</p> <p>(d) The PE shall incur liability solely by rejecting abnormally low tender; and</p> <p>An abnormally low tender means, in the light of the PE's estimate and of all the tenders submitted, the tender appears to be abnormally low by not providing a margin for normal levels of profit.</p>
35.	Post-qualification of Tenderer	35.1	If pre-qualification was not undertaken, post-qualification shall be performed. After determining the lowest-evaluated tender, the PE shall carry out the post-qualification of the Tenderer using only the requirements specified in the <b>TDS</b> .
		35.2	The PE will determine to its satisfaction whether the Tenderer that is selected as having submitted the lowest evaluated responsive Tender is qualified to perform the contract satisfactorily, by the criteria listed in ITT 13.3.
		35.3	The determination will evaluate the Tenderer's financial, technical, and other relevant capabilities. It will be based on an examination of the documentary evidence of the Tenderer's qualifications submitted by the Tenderer, under ITT 13, as well as other information the PE deems necessary and appropriate. Factors not included in these Tendering Documents shall not be used in the evaluation of the Tenderers' qualifications.
		35.4	A PE may seek independent references of a tenderer and the results of reference checks may be used in determining an award of a contract.
		35.5	In the case of a foreign company, a PE shall seek independent reference of the legal existence of a tenderer from Tanzania diplomatic missions abroad or any other reliable source.
		35.6	An affirmative post-qualification determination will be a prerequisite for the award of the contract to the lowest evaluated Tenderer. A negative determination will result in rejection of the Tenderer's Tender, in which event the PE will proceed to the next-lowest evaluated Tenderer to make a similar determination of that Tenderer's capabilities to perform satisfactorily.

**F. Award of Contract**

36.	Criteria of Award	36.1	Subject to ITT 35 and 37, the PE will award the Contract to the Tenderer whose tender has been determined to be substantially responsive to the Tendering Documents and who has offered the lowest Evaluated Tender Price, provided that such Tenderer has been determined to (a) have supplies that are eligible pursuant to ITT 3 and (b) be eligible in accordance with the provisions of ITT 4, and (c) is determined to be qualified to perform the Contract satisfactorily (d) successful negotiations have been concluded, if any.
		36.2	If pursuant to ITT 13.4, this Contract is being let on a slice and package” basis, the lowest evaluated tender price will be determined when evaluating this Contract in conjunction with other Contracts to be awarded concurrently, taking into account any discounts offered by the Tenderers for the award of more than one Contract.
37.	Negotiations	37.1	Negotiations may be undertaken with the lowest evaluated tender relating to the following areas:  (a) a minor alteration to the technical details of the specifications;  (b) reduction of quantities for budgetary reasons, where the reduction is in excess of any provided for in the solicitation documents;  (c) a minor amendment to the Special Conditions of Contract;  (d) finalizing payment arrangements;  (e) delivery arrangements;  (f) clarifying details that were not apparent or could not be finalized at the time of tendering; or  (g) reduction of Tender Price to match the available PEs` Estimate and commensurate with the market prices provided such reduction shall not make the tender abnormally low in accordance with ITT35.2 [Post qualification of Tenderers]. Negotiation of price shall not be applicable for tenders invited under the National, International and Restricted Competitive Tendering on Fixed Budget method.
		37.2	Where negotiation fails to result into an agreement, the PE may invite the next ranked Tenderer for negotiations. Where negotiations are commenced with the next ranked Tenderer, the PE shall not reopen earlier negotiations.
38.	PE's Right to Accept Any Tender and to Reject Any or All Tenders	38.1	Notwithstanding award criteria ITT 36, PE reserves the right to accept or reject any tender, and to annul the tendering process and reject all tenders at any time prior to award of contract, without thereby incurring any liability to the affected Tenderer or Tenderer or any obligation to inform the affected Tenderer or Tenderers of the grounds for the PE's action.
		38.2	Notice of the rejection of all tenders shall be given promptly to all suppliers that have submitted tenders through NeST.
		38.3	The PE shall upon request communicate to any Tenderer the grounds for its rejection of its Tenders, but is not required to justify those grounds.
39.	PE's Right to Vary Quantities at the Time of	39.1	The PE reserves the right at the time of Contract award to increase or decrease, by the percentage indicated in the <b>TDS</b> , the quantity of goods and services beyond that originally

	Award		specified in the Schedule of Requirements without any change in unit price or other terms and conditions.
40.	Notification of Award	40.1	Prior to awarding of the contract, the PE shall issue a notice of intention to award the contract, in the format provided in Section IX [Contract Forms- Letter of Intention to Award the Contract], through NeST to all tenderers who participated in the tender in question giving them seven (7) working days within which to submit complaints to the PE thereof, if any.
		40.2	Where no complaints have been lodged, the Tenderer whose tender has been accepted will be notified by Letter of Acceptance in the format provided in Section IX [Contract Forms - Letter of Acceptance] through NeST, of the award by the PE prior to expiration of the Tender validity period.
		40.3	The notification of award will be part of the document forming the Contract, subject to the Tenderer furnishing the Performance Securing Declaration or Performance Security in accordance with ITT 42 [Performance Security/Performance Securing Declaration] and signing of the contract in accordance with ITT 41 [Signing of Contract].
41	Signing of Contract	41.1	Promptly after notification, PE shall send the successful Tenderer the Form of Contract and Special Conditions of Contract, incorporating all agreements between the parties obtained as a result of Contract negotiations.
		41.2	Within fourteen (14) days of receipt of the Form of Contract, the successful Tenderer shall sign and date the Contract and return it to the PE.
		41.3	Upon parties signing the Contract, the PE will promptly notify each unsuccessful Tenderer, the name of the successful Tenderer and the Contract amount and will discharge the Tender security of the Tenderers pursuant to ITT 18.9 [Tender Security or Tender Securing Declaration].
42.	Performance Security/ Performance Securing Declaration	42.1	Within fourteen (14) working days after signing of the Call-off order, the successful Tenderer shall deliver to the PE a Performance Securing Declaration or Performance Security as specified in the <b>TDS</b> . Performance security shall be in the amount and in the form stipulated in the <b>TDS</b> and SCC, denominated in the type and proportions of currencies in the Letter of Acceptance and in accordance with the Conditions of Contract.
		42.2	If the Performance Security is provided by the successful Tenderer, it shall be in any of the following forms: (a) cash, certified cheque, cashier's or manager's cheque, or bank draft; (b) irrevocable letter of credit issued by a reputable commercial bank or in the case of an irrevocable letter of credit issued by a foreign bank, the letter shall be confirmed or authenticated by a reputable local bank; (c) bank guarantee confirmed by a reputable local bank or, in the case of a successful foreign tenderer, bonded by a foreign bank; or (d) surety bond callable upon demand issued by any reputable surety or insurance company. Any Performance Security submitted shall be enforceable in the United Republic of Tanzania
		42.3	In the case of Performance Securing Declaration, the successful Tenderer shall complete and submit a duly signed Declaration in the format provided in Section X [Contract Forms: Performance Securing Declaration]
		42.4	Failure of the successful Tenderer to comply with the

			requirements of ITT 42.1 shall constitute sufficient grounds for cancellation of the award and forfeiture of the Tender Security or execution of the Tender Securing Declaration and any other remedy the PE may take under the Contract and the PE may resort to awarding the Contract to the next ranked Tenderer.
43.	Advance Payment	43.1	The PE will provide an Advance Payment as stipulated in the General Conditions of Contract, subject to a maximum amount, as stated in the <b>TDS</b> .
		43.2	The Advance Payment request shall be accompanied by an Advance Payment Security (Guarantee) in the form provided in <b>Section IX</b> . For the purpose of receiving the Advance Payment, the Tenderer shall make an estimate of, and include in its Tender, the expenses that will be incurred in order to commence delivery of supplies. These expenses will relate to the purchase of equipment and supplies on the engagement of labour during the first months, beginning with the date of the PE's "Notice to Commence" as specified in the Special Conditions of Contract.
44.	Adjudicator	44.1	The PE proposes the person named in the <b>TDS</b> to be appointed as Adjudicator under the Contract, at an hourly fee specified in the <b>TDS</b> , plus reimbursable expenses. If the Tenderer disagrees with this proposal, the Tenderer should so state in the Tender. If, in the Letter of Acceptance, the Procuring has not agreed on the appointment of the Adjudicator, the Adjudicator shall be appointed by the Appointing Authority designated in the Special Conditions of Contract at the request of either party.
45.	Fraudulent, Corrupt, Coercive, Collusive or Obstructive Practices	45.1	<p>The PE's and Tenderer's are required to observe the highest standard of ethics during the procurement and execution of such contracts. For the purpose of this provision, the following defined terms shall apply: -</p> <ul style="list-style-type: none"> <li>a) "<b>corrupt practice</b>" means the offering, giving receiving or soliciting of anything of value to influence the action of a public officer in the procurement process or contract execution;</li> <li>b) "<b>coercive practice</b>" means impairing or harming, or threatening to impair or harm directly or indirectly, any party or the property of the party for the purpose of influencing improperly the action or that party in connection with public procurement or in furtherance of corrupt practice or fraudulent practice;</li> <li>c) "<b>collusive practices</b>" mean impairing or harming, or threatening to impair or harm directly or indirectly, any part or the property of the Party for the purpose of influencing improperly the action or a part or in connection with public procurement or government contracting or in furtherance of a corrupt practice or a Fraudulent Practice;</li> <li>d) "<b>fraudulent practice</b>" means a misrepresentation of facts in order to influence a procurement process or the execution of a contract to the detriment of the Government or a public body and includes collusive practices among tenderers, prior to or after submission designed to establish tender prices at artificial non-competitive levels and to deprive the Government of the benefits of free and open competition; and</li> <li>e) "<b>obstructive practice</b>" means acts intended to</li> </ul>

			materially impede access to required information in exercising a duty under this Act.
		45.2	The PE will reject a proposal for award if it determines that the Tenderer recommended for award has engaged in corrupt, fraudulent coercive, collusive and obstructive practices in competing for the contract;
		45.3	A Tenderer will be declared by the Public Procurement Regulatory Authority (PPRA) to be ineligible for a period of ten years, to be awarded a public-financed contract if it at any time it determines that the firm has engaged in corrupt or fraudulent practices in competing for, or in executing, a public – financed contract.
		45.4	PPRA reserves the right, where a firm has been found by a foreign country, international organization or other foreign organization to have engaged in corrupt, fraudulent, coercive, collusive and obstructive practices, to declare that such a firm is ineligible, for a period of ten years to be awarded a public financed Contract in the United Republic of Tanzania.
		45.5	Any communications between the Tenderer and the PE related to matters of alleged corrupt, coercive, collusive, fraudulent or obstructive practices must be made in writing or in electronic forms that provide record of the content of communication.

**G. Review of Procurement Decisions**

46.	Right to Review	46.1	A Tenderer who claims to have suffered or that may suffer any loss or injury as a result of breach of a duty imposed on a PE or an approving authority in the course of these procurement proceedings may seek a review in accordance with the procedure set out under this Section.
47.	Time Limit on Review	47.1	The Tenderer shall apply for review within seven (7) days of him becoming or should have become aware of the circumstances giving rise to the complaint or dispute.
48.	Submission of Application for Review	48.1	Any application for administrative review shall be submitted through NeST to the Accounting Officer of a PE and a copy shall be electronically served to the Chief Executive Officer, Public Procurement Regulatory Authority (PPRA).
		48.2	For PEs with delegated Procurement functions, applications for administrative review for tenders floated by the delegated Accounting Officer shall be submitted through NeST to the Accounting Officer with a copy served to delegated Accounting Officer and PPRA.
		48.3	The application for administrative review shall include: a) details of the procurement or disposal requirements to which the complaint relates; b) details of the provisions of the Act, Regulation or provision that has been breached or omitted; c) an explanation of how the provisions of the Act, Regulation or provision has been breached or omitted, including the dates and name of the responsible public officer, where known; d) documentary or other evidence supporting the complaint where available; e) Remedies sought; and f) any other information relevant to the complaint.
		48.4	The Accounting Officer (AO) shall not entertain a complaint or dispute or continue to do so after the procurement or disposal contract has entered into force.
49.	Decision by the Accounting Officer	49.1	The Accounting Officer shall, within seven (7) working days after receipt of the complaint or dispute, deliver a written decision which shall indicate: a) whether the application is upheld in whole, in part or rejected; b) the reasons for the decision; and c) any corrective measures to be taken;
		49.2	Where the Accounting Officer does not issue a decision within the time specified in 49.1, the Tenderer submitting the complaint or dispute or the PE shall be entitled immediately thereafter to institute proceedings under ITT 50.1 within seven (7) working days after such specified time and upon instituting such proceedings, the competence of the head of a PE to entertain the complaint or dispute shall cease.
50.	Review by the Public Procurement Appeals Authority	50.1	Complaints or disputes which- a) are not settled within the specified period under ITT 49.1[above]; b) are not amicably settled by the accounting officer;

			<p>c) arise after the procurement contract has entered into force, shall be referred to the Appeals Authority within five calendar days from the date when the tenderer received the decision of the accounting officer or;</p> <p>d) in case no decision is issued after the expiry of the time stipulated under ITT 49.1 [above] or when the tender become aware or ought to have become aware of the circumstances giving rise to the complaint or dispute;</p>
		50.2	The Appeals Authority shall, within forty-five (45) days issue a written decision concerning the complaint or dispute stating the reasons for the decisions and the remedies granted if any.
		50.3	The decision of the Appeals Authority shall be binding to the parties on complaint or appeal and such decision may be enforced in any court of competent jurisdiction.

## **SECTION III: TENDER DATA SHEET**

## A. Introduction

TDS Clause Number	Required Information/Data	ITT Clause Number	Amendments of, and Supplements to, Clauses in the Instruction to Tenderers
1.	Scope of Tender and Tendering Method	1.1	<b>Name of Procuring Entity:</b> MEDICAL STORES DEPARTMENT <b>The subject of procurement is:</b> SUPPLY OF MEDICAL SUPPLIES FROM MANUFACTURERS UNDER FRAMEWORK AGREEMENT <b>Period for supplies:</b> 120 days <b>The commencement date for supply:</b> 7 days after signing the call-off order <b>Framework Agreement Duration:</b> 1095 days.
		1.2	<b>Method of Procurement:</b> Restricted International Competitive Tendering
2.	Source of Funds	2.1	<b>The financial year for the operations of the PE:</b> 2024/2025 <b>Name and identification number of the Contract:</b> FA/2024/2025/137/TR177/G/88 <b>Name of Project:</b> SUPPLY OF MEDICAL SUPPLIES FROM MANUFACTURER UNDER FRAMEWORK AGREEMENT <b>Name of financing institution:</b> MEDICAL STORES DEPARTMENT
		2.2	Payments shall be made directly by MEDICAL STORES DEPARTMENT.
3.	Eligible Tenderers	3.2	Joint Venture, consortium, or association shall be: Not Applicable.
4.	Eligible Supplies and Related Services	4.1	Ineligible countries are Not Applicable
		4.6	Demonstration of authorization by manufacturer Not applicable.

**B. Preparation of Tenders**

5.	Language of Tender	10.1	The Language of all correspondences and documents related to the tender is: English
6.	Documents and Sample (s) Constituting the Tender	11.1 (b), 11.2 (c) & (d) & 21.5	The Sample(s) to be submitted by the Tenderer is not required.
		11.1 (h)	Not Applicable.
7.	Documents Establishing Eligibility of Supplies and Related Services and Conformity to Tendering Documents	12.3 (c)	Other procurement-specific documents required from Tenderers in ITT Clause 12.3(c) are as follows: Not Applicable.

Review by the Public Procurement Appeals Authority	49.2	<b>The address for Appeals to PPAA:</b> The Executive Secretary, Public Procurement Appeals Authority, Ministry of Finance and Planning, Jakaya Kikwete rd Mkandarasi Place ,4th Floor P.O.BOX 1385, Dodoma <b>TANZANIA</b> Phone Telephone:+255262962411, Mobile:+255743505505 Fax + 255 022 2120460 Email: <a href="mailto:info@ppaa.go.tz">info@ppaa.go.tz</a> or <a href="mailto:es@ppaa.go.tz">es@ppaa.go.tz</a> Website <a href="http://www.ppaa.go.tz">www.ppaa.go.tz</a> .
-----	--	------	--

**SECTION IV: QUALIFICATION AND EVALUATION CRITERIA**

## EVALUATION CRITERIA

### Commercial Evaluation

#### 1. Eligibility

##### Litigation History (SCORE: N/A)

Tenderers are required to provide litigation records resulting from contracts completed or ongoing under their execution (In case of Joint Venture, compliance requirements are all Parties Combined – Must Meet requirements and Each Member – Must Meet requirements).

Litigation History Start Year	2021-10-29
Litigation History End Year	2024-10-29

#### 2. Standard Tender Forms

##### Tender Validity Period (SCORE: N/A)

Bidders are required to confirm the bid validity period specified by the Procuring Entity.

Tender Validity Period (Days)	120
-------------------------------	-----

##### Notarized Special Power of Attorney (SCORE: N/A)

Tenderers must fill in Standard Power of Attorney as per the required format and upload into the system.

#### 3. Financial Situation and Performance

##### Access to Financial Resources (Sources of Fund) (SCORE: N/A)

Tenderers are required to demonstrate details of their sources of finance that show their ability to access adequate finances to meet the cash flow requirements of current and future contracts. (In the case of a Joint Venture, compliance requirements are all Parties Combined – Must Meet requirements).

Average fund amount from all sources (any freely convertible currency proposed by bidder)	1000000000
---	------------

### Technical Evaluation

#### 1. Experience

##### Specific Experience (SCORE: N/A)

Tenderer is required to provide details of their previous and on going contracts to evidence their specific experience in provision of services required by the procuring entity.

Specific Experience	EXPERIENCE ON SIMILAR CONTRACT
Specific Experience Start Year	2021-10-29
Specific Experience End Year	2024-10-29
Number of Specific Experience Contracts	3

Value of each specific experience contract in the specified tender currency	300000000
---	-----------

## 2. Technical Specifications

### Conformance to Technical Specifications and Standards (SCORE: N/A)

Tenderers are required to comply with technical requirements (Service specifications, Technology specifications, Security Specifications, Technical Architecture, Usability, Testing and Quality Assurance, Service Specifications, Conformity to Technical requirements).

## 3. Delivery Schedule

### Delivery Period (SCORE: N/A)

Tenderers are required to comply with delivery period specified by the procuring entity unless alternative delivery schedule has been allowed.

Delivery Period	90 DAYS
-----------------	---------

## Financial Evaluation

### 1. Price Schedule

#### Priced schedule (SCORE: N/A)

The bidder must quote for each item in the schedule of requirements provided by the procuring entity.

## **Section V: Eligible Countries**

All countries are eligible except countries subject to the following provisions. A country shall not be eligible if:

1. as a matter of law or official regulation, the Government of Tanzania prohibits commercial relations with that country, provided that the Government of Tanzania is satisfied that such exclusion does not preclude effective competition for the provision of goods or related services required; or
2. by an act of compliance with a decision of the United Nations Security Council taken under Chapter VII of the Charter of the United Nations, the Government of Tanzania prohibits any import of goods from that country or any payments to persons or entities in that country.

**SECTION VI: PROCURING ENTITY REQUIREMENTS**

## **Schedule of Requirements**

**List of Commodities and Specifications**

**SUPPLY OF MEDICAL SUPPLIES FROM MANUFACTURERS UNDER FRAMEWORK AGREEMENT**

**Tender No:** FA/2024/2025/137/TR177/G/88

**LOT NO.** FA/2024/2025/137/TR177/G/88/6

**LOT NO.6 INFRARED THERAPY MACHINE**

Commodity Title : Cognitive or dexterity or perceptual or sensory evaluation or testing products

Commodity Code : 42251502

Commodity Group Code : 20070261

Description	Unit of Measure	Quantity
INFRARED THERAPY MACHINE	1PC	1

**Commodity Specification :-**

S/N	Features	Description
1	Specification	<ul style="list-style-type: none"> <li>· 3-in-1 functions includes near infrared, far infrared, and an element plate</li> <li>· Soothing – like sun bathing</li> <li>· Lamp head has an average life of 1500 hours</li> <li>· Infrared Heat Lamp adjustable heat with easy manoeuvre dial control, 220V.Adjustable “goose neck” &amp; height</li> <li>· Durable quiet timer clockwise up to 60 minutes,</li> <li>· Covered Lamp as a plate for protection against heat</li> <li>· Lowest Height: 43, Please place lamp and or bulb closer than 18 inches to surface area.</li> <li>· 275W High-Power Single Head Lamp: This Infrared light using with a 275W high-power bulb.</li> <li>· Heavy-Duty: Red light therapy has a water/sand injection base with 5 pulleys, and its stable base makes it difficult to tip over, ensuring the safety of children and pets.</li> <li>· Remote Control: It can adjust the brightness and timing,</li> <li>· Adjustable Design: 360-degree rotating lamp head, adjustable arm can freely adjust the angle and height, which can allow you to adjust the concentrated heat of the infrared lamp device.</li> <li>· Heat Dissipation Design: It makes the heat lamp heat dissipation effectively reduces the cover temperature to extend the life of the bulb.</li> </ul>
2	Identification Mark	<p>All packaging used should be labelled with name of manufacturer and country of origin, lot number, manufacturing and expiry dates and msd logo.Should also have instructions to use the product, Should be ISO/CE certified. Should have TMDA registration.</p>

3	Shipping Carton	Five ply carton with MSD and GOT logo. The carton must be well labelled with Product name, Quantity, UOM and its strength. Manufacturer name, Exp.and Mft.dates, Batch No. Weight, size and units per carton.
---	-----------------	---

**LOT NO. FA/2024/2025/137/TR177/G/88/7**

**LOT NO.7 ICE PACK**

Commodity Title : Cognitive and dexterity and perceptual and sensory evaluation and therapy products

Commodity Code : 42251500

Commodity Group Code : 20070262

Description	Unit of Measure	Quantity
ICE PACK	1PC	1

**Commodity Specification :-**

S/N	Features	Description
1	Specification	<ul style="list-style-type: none"> <li>• The hot cold pack filled with a large amount of safe non-toxic gel has the ability to keep cold for a long time, • Reusable hot cold pack for injury can keep cold for 20-30 minutes for the treatment of hip, shoulder, knee, back, etc. injury occur body parts. • Size: 23*13cm ,18.5*9.5cm ,11*16cm,15*28cm • Shape: round, rectangle oval shape</li> </ul>
2	Identification Mark	All packaging used should be labelled with name of manufacturer and country of origin, lot number, manufacturing and expiry dates and msd logo.Should also have instructions to use the product, Should be ISO/CE certified. Should have TMDA registration.
3	Shipping Carton	Five ply carton with MSD and GOT logo. The carton must be well labelled with Product name, Quantity, UOM and its strength. Manufacturer name, Exp.and Mft.dates, Batch No. Weight, size and units per carton.

**LOT NO. FA/2024/2025/137/TR177/G/88/14**

**LOT NO.14 CORNER /SPECIAL SEAT**

Commodity Title : Balance beams or boards or bolsters or rockers for rehabilitation or therapy

Commodity Code : 42251601

Commodity Group Code : 20070237

Description	Unit of Measure	Quantity
CORNER /SPECIAL SEAT	1PC	1

**Commodity Specification :-**

<b>S/N</b>	<b>Features</b>	<b>Description</b>
1	Identification Mark	All packaging used should be labelled with name of manufacturer and country of origin, lot number, manufacturing and expiry dates and msd logo. Should also have instructions to use the product, Should be ISO/CE certified. Should have TMDA registration.
2	Shipping Carton	Five ply carton with MSD and GOT logo. The carton must be well labelled with Product name, Quantity, UOM and its strength. Manufacturer name, Exp. and Mft. dates, Batch No. Weight, size and units per carton.
3	Specification	Support in long sitting, which are adult and child usual first sitting position. The Corner Seat has an adjustable back for height and can be used with or without the upper back support.

**LOT NO. FA/2024/2025/137/TR177/G/88/21**

**LOT NO.21 THERAPY EXCERCISE BALL (BALL PATH 65CM)**

Commodity Title : Extremity exercise skates for rehabilitation or therapy

Commodity Code : 42251604

Commodity Group Code : 20070207

Description	Unit of Measure	Quantity
THERAPY EXCERCISE BALL (BALL PATH 65CM)	1PC	1

**Commodity Specification :-**

<b>S/N</b>	<b>Features</b>	<b>Description</b>
1	Specification	<ul style="list-style-type: none"> <li>• Burst resistant</li> <li>• Ideal for core strengthening</li> <li>• Pump required for inflation</li> <li>• Maximum loading weight: 100kg</li> <li>• Polyvinyl chloride (PVC)</li> <li>• 65cm (Dia.)</li> </ul>
2	Identification Mark	All packaging used should be labelled with name of manufacturer and country of origin, lot number, manufacturing and expiry dates and msd logo. Should also have instructions to use the product, Should be ISO/CE certified. Should have TMDA registration.
3	Shipping Carton	Five ply carton with MSD and GOT logo. The carton must be well labelled with Product name, Quantity, UOM and its strength. Manufacturer name, Exp. and Mft. dates, Batch No. Weight, size and units per carton.

		units per carton.

**LOT NO. FA/2024/2025/137/TR177/G/88/27**

**LOT NO.27 KNEE SUPPORT SIZE XL**

Commodity Title : Knee braces or hinged knee supports

Commodity Code : 42241703

Commodity Group Code : 20070220

Description	Unit of Measure	Quantity
KNEE SUPPORT SIZE XL	1PC	1

**Commodity Specification :-**

S/N	Features	Description
1	Specification	Same as 20060265 above
2	Identification Mark	All packaging used should be labelled with name of manufacturer and country of origin, lot number, manufacturing and expiry dates and msd logo.Should also have instructions to use the product, Should be ISO/CE certified. Should have TMDA registration.
3	Shipping Carton	Five ply carton with MSD and GOT logo. The carton must be well labelled with Product name, Quantity, UOM and its strength. Manufacturer name, Exp.and Mft.dates, Batch No. Weight, size and units per carton.

**LOT NO. FA/2024/2025/137/TR177/G/88/35**

**LOT NO. 35 SURGEON FOOT STEP**

Commodity Title : Surgeon stools or accessories

Commodity Code : 42295115

Commodity Group Code : 20060224

Description	Unit of Measure	Quantity
SURGEON FOOT STEP	1PC	1

**Commodity Specification :-**

S/N	Features	Description
1	Specification	<ul style="list-style-type: none"> <li>• Number of steps: 2 steps •</li> <li>DIMENSIONS (MM): 600x350x440 H •</li> <li>MATERIALS: Stainless steel square tube 25x25 mm, without joints conductive and non-slip plastic feet removable top with non-slip sheet metal (grain-of-rice finish) and special sanding open corners for easy</li> </ul>

		cleaning
2	Identification Mark	All packaging used should be labelled with name of manufacturer and country of origin, lot number, manufacturing and expiry dates and msd logo. Should also have instructions to use the product, Should be ISO/CE certified. Should have TMDA registration.
3	Shipping Carton	Five ply carton with MSD and GOT logo. The carton must be well labelled with Product name, Quantity, UOM and its strength. Manufacturer name, Exp. and Mft. dates, Batch No. Weight, size and units per carton.

**LOT NO. FA/2024/2025/137/TR177/G/88/17**

**LOT NO.17 MUSCLE TRAINING BAND**

Commodity Title : Resistive exercise bands or putty or tubing or accessories for rehabilitation or therapy

Commodity Code : 42251608

Commodity Group Code : 20070240

Description	Unit of Measure	Quantity
MUSCLE TRAINING BAND	1PC	1

**Commodity Specification :-**

S/N	Features	Description
1	Identification Mark	All packaging used should be labelled with name of manufacturer and country of origin, lot number, manufacturing and expiry dates and msd logo. Should also have instructions to use the product, Should be ISO/CE certified. Should have TMDA registration.
2	Specification	Pull-up assistance bands come in 6 levels, Set of 6 Resistance Band • Extra Light, Orange: 1/4" W, provides 2-6 lbs. • Light, Red: 1/2" W, provides 5-25 lbs. • Medium, Black: 1" W, provides 10-35 lbs. • Heavy, Purple: 1 1/8" W, provides 30-50 lbs. • Extra Heavy, Green: 1 3/4" W, provides 65-85 lbs. • Ultra-Heavy, Blue: 2 1/2" W, provides 80-100 lbs.
3	Shipping Carton	Five ply carton with MSD and GOT logo. The carton must be well labelled with Product name, Quantity, UOM and its strength. Manufacturer name, Exp. and Mft. dates, Batch No. Weight, size and units per carton.

**LOT NO. FA/2024/2025/137/TR177/G/88/20**

## LOT NO. 20 MASSAGE BALLS

Commodity Title : Weights or sets or accessories for rehabilitation or therapy

Commodity Code : 42251612

Commodity Group Code : 20070205

Description	Unit of Measure	Quantity
MASSAGE BALLS	1PC	1

### Commodity Specification :-

S/N	Features	Description
1	Shipping Carton	Five ply carton with MSD and GOT logo. The carton must be well labelled with Product name, Quantity, UOM and its strength. Manufacturer name, Exp.and Mft.dates, Batch No. Weight, size and units per carton.
2	Specification	Set of four practical massage balls made of medium-hard rubber with diameters of 6, 8, 9 and 10 cm
3	Identification Mark	All packaging used should be labelled with name of manufacturer and country of origin, lot number, manufacturing and expiry dates and msd logo.Should also have instructions to use the product, Should be ISO/CE certified. Should have TMDA registration.

## LOT NO. FA/2024/2025/137/TR177/G/88/28

## LOT NO. 28 CLEAN LINEN TROLLEY

Commodity Title : Medical carts or accessories

Commodity Code : 42192404

Commodity Group Code : 20060096

Description	Unit of Measure	Quantity
CLEAN LINEN TROLLEY	1PC	1

### Commodity Specification :-

S/N	Features	Description
1	Specification	<ul style="list-style-type: none"><li>• Use: clean linen, • Function: cleaning • Components: 2-door • Size: 1000mm High, 210ltr Capacity • Made of Lightweight, anodised aluminium body or stainless steel materials and Epoxy powder coated frame • 25kg load capacity per shelf • 4 swivel castors (Ø125mm) with protective rubber bumpers • Fold-back doors, with magnetic stop in rest position • ABS anti-slip top surface •</li></ul>

		Suitable for disinfection • Aluminium panel construction • This includes One bag for dirty and 3 shelves for clean linen. The bag is washable. • Ergonomic push handle • Corner buffers • 3 x Diameter 200 anti-static total lock castors • 1 x Diameter 200 anti-static directional total lock castor • Dimensions—1185 x 600 x 1140h mm. • Lightweight construction
2	Identification Mark	All packaging used should be labelled with name of manufacturer and country of origin, lot number, manufacturing and expiry dates and msd logo. Should also have instructions to use the product, Should be ISO/CE certified. Should have TMDA registration, if applicable. Coloured product catalogue is required. Must have USER MANUAL
3	Shipping Carton	Five ply carton with MSD and GOT logo. The carton must be well labelled with Product name, Quantity, UOM and its strength. Manufacturer name, Exp. and Mft. dates, Batch No. Weight, size and units per carton.

**LOT NO. FA/2024/2025/137/TR177/G/88/23**

**LOT NO. 23 KNEE SUPPORT SIZE XXL**

Commodity Title : Knee braces or hinged knee supports

Commodity Code : 42241703

Commodity Group Code : 20070221

Description	Unit of Measure	Quantity
KNEE SUPPORT SIZE XXL	1PC	1

**Commodity Specification :-**

S/N	Features	Description
1	Specification	Knee support provides stability and support for chronic pains and instability. 1. Comprised of lightweight, breathable material. 2. Keep patients comfortable while improving compliance. 3. With style that allows easier application and adjustable tension 4. Elastic straps above and below knee help prevent migration 5. Easily adjustable hinges for ideal anatomical placement 6. Size: XXL Should be ISO/CE certified, Primary packaging should be labelled with msd logo, name of primary manufacturer, lot number, manufacturing and expiry dates
2	Identification Mark	All packaging used should be labelled with name of manufacturer and country of

		origin, lot number, manufacturing and expiry dates and msd logo.Should also have instructions to use the product, Should be ISO/CE certified. Should have TMDA registration.
3	Shipping Carton	Five ply carton with MSD and GOT logo. The carton must be well labelled with Product name, Quantity, UOM and its strength. Manufacturer name, Exp.and Mft.dates, Batch No. Weight, size and units per carton.

**LOT NO. FA/2024/2025/137/TR177/G/88/36**

**LOT NO. 36 ULTRASOUND /SONO PAPER**

Commodity Title : Medical ultrasound or doppler or echo three dimensional components

Commodity Code : 42201713

Commodity Group Code : 20060245

Description	Unit of Measure	Quantity
ULTRASOUND THERMOPAPER /SONOPAPER	Roll	1

**Commodity Specification :-**

S/N	Features	Description
1	Specification	<ul style="list-style-type: none"> <li>• Ultra-white wood free 80gsm paper, •</li> <li>Size: Around Width 110mm, Length 18m, Diameter 45mm, Core 13mm, Thickness 80um •</li> <li>Individually packed in a plastic bag to maintain moisture level below 4.5% •</li> <li>Free end roll without folding, glue or tape to prevent damage to the printer. •</li> <li>Dark &amp; sharp printout image •</li> <li>All paper rolls should be packed in transparent shrink wrap for easy viewing of the roll &amp; core diameter and also to protect the rolls from moisture, water &amp; dust.</li> </ul>
2	Identification Mark	All packaging used should be labelled with name of manufacturer and country of origin, lot number, manufacturing and expiry dates and msd logo.Should also have instructions to use the product, Should be ISO/CE certified. Should have TMDA registration.
3	Shipping Carton	Five ply carton with MSD and GOT logo. The carton must be well labelled with Product name, Quantity, UOM and its strength. Manufacturer name, Exp.and Mft.dates, Batch No. Weight, size and units per carton.

**LOT NO. FA/2024/2025/137/TR177/G/88/37**

**LOT NO. 37 LINEN DRYING MACHINE**

Commodity Title : Dry heat or hot air sterilizer accessories

Commodity Code : 42281529

Commodity Group Code : 20060257

Description	Unit of Measure	Quantity
LINEN DRYING MACHINE	1PC	1

**Commodity Specification :-**

S/N	Features	Description
1	Specification	A. Features 1) Reversing process prevents wrinkles through two-way rotation and reduction of drying time Hot air generator with special structure guarantees desirable drying result without noise at any condition 2) Built to last Strong anti-corrosion and durability through stainless steel applied to inner bowl Hot-air circulation structure reduces energy consumption and drying times, and results in high drying efficiency 3) Programmable control Safer and faster drying result by simple and convenient control developing exclusive controller for dryer Considerable amount of process at short time through the apparatus designed for thermal efficiency B. Specifications 1) Motor Voltage : 380V 4P + E KW : 2.3 KW 2) Exhaust dust 200 x 2 mm 3) Speed rpm : 32 rpm 4) Capacity 80kg Cylinder diameter : 1300mm Cylinder depth : 1100mm 5) Electric heater Consumption : 33kw/h
2	Identification Mark	All packaging used should be labelled with name of manufacturer and country of origin, lot number, manufacturing and expiry dates and msd logo.Should also have instructions to use the product, Should be ISO/CE certified. Should have TMDA registration.
3	Shipping Carton	Five ply carton with MSD and GOT logo. The carton must be well labelled with Product name, Quantity, UOM and its strength. Manufacturer name, Exp.and Mft.dates, Batch No. Weight, size and units per carton.

**LOT NO. FA/2024/2025/137/TR177/G/88/8**

**LOT NO.8 HOT PACK**

Commodity Title : Cognitive or dexterity or perceptual or sensory evaluation or testing products

Commodity Code : 42251502

Commodity Group Code : 20070263

Description	Unit of Measure	Quantity
HOT PACK	1PC	1

**Commodity Specification :-**

S/N	Features	Description
1	Specification	1.Electric back heating bag Voltage: 230v 50HZ Power: 45w 2.Capacity: 1.5l. Material: Rubber
2	Identification Mark	All packaging used should be labelled with name of manufacturer and country of origin, lot number, manufacturing and expiry dates and msd logo.Should also have instructions to use the product, Should be ISO/CE certified. Should have TMDA registration.
3	Shipping Carton	Five ply carton with MSD and GOT logo. The carton must be well labelled with Product name, Quantity, UOM and its strength. Manufacturer name, Exp.and Mft.dates, Batch No. Weight, size and units per carton.

**LOT NO. FA/2024/2025/137/TR177/G/88/18**

**LOT NO.18 HAND FUNCTION TRAINING BOX**

Commodity Title : Lift boxes or accessories for rehabilitation or therapy

Commodity Code : 42251802

Commodity Group Code : 20070242

Description	Unit of Measure	Quantity
Hand Function Training Box	1PC	1

**Commodity Specification :-**

S/N	Features	Description
1	Specifications	<ul style="list-style-type: none"> <li>• Size: 55*40*14cm</li> <li>• Including small wooden stick, steel stick, screw, hoodle and some other simulation tools</li> <li>• Used to improve finger's interactive ability and improve coordination ability between hand and eye</li> </ul>

**LOT NO. FA/2024/2025/137/TR177/G/88/29**

**LOT NO. 29 REFRIGERATOR WITH FREEZING COMPONENTS (FOR PHARMACEUTICAL MATERIALS)**

Commodity Title : Medical cold storage chilling units or accessories

Commodity Code : 42142102

Commodity Group Code : 20060143

Description	Unit of Measure	Quantity
REFRIGERATOR WITH FREEZING COMPONENTS (FOR PHARMACEUTICAL MATERIALS)	IPC	1

**Commodity Specification :-**

S/N	Features	Description
1	Specification	<ul style="list-style-type: none"> <li>• Applications: OP theatre, Pharmacy, Laboratory and any other department</li> <li>• Configuration: cabinet</li> <li>• Number of doors: 1-door</li> <li>• Door type: with glass door</li> <li>• Other characteristics: Auto-defrost, RFID technology</li> <li>• Capacity: 700L 1 (134.5 gal)</li> <li>• Temperature range: Max.: 8 °C (46.4 °F), Min.: 2 °C (35.6 °F) and freezer</li> <li>• Separate doors for refrigerator and freezer with independent lock catches, dual padlocks available to ensure product safety.</li> <li>• Multiple alarm functions including high or low temperature, sensor error, high ambient temp, power failure and remote alarm.</li> <li>• Two types of alarm indications: audible buzzer and visible flashing light.</li> <li>• Accurately and timely control of reagent usage.</li> <li>• Constant temperature for reagent storage</li> <li>• Automatically trigger temperature alarms when fridge reaches critical temperature, ensuring safety of reagent usage</li> <li>• Refrigerator and freezer have independently controlled variable frequency refrigeration systems, standalone displays as well as separate on and off controls.</li> <li>• Robust compressor system operating with environmentally friendly hydrocarbon refrigerant.</li> <li>• Refrigerator with high quality and high efficiency cooling fan provides better temperature uniformity and stability.</li> <li>• Large LED screen display for excellent user interface experience.</li> <li>• USB port automatically saves temperature data for up to 10 years for convenient inquiry and record keeping.</li> <li>• Optional printer to simultaneously print out temperatures of the refrigerator and the freezer.</li> <li>• Four casters and two levelling legs design for ease of maneuvering.</li> <li>• Compressing Unit: 1/3 HP hermetically sealed</li> <li>• compressor x 1, Air-cooling type</li> <li>• Cooling Unit: Finned tube coil type evaporator with blower,</li> <li>• Automatic periodical defrosting system</li> <li>• Refrigerant: R-134a, Charge: 300g</li> <li>• Operating Temperature: 2.0°C ~ 6.0°C</li> <li>• Power Source: AC 230V, 50Hz</li> <li>• Chamber Lighting: Fluorescent lamp, 32W</li> <li>• Temperature Recorder: Recording range: - 10°C ~ +40°C, 7-</li> </ul>

		day Revolution, Ø125 mm Diagram, 1.5 • V(LR6) Battery driven, Fiber tip pen use • System • Environment Conditions • Altitudes up to 2,000 meters • Temperature range of +0°C to +32°C • Relative humidity of 60 ~ 70% RH • Main supply voltage fluctuation of ±10% • of nominal • Installation Category (Overvoltage Category) II, Pollution Degree 2
2	Identification Mark	All packaging used should be labelled with name of manufacturer and country of origin, lot number, manufacturing and expiry dates and MSD logo. Should also have instructions to use the product, Should be ISO/CE certified. Should have TMDA registration.
3	Shipping Carton	Five ply carton with MSD logo. The carton must be well labelled with Product name, Quantity, UOM and its strength. Manufacturer name, Mft.dates, Batch No. Weight, size and units per carton.

**LOT NO. FA/2024/2025/137/TR177/G/88/9**

**LOT NO.9 CLIMBING BOARD AND BAR**

Commodity Title : Gait bars for rehabilitation or therapy

Commodity Code : 42251704

Commodity Group Code : 20070245

Description	Unit of Measure	Quantity
CLIMBING BOARD AND BAR	1PC	1

**Commodity Specification :-**

S/N	Features	Description
1	Specification	<ul style="list-style-type: none"> <li>The climbing board and bar are used to facilitate exercises that enhance range of movement (ROM).</li> <li>The climbing board consists of 7 rubber-tipped extensions are spaced 4 inches apart. The board can be attached on a table by using clamps or by setting its base on the table's surface.</li> <li>The bar measures 38 inches in length and features handle grips in both ends.</li> <li>Dimensions: 38" x 8" x 25"</li> </ul>
2	Identification Mark	All packaging used should be labelled with name of manufacturer and country of origin, lot number, manufacturing and expiry dates and msd logo. Should also have instructions to use the product, Should be ISO/CE certified. Should have

		TMDA registration.
3	Shipping Carton	Five ply carton with MSD and GOT logo. The carton must be well labelled with Product name, Quantity, UOM and its strength. Manufacturer name, Exp.and Mft.dates, Batch No. Weight, size and units per carton.

**LOT NO. FA/2024/2025/137/TR177/G/88/19**

**LOT NO.19 BALANCE EXERCISING BOARD**

Commodity Title : Balance beams or boards or bolsters or rockers for rehabilitation or therapy

Commodity Code : 42251601

Commodity Group Code : 20070243

Description	Unit of Measure	Quantity
BALANCE EXERCISING BOARD	IPC	1

**Commodity Specification :-**

S/N	Features	Description
1	Specification	<ul style="list-style-type: none"> <li>• 41.5cm Big Size with 24.5°Section Angle / 360° Rotation</li> <li>• Professional designed 24.5°section angle keeps the board an unbalanced status, which can make more fun from doing exercise with it.</li> <li>• Direct Contact with The Skin Material Used: Strong, Stable PP Base and Anti-slip TPE Bottom</li> <li>• Made of high-quality environmentally friendly PP&amp;TPE material, which is completely non-toxic.</li> <li>• Healthier and Safer / Heavy Duty Support Up to 300kbs</li> <li>• Easy to Clean Not just anti-slip top surface - Massage Surface, can enjoy massages while doing exercise. This heavy-duty wobble balance board can hold kids and adults up to 300kg.</li> <li>• Dirty can be easily washed off comparing to the surface of the wooden balance boards frosted finished.</li> <li>• Multi-usage Wobble Board, Portable Dual Handle Design360 Degree Rotation, Great to do infinite exercises like basic stance, staggered stance, tilts and squats, leg lifts, planks and push-ups.</li> <li>• Dual Handle Design makes the board more suitable for push-up with balance board for Upper Body training.</li> </ul>
2	Identification Mark	All packaging used should be labelled with name of manufacturer and country of origin, lot number, manufacturing and expiry dates and msd logo.Should also have instructions to use the product, Should be ISO/CE certified. Should have TMDA registration.

3	Shipping Carton	Five ply carton with MSD and GOT logo. The carton must be well labelled with Product name, Quantity, UOM and its strength. Manufacturer name, Exp.and Mft.dates, Batch No. Weight, size and units per carton.

**LOT NO. 38 UV LAMP**

Commodity Title : Patient room lighting or accessories

Commodity Code : 42191601

Commodity Group Code : 20060291

Description	Unit of Measure	Quantity
UV LAMP	1PC	1

**Commodity Specification :-**

S/N	Features	Description
1	Specification	<p>Bench top Technical Data Dimensions (cm.): weight 50, height 20, depth 20  Power supply 220 volts, Consumption 15 watts  Sterilization time from 5 to 10 minutes  Provided with a smooth and modern design, this efficient and practical machinery is perfect for a rapid sterilization (from 5 to 10 minutes) of</p>

		material not contaminated from organic substances. The cold sterilization can be obtained with lamps producing a discharge of ultraviolet rays with wave length of 2537 A (Germicidal lamp).
2	Identification Mark	All packaging used should be labelled with name of manufacturer and country of origin, lot number, manufacturing and expiry dates and msd logo. Should also have instructions to use the product, Should be ISO/CE certified. Should have TMDA registration.
3	Shipping Carton	Five ply carton with MSD and GOT logo. The carton must be well labelled with Product name, Quantity, UOM and its strength. Manufacturer name, Exp. and Mft. dates, Batch No. Weight, size and units per carton.

**LOT NO. FA/2024/2025/137/TR177/G/88/3**

**LOT NO. 3 STATIONARY BICYCLE CHILDREN SIZE**

Commodity Title : Extremity exercise skates for rehabilitation or therapy

Commodity Code : 42251604

Commodity Group Code : 20070258

Description	Unit of Measure	Quantity
STATIONARY BICYCLE CHILDREN SIZE	1PC	1

**Commodity Specification :-**

S/N	Features	Description
1	Specification	<ul style="list-style-type: none"> <li>• Should be designed for children as a low impact way to improve cardiovascular fitness, in a way that is ergonomically correct, and safe for kids</li> <li>• Children can start at extremely low resistance levels while they learn the movement- thus allowing even the most de-conditioned child to be successful at this exercise.</li> <li>• Should have on-board computer monitor tracks Speed, Time, Distance, and Pulse Rate Capabilities.</li> <li>• Very easy to get on and off, providing a more effective and comfortable workout</li> <li>• Leg stabilizers extended to prevent any movement or tipping</li> <li>• Compact design folds in half for storage and can be moved with included wheels</li> <li>• 8-level Magnetic Tension control system allows user to adjust tension level for an easier or more difficult workout</li> <li>• Easy-to-read, large LCD display indicates distance, calories burned, time, speed, scan and heart rate monitor</li> <li>• Hand pulse monitor helps track</li> </ul>

		<p>your heart rate for a more effective workout • ·3 - piece high torque cranking system provides smooth and consistent pedalling motion • ·Precision balanced flywheel and V-belt drive provide smooth and quiet operation • ·Larger pedal design with safety strap prevents foot slippage • Can change Power to 80W, 100W, 120W, 180W • With 5, 10, 15, 20, 25 minutes' timer • If Spasm, the machine will run Reversion, slow the speed and stop in seconds. • Can do Clockwise and counter clockwise rotation • When do Active training, can adjust 8 different Resistance. (from stage 1-6 is 0.2 0.25kg/stage difference. From stage 7-8, the difference is about 0.5kg/stage.) • Step-less speed regulation from 15-60rpm • Upper and lower limbs can exercise at the same time  Details: ·Weight capacity: 300 pounds ·Weight: 20 kg ·Set up dimensions: Size: 500x430x650mm</p>
2	Identification Mark	All packaging used should be labelled with name of manufacturer and country of origin, lot number, manufacturing and expiry dates and msd logo.Should also have instructions to use the product, Should be ISO/CE certified. Should have TMDA registration.
3	Shipping Carton	Five ply carton with MSD and GOT logo. The carton must be well labelled with Product name, Quantity, UOM and its strength. Manufacturer name, Exp.and Mft.dates, Batch No. Weight, size and units per carton.

Description	Unit of Measure	Quantity
TREADMILL FOR PHYSIOTHERAPY	1PC	1

**Commodity Specification :-**

S/N	Features	Description
1	Identification Mark	All packaging used should be labelled with name of manufacturer and country of origin, lot number, manufacturing and expiry dates and msd logo. Should also have instructions to use the product, Should be ISO/CE certified. Should have TMDA registration.
2	Shipping Carton	Five ply carton with MSD and GOT logo. The carton must be well labelled with Product name, Quantity, UOM and its strength. Manufacturer name, Exp. and Mft. dates, Batch No. Weight, size and units per carton.
3	Specification	Treadmill • Should have dual function System: Static acquisition (PC ECG Workstation) and Dynamic acquisition (Stress test system) Stress Test System Module • Should have a Personalized man-machine dialogue interface; • Should have a Convenient and simple files management of patients; • Should have Affluent real-time acquisition interface feature • Should be able to record the whole process of HRST and the trend

		<p>chart of blood pressure; ST Event, QT testing and result list; • HRV (short distance two-dimension frequency) Analysis; • The whole process should be recorded, achieve 12 channel synchronous recording; • Interfere-free applied to assure the based-line stability; • Optional standard or self-designed test protocol; • Synchronous display 1channel, 3channel, 6channel or 12 channel ECG; • Freeze, store and print 12 channel ECG data; Input the blood value at any time; • Analyze automatically ST deviation; Supply the ST segment deviation of each lead, and heart rate and blood pressure trend graphic; • In process of testing, you can view the change of 12 channel ST segment at any time; • Connect with dynamic blood pressure and save testing results; • Create standard electronic report, convenient for network transmission and diagnosis of doctor; PC ECG Workstation</p> <p>Analysis Module • Information management of case library • Protocol management of static acquisition • System settings management • Signal acquisition of static ECG • Report review of static ECG strip • 12-lead average complex wave function • ECG vector analysis function • Time vector analysis function • Three-dimensional vector chart • HRV analysis function • Heart rate turbulence function • Report print function • Frequency domain and time domain analysis of ventricular late potential • QT divergence analysis function • High frequency ECG • Frequency spectrum ECG ECG data acquisition module • Should have a Wireless/Wired USB transmission, to ensure the safe and stability of data; • Frequency response: 0.05-100Hz; • 50Hz restrain ability: <math>\geq 60\text{dB}</math> ; • Input impedance: <math>&gt;6\text{M}</math> • Mode restrain ratio: <math>\geq 90\text{dB}</math>; • Sampling frequency: 500Hz Treadmill features • Transmission mode: optional wireless/wired (USB); • Toshiba frequency converter (Accurately control the height and speed of treadmill, provide big torque and increase payload); • Large self-correcting and self-tensioning running belt; • Infrared can control double helix elevating system</p>
--	--	--

		<p>controlled by infrared ray; •          Brushless noiseless AC          variable frequency motor,          strong driving force and low          noise; • Treadmill          dimensions: 215 cm×80 cm×130          cm; • Running belt          dimensions: 330 cm×53 cm; •          Treadmill weight: 160kg; •          Maximum load: 160kg; • Power          supply: 220±20% V(AC);, 50HZ,          • Maximum power: 1650W; •          Range of speed: 0.1-15KM/H; •          Range of grade: 0-25%; •          Accuracy of regulation: 0.2%;          • Comply with CE and EC-501          international standard System          Characteristic. Standard          Accessories 1. Software &amp;          User manual in memory stick          or appropriate device 1pcs 2.          Wooden packing box 1pcs 3.          Waistband 1 pcs 4. Cover of          ECG Collector 1pcs 5. PCI-          serial port (RS232) card 1          pcs 6. HP Laser Printer 1 pcs          7. Commercial Laptop          Computer, PC 1 pcs 8. ECG          Collector 1pcs 10. Treadmill,          1 pcs 11. Treadmill control          cable, 1 pcs 12. ECG data          extension cable and power          cable, 1 pcs 13. Ground wire,          1 pcs 14. 12-lead ECG patient          cable 1 pcs 15. Packing box 1          pcs</p>

**LOT NO. FA/2024/2025/137/TR177/G/88/32**

**LOT NO. 32 TROLLEY INSTRUMENT (ASSORTED)**

Commodity Title : Medical equipment transport and transfer products

Commodity Code : 42192400

Commodity Group Code : 20060175

Description	Unit of Measure	Quantity
TROLLEY INSTRUMENT (ASSORTED)	1PC	1

**Commodity Specification :-**

S/N	Features	Description
-----	----------	-------------

1	Specification	Instrument Trolley The axis medical instrument trolley with one drawer and rails is made from stainless steel material and features rails on three sides of both shelves. <b>PRODUCT FEATURES</b> • Stainless steel construction with satin finish, 304 grade stainless steel throughout • Stainless steel drawer with easy glide metal runners and drawer retention system • Stainless steel shelf with double safety folds to all edges • 12mm stainless steel rails that are fully welded • Under shelf bracing providing maximum stability and strength • 75mm ball bearing for castor • Size: 490mm x 490mm x 900mm
2	Identification Mark	All packaging used should be labelled with name of manufacturer and country of origin, lot number, manufacturing and expiry dates and MSD logo. Should also have instructions to use the product, Should be ISO/CE certified. Should have TMDA registration.
3	Shipping Carton	Five ply carton with MSD logo. The carton must be well labelled with Product name, Quantity, UOM and its strength. Manufacturer name, Mft.dates, Batch No. Weight, size and units per carton.

**LOT NO. FA/2024/2025/137/TR177/G/88/2**

**LOT NO. 2 STANDING FRAME CHILDREN SIZE**

Commodity Title : Gait bars for rehabilitation or therapy

Commodity Code : 42251704

Commodity Group Code : 20070257

Description	Unit of Measure	Quantity
STANDING FRAME CHILDREN SIZE	1PC	1

**Commodity Specification :-**

S/N	Features	Description
1	Specification	<ul style="list-style-type: none"> <li>· Adjustable Recumbent Bike 135cm long frame, extended space and 9 positions seat fit for adult · Height 12cm – 16cm, 150kg weight capacity.</li> <li>· Featured highest quality 8 neodymium magnets, the resistance is greater and more uniform, longer life than other magnetic bike. · Superb process of the external magnetic flywheel and dual-belt system brings smoother, quieter workouts. · Ergonomic Design: Large seat and backrest takes the pressure off your tailbone and spine. Recumbent stationary bike offers a low-impact legs</li> </ul>

		exercise free from joints pain, increase circulation, builds endurance. · 8 Levels Magnetic Resistance: sit down exercise bike comes with 8 adjustable levels of magnetic tension, easy to customize your workout difficulty according to fitness level by the knob. · Heart rate monitor. · LCD monitor on exercise bike tracks your fitness data, like time, speed, distance, calories burned and odometer.
2	Identification Mark	All packaging used should be labelled with name of manufacturer and country of origin, lot number, manufacturing and expiry dates and msd logo.Should also have instructions to use the product, Should be ISO/CE certified. Should have TMDA registration.
3	Shipping Carton	Five ply carton with MSD and GOT logo. The carton must be well labelled with Product name, Quantity, UOM and its strength. Manufacturer name, Exp.and Mft.dates, Batch No. Weight, size and units per carton.

## LOT NO.13 DEEP MUSCLE MASSAGE INSTRUMENT

Commodity Title : Cognitive or dexterity or perceptual or sensory evaluation or testing products

Commodity Code : 42251502

Commodity Group Code : 20070235

Description	Unit of Measure	Quantity
DEEP MUSCLE MASSAGE INSTRUMENT	1PC	1

### Commodity Specification :-

S/N	Features	Description
1	Specification	<p>Function: Electromagnetic Deep Tissue Muscle Massage Device • Massage and Pain Relief: Stimulate acupuncture point, improve microcirculation and promote cell metabolism. Have an analgesic effect and are suitable for ED treatment. • Improve Blood Circulation: The Electromagnet Deep shock wave treatment device for stimulation of acupuncture points, improve microcirculation and blood flow, and improve ion channel activity to promote cell division and effectively stimulate cytokines to improve permeability. • 11 Massage Heads: ED shock wave machine with 11 function heads to choose from, which are suitable for different parts of the body and can meet your different needs, which can achieve tissue tension reduction, analgesic effect and male sexual dysfunction (ED) treatment. • Promote cell division: ED shock wave treatment device can stimulate acupuncture points, improve microcirculation and blood flow, effectively stimulate cell division and cellular cytokine production, and help improve permeability. • Clear Analgesic Effect: ED shock wave device with clear impact effect and analgesic effect at the point of action, the impact on the surrounding tissues is minimal, which can effectively accelerate bone remodelling and healing Specification: • Item Type: Shockwave Device • Voltage: 100-240V Frequency response: 16 gears Power transmission: 25-speed Product Size: • Host: approx. 14.5 x 14 x 12 cm / 5.7 x 5.5 x 4.7 inch • Magnetic Dynamic Wave Handle: Approx. 19 x 4.5 x 4.5 cm / 7.5 x 1.8 x 1.8 inch Effect: 1. Cellular: Increasing cell membrane permeability by improving ion channel activity, stimulating cell division, stimulating cellular cytokine production. 2. Reproduction of vessels in tendons and muscles: improvement of blood</p>

		circulation, increase in concentration of growth factor beta 1, chemotactic and mitogenic effect on osteoblasts. 3. Effect on the nitric oxide system: bone healing and remodeling. 4. Improve microcirculation and metabolism. 5. Dissolution of calcified fibroblasts. 6. Supports collagen production. 7. Reduction of tissue tension 8. Analgesic Effect. 9. Male ED Treatment Package List: 1 host 1 x handle 11 x Massage Head 4 x Function Head Cover 14 x rings 1 x English manual 1 x plug
2	Identification Mark	All packaging used should be labelled with name of manufacturer and country of origin, lot number, manufacturing and expiry dates and msd logo. Should also have instructions to use the product, Should be ISO/CE certified. Should have TMDA registration.
3	Shipping Carton	Five ply carton with MSD and GOT logo. The carton must be well labelled with Product name, Quantity, UOM and its strength. Manufacturer name, Exp. and Mft. dates, Batch No. Weight, size and units per carton.

**LOT NO. FA/2024/2025/137/TR177/G/88/26**

**LOT NO. 26 FLAT IRON INDUSTRY**

Commodity Title : Dry heat or hot air sterilizer accessories

Commodity Code : 42281529

Commodity Group Code : 20060066

Description	Unit of Measure	Quantity
FLAT IRON INDUSTRY/IRON ROLLING MACHINE	1PC	1

**Commodity Specification :-**

S/N	Features	Description
1	Specification	<ul style="list-style-type: none"> <li>High grade polished stainless steel roller with smooth surface for a better thermal conduction. Microprocessor control, Wide range selection of preset ironing programmes, excellent electronic system providing the better temperature distribution and reduced energy consumption. Frequency inverter providing variable ironing speed. Large surface contact with linen over angle of 300°. Should be able to dry and iron flat linen directly from a high spin washer extractor in a single operation.</li> <li>Should be a Front feeding and return.</li> <li>Electric</li> </ul>

		<p>heating: 220V, 50HZ single phase •          Electronic control: ironing speed and temperature selection. • Production: 30kg/hr • Roll Dimension: Ø 200mm in polished steel or Chromed roll for better performance and durability Automatic fast cool down ironing machine. Indication of Ironing speed and temperature. Finger protection bar and emergency button more safety Flatwork ironer equipped with enclosed electrical control box. • Working width: at least 2m • Should have a motor with speed inverter. • Built-in cool down system. • Feeding and ironing by high Nomex belts for a better quality of ironing and durability. • Variable-frequency drive to control ironing speed. - Unit exterior in lacquered steel • Electronic microprocessor (speed and temperature control, auto power off function) • 7 ironing speeds, adjustable by variable frequency drive, between 1.5 and 8 m/minute. • Should have a Safety protector for hands.</p>
2	Identification Mark	<p>All packaging used should be labelled with name of manufacturer and country of origin, lot number, manufacturing and expiry dates and msd logo. Should also have instructions to use the product, Should be ISO/CE certified. Should have TMDA registration.</p>
3	Shipping Carton	<p>Five ply carton with MSD and GOT logo. The carton must be well labelled with Product name, Quantity, UOM and its strength. Manufacturer name, Exp. and Mft. dates, Batch No. Weight, size and units per carton.</p>

**LOT NO. FA/2024/2025/137/TR177/G/88/34**

**LOT NO. 34 OXYGEN CONCENTRATOR FLOW METER WITH HUMIDIFIER BOTTLE**

Commodity Title : Oxygen therapy delivery system products accessories or its supplies

Commodity Code : 42271718

Commodity Group Code : 20060221

Description	Unit of Measure	Quantity
OXYGEN CONCENTRATOR FLOW METER WITH HUMIDIFIER BOTTLE	Set	1

**Commodity Specification :-**

S/N	Features	Description
1	Specification	<ul style="list-style-type: none"> <li>• Oxygen Flowmeter for oxygen cylinder • British Standard bull Nose type with</li> </ul>

		pressure gauge Back Pressure Compensated (BPC) flowmeter and humidifier bottle
2	Identification Mark	All packaging used should be labelled with name of manufacturer and country of origin, lot number, manufacturing and expiry dates and msd logo.Should also have instructions to use the product, Should be ISO/CE certified. Should have TMDA registration.
3	Shipping Carton	Five ply carton with MSD and GOT logo. The carton must be well labelled with Product name, Quantity, UOM and its strength. Manufacturer name, Exp.and Mft.dates, Batch No. Weight, size and units per carton.

**LOT NO. FA/2024/2025/137/TR177/G/88/39**

**LOT NO. 39 HOSPITAL BED TWO SECTIONS WITH CASTORS CALLAPSIBLE SIDE RAILS,DRIP STANDS AND TRAPEZIUM.**

Commodity Title : Patient bed or table scales for general use

Commodity Code : 42182803

Commodity Group Code : 20060078

Description	Unit of Measure	Quantity
HOSPITAL BED TWO SECTIONS WITH CASTORS COLLAPSIBLE SIDE RAILS, DRIP STANDS AND TRAPEZIUM.	IPC	1

**Commodity Specification :-**

S/N	Features	Description
1	Specification	<ul style="list-style-type: none"> <li>• Made of stainless or pretreated (rust preventing process) and double epoxy powder paint finish,</li> <li>• Foot ends fitted with heavy duty Castors two with brake ,</li> <li>• Overall approx. size(L)210cm x (w) 95cm x (Platform Height) 55cm,</li> <li>• Suitable for mattress foam size .195cm(L) x 90cm(W) x 12cm(H),</li> <li>• Two sections perforated top,</li> <li>• Head section with Back rest adjustable by Crank,</li> <li>• Collapsible side rails, Drip stand and Trapezium,</li> <li>• Maximum carrying capacity: 180 kg.</li> </ul>
2	Identification Mark	All packaging used should be labelled with name of manufacturer and country of origin, lot number, manufacturing and expiry dates and msd logo.Should also have instructions to use the product, Should be ISO/CE certified. Should have TMDA registration.
3	Shipping Carton	Five ply carton with MSD and GOT logo.

		The carton must be well labelled with Product name, Quantity, UOM and its strength. Manufacturer name, Exp.and Mft.dates, Batch No. Weight, size and units per carton.

**LOT NO 52 Water Distiller Machine**

Commodity Title : Sterilization water recovery systems

Commodity Code : 42281517

Commodity Group Code : 40080088

Description	Unit of Measure	Quantity
Water Distiller Machine	PC	1

**Commodity Specification :-**

S/N	Features	Description
1	Specification	Description: •A special machine for purification of water. Features: • Full automated to produce not less than 100 litres/hr. • Should have automatic Flow control switch, thermostat cut-out to protect boiler, reservoir control for both electricity and water supply. • Be able to switches OFF heaters when water flow fall to an inadequate level. • Zinc plated steel casing, compact design for bench /worktop. • Installation and training at site of delivery • Warranty at least three years.
2	Identification Mark	All packaging used should be labelled with name of manufacturer and country of origin, lot number, serial number, manufacturing and expiry dates and msd logo. Should be ISO / CE certified. Should have TMDA registration.
3	Shipping Carton	Five ply carton with MSD and GOT logo. The carton must be well labelled with Product name, Quantity, UOM and its strength. Manufacturer name, Exp. and

		Mft.dates, Batch No. Weight, size and units per carton. Supplier vehicle for items directly delivered at msd must be registered by TMDA Supplier vehicle for items directly delivered at msd must be registered by TMDA

**LOT NO 54 AUTOCLAVE 63 LITRES**

Commodity Title : Autoclave and sterilizer equipment and accessories

Commodity Code : 42281500

Commodity Group Code : 20060011

Description	Unit of Measure	Quantity
AUTOCLAVE 63 LITRES	PC	1

**Commodity Specification :-**

S/N	Features	Description
1	Specification	<p>Vertical loading autoclave, double chamber Capacity: 63 lts • High precision control system for perfect sterilization results. • Independent temperature and pressure monitoring. • Cycle information recovery in the case of power failure or cycle interruption. • Fail alert – indicates cycle failure or interruption. • Door alert – indicates the door is unlocked. • Chambers made from stainless steel with superior corrosion resistance. • Operate at 121°C and 134°C sterilization temperature i.e. manual selection between 1bar and 2bars • Drain protection – the exhaust drain is mixed with cold tap water that cools the exhaust’s temperature before reaching drain. • Safety: IEC/UL/EN 61010-2-040, EN 61326. • Chamber volume - 100liter. • Door safety: • Device should prevent the operator from opening the door when the chamber is pressurized. • Steam is not allowed to enter the chamber when door is open. • Cycle cannot start if door is open or not properly locked. • The door cannot unlock until liquid temperature reaches the predetermined end temperature. • The door cannot unlock until chamber pressure</p>

		reaches room pressure. • Temperature activated door lock – the door will not open until the temperature is below a specified safe level. • Fitted with flexible temperature load sensor. • Fitted with accelerated cooling technology to reduce cycle time and protect load. • Vacuum drying. • Power supply [Single phase, 230V, Frequency 50/60 Hz]
2	Identification Mark	All packaging used should be labelled with name of manufacturer and country of origin, lot number, manufacturing and expiry dates and MSD logo. Should also have instructions to use the product, Should be ISO/CE certified. Should have TMDA registration.
3	Shipping Carton	Five ply carton with MSD logo. The carton must be well labelled with Product name, Quantity, UOM and its strength. Manufacturer name, Mft. dates, Batch No. Weight, size and units per carton.

**LOT NO. FA/2024/2025/137/TR177/G/88/65**

**LOT NO 65 PLASTIC TRACHEOSTOMY TUBE WITH INNER CANNULA SIZE 8**

Commodity Title : Tracheostomy tubes

Commodity Code : 42271904

Commodity Group Code : 20040118

Description	Unit of Measure	Quantity
PLASTIC TRACHEOSTOMY TUBE WITH INNER CANNULA SIZE 8	1PC	1

**Commodity Specification :-**

S/N	Features	Description
1	Specification	Descriptions: Designed to establish and maintain an airway in case of emergency atraumatic . Made from non-toxic ,clear ,medical-grade PVC material Full-length Radio-opaque line aids the assessment of exact location of the tube . Rounded and smooth tip of the obturator minimizes tissue injury during intubation .
2	Identification Mark	All packaging used should be labelled with name of manufacturer and country of origin, lot number, manufacturing and expiry dates and msd logo.Should also have instructions to use the product, Should be ISO/CE certified. Should have TMDA registration.
3	Shipping Carton	Five ply carton with MSD and GOT logo. The carton must be well labelled with Product name, Quantity, UOM and its strength. Manufacturer name, Exp.and Mft.dates, Batch No. Weight, size and units per carton.

**LOT NO. FA/2024/2025/137/TR177/G/88/48**

**LOT NO 48 Portable Blood Donor Chair**

Commodity Title : Blood drawing or phlebotomy chairs or accessories

Commodity Code : 42192101

Commodity Group Code : 40080066

Description	Unit of Measure	Quantity
PORTABLE BLOOD DONOR CHAIR	PC	1

**Commodity Specification :-**

S/N	Features	Description
1	Specification	Description: • A couch that can easily be adjusted to bed to offer comfortable positioning for the donors. Features: • Stainless Steel materials • Colour Red or Blue • Size 60 x 24 x 20 • Constructed with SS round tube, • Washable synthetic material seat and back. • Adjustable Hand support. • Overall size: - 900(H)• 450(W)•450(D) • Must be ISO certified or have CE mark • installation and user training at site of delivery: Dodoma
2	Identification Mark	All packaging used should be labelled with name of manufacturer and country of origin, lot number, serial number, manufacturing and expiry dates and msd logo. Should be ISO / CE certified. Should have TMDA registration.
3	Shipping Carton	Five ply carton with MSD and GOT logo. The carton must be well labelled with Product name, Quantity, UOM and its strength. Manufacturer name, Exp.and Mft.dates, Batch No. Weight, size and units per carton. Supplier vehicle for items directly delivered at msd must be registered by TMDA Supplier vehicle for items directly delivered at msd must be registered by TMDA

**LOT NO. FA/2024/2025/137/TR177/G/88/49**

**LOT NO 49 Barcode label printer/Zebra printer**

Commodity Title : Medical imaging dry laser printers or imagers

Commodity Code : 42203705

Commodity Group Code : 40060680

Description	Unit of Measure	Quantity
Barcode label printer/Zebra printer	PC	1

**Commodity Specification :-**

## **Delivery Schedule**

**Tender Description:** SUPPLY OF MEDICAL SUPPLIES FROM MANUFACTURERS UNDER  
FRAMEWORK AGREEMENT

**Tender No:** FA/2024/2025/137/TR177/G/88

Specific item(s) delivery schedule will be specified on the issuance of the call-off order.

## Inspection and Tests

**Tender Description:** SUPPLY OF MEDICAL SUPPLIES FROM MANUFACTURERS UNDER  
FRAMEWORK AGREEMENT

**Tender No:** FA/2024/2025/137/TR177/G/88

Inspection and Tests for specific item(s) will be known on the issuance of the call-off order.

## **SECTION VIII: GENERAL CONDITIONS OF CONTRACT**

## General Conditions of Contract

S/N	GCC Clause	GCC Clause Number	GCC Clause Description
1.	Definitions	1.1	<p>In this Contract, the following terms shall be interpreted as indicated:</p> <p>a) "The Arbitrator" is the person appointed by the appointing authority specified in the SCC, to resolve contractual disputes.</p> <p>b) "The Contract" means the agreement entered into between the Purchaser and the Supplier, as recorded in the Contract Form signed by the parties, including all attachments and appendices thereto and all documents incorporated by reference therein.</p> <p>c) "Completion" means the fulfilment of the related services by the Supplier in accordance with the terms and conditions set forth in the contract</p> <p>d) "The Contract Price" means the price payable to the Supplier as specified under the Contract, subject to such additions and adjustment here to or deduction there from as may be made pursuant to the contract for the full and proper performance of its contractual obligations.</p> <p>e) "Delivery" means the transfer of the goods from the supplier equipment, machinery, and /or other materials which the Supplier is required to supply to the Purchaser under Contract.</p> <p>f) "Effective Date" means the date on which this Contract becomes effective pursuant to GCC 11.2.</p> <p>g) "Eligible Country" means the countries and territories eligible for participation in procurements financed by the specified institution.</p> <p>h) "End User" means the organization(s) where the goods will be used, as named in the SCC.</p> <p>i) "Force Majeure" means an event or situation beyond the control of the Supplier and not involving the Supplier's fault or negligence and not foreseeable, is unavoidable, and is not due to negligence or lack of care on the part of the Supplier.</p> <p>j) "Origin" means the place where the Goods were mined, grown, or produced or from which the Services are supplied. Goods are produced when, through manufacturing, processing, or substantial and major assembly of components, a commercially recognized new produce results that is substantially different in basic characteristics or in purpose or utility from its components.</p> <p>k) "Registration Certificate" means the certificate of registration or other documents in lieu thereof establishing that the Goods supplied under the Contract are registered for use in the United Republic of Tanzania in accordance with the Applicable Law.</p> <p>l) "The Goods" means all of the pharmaceuticals, medical equipment and supplies, Laboratory equipment and reagents, Diagnostic and medical imaging, or nutritional supplement and oral and injectable forms of contraception, vaccines, and condoms that the Supplier is required to supply to the Purchaser under the Contract.</p> <p>m) "The Final Destination " where applicable, means the place or places named in the SCC.</p> <p>n) "The Related Services" means those services ancillary to the supply of the Goods, such as transportation and</p>

			<p>insurance, and any other incidental services, such as installation, commissioning, provision of technical assistance, training, initial maintenance and other such obligations of the Supplier covered under the Contract.</p> <p>o) "GCC" means the General Conditions of Contract contained in this section.</p> <p>p) "SCC" means the Special Conditions of Contract.</p> <p>q) "The Procuring Entity" means the entity purchasing the Goods and related service, as named in SCC.</p> <p>r) "The Supplier" means the individual private or government entity or a combination of the above whose tender to perform the contract has been accepted by the Purchaser and is named as such in the Contract Agreement, and includes the legal successors or permitted assigns of the supplier.</p> <p>s) "The Project Site" where applicable, means the place or places named in SCC.</p> <p>t) "Call-Off Order" is a particular order within a Framework Agreement indicating the quantity and timing of supplies to be supplied by the Supplier to the Purchaser.</p> <p>u) "The Framework Agreement" is the agreement with suppliers, the purpose of which is to establish the terms governing contracts to be awarded during a given period, in particular with regard to price and quantity; this agreement sets out terms and conditions under which specific purchases (call –offs) can be made throughout the term of the Agreement.</p> <p>v) "Standing Offer" mean the Supplier agrees to provide the Goods from time to time and when authorized by the Purchaser by the issue of Call –off order. The Supplier agrees that the Purchaser is not obliged to order a specific number of, or any, Goods during the term of the Contract</p> <p>w) "Day" means calendar day.</p> <p>x) "Project Manager" is the person (or any other competent person appointed by the Employer and notified to the Contractor, to act in replacement of the Project Manager) who is responsible for supervising the execution of the Works and administering the Contract. Details of the project manager will be available in the Contract Finalization Information Section in the Contract Agreement.</p>
2.	Application	2.1	These General Conditions shall apply and govern each of the call-off orders made by the Purchaser throughout the period of the Framework Agreement.
		2.2	In interpreting these Conditions of Contract headings and marginal notes are used for convenience only and shall not affect their interpretations unless specifically stated; references to singular include the plural and vice versa; and masculine include the feminine. Words have their ordinary meaning under the language of the Contract unless specifically defined
		2.3	If any of the Contract Documents, correspondence or communications are prepared in any language other than the governing language under GCC 2.1 above, the English translation of such documents, correspondence or communications shall prevail in matters of interpretation.
		2.4	<p>The documents forming the Contract shall be interpreted in the following order of priority:</p> <p>a) Form of Agreement,</p> <p>b) Letter of Acceptance</p> <p>c) Negotiation Minutes (if any)</p>

			<p>d) Form of Tender</p> <p>e) Special Conditions of Contract,</p> <p>f) General Conditions of Contract,</p> <p>g) Specifications</p> <p>h) Completed Schedules (including Price Schedules), and</p> <p>i) Any other document listed in the SCC as forming part of the Contract.</p>
3.	Nature and Period of Contract	3.1	The type of Contract is a Framework Agreement
		3.2	The Contract is a Framework Agreement, the Period of the Contract is Stated in the SCC. The Contract shall Commence in accordance with the nomination in the SCC, being either a specific date or the Date of acceptance
4.	Governing Language	4.1	The Contract as all correspondence and documents relating to the contract exchanged by the Supplier and the Purchaser, shall be written in the language specified in SCC. Subject to GCC Clause 32, the version of the Contract written in the specified language shall govern its interpretation.
5.	Applicable Law	5.1	The contract shall be governed and interpreted in accordance with the laws of the United Republic of Tanzania, unless otherwise specified in SCC.
6.	Country of Origin	6.1	The origin of Goods and Services is distinct from the nationality of the Supplier.
		6.2	All Goods and Services supplied under the Contract shall have their origin in the countries and territories eligible under projects financed by the specified institution, as further elaborated in the SCC.
7.	Standards	7.1	The Goods supplied under this Contract shall conform to the standards mentioned in the Technical Specifications, and, when no applicable standard is mentioned, to the authoritative standards appropriate to the Goods' country of origin. Such standards shall be the latest issued by the concerned institution.
8.	Use of Contract Documents and Information; Inspection and Audit by the Government of Tanzania	8.1	The Supplier shall not, without the Purchaser's prior written consent, disclose the Contract, or any provision thereof, or any specification, plan, drawing, pattern, sample, or information furnished by or on behalf of the Purchaser in connection therewith, to any person other than a person employed by the Supplier in the performance of the Contract. Disclosure to any such employed person shall be made in confidence and shall extend only so far as may be necessary for purposes of such performance.
		8.2	The Supplier shall not, without the Purchaser's prior written consent, make use of any document or information enumerated in GCC Clause 8.1 except for purposes of performing the Contract.
		8.3	Any document, other than the Contract itself, enumerated in GCC Clause 8.1 shall remain the property of the Purchaser and shall be returned (all copies) to the Purchaser on completion of the Supplier's performance under the Contract if so required by the Purchaser.
		8.4	The Supplier shall permit the Government of the United Republic of Tanzania or / and donor agencies involved in financing the project to inspect the Supplier's accounts and records relating to the performance of the Supplier and to have them audited by auditors appointed by the Government of the United Republic of Tanzania or / and the appropriate donor agencies, if so required by the Government of the United Republic of Tanzania or / and

			the appropriate donor agencies.
9.	Patent and Copy Rights	9.1	<p>The Supplier shall, subject to the Purchaser's compliance with GCC18.2, indemnify and hold harmless the Purchaser and its employees and officers from and against any and all suits, actions or administrative proceedings, claims, demands, losses, damages, costs, and expenses of any nature, including attorney's fees and expenses, which the Purchaser may suffer as a result of any infringement or alleged infringement of any patent, utility model, registered design, trademark, copyright, or other intellectual property right registered or otherwise existing at the date of the Contract by reason of:</p> <p>a) the installation of the Goods by the Supplier or the use of the Goods in the country where the Site is located; and</p> <p>b) the sale in any country of the products produced by the Goods.</p> <p>Such indemnity shall not cover any use of the Goods or any part thereof other than for the purpose indicated by or to be reasonably inferred from the Contract, neither any infringement resulting from the use of the Goods or any part thereof, or any products produced thereby in association or combination with any other equipment, plant, or materials not supplied by the Supplier, pursuant to the Contract.</p>
		9.2	If any proceedings are brought or any claim is made against the Purchaser arising out of the matters referred to in GCC18.1, the Purchaser shall promptly give the Supplier a notice thereof, and the Supplier may at its own expense and in the Purchaser's name conduct such proceedings or claim and any negotiations for the settlement of any such proceedings or claim.
		9.3	If the Supplier fails to notify the Purchaser within twenty-eight (28) days after receipt of such notice that it intends to conduct any such proceedings or claim, then the Purchaser shall be free to conduct the same on its own behalf.
		9.4	The Purchaser shall, at the Supplier's request, afford all available assistance to the Supplier in conducting such proceedings or claim, and shall be reimbursed by the Supplier for all reasonable expenses incurred in so doing.
		9.5	The Purchaser shall indemnify and hold harmless the Supplier and its employees, officers, and Subcontractors from and against any and all suits, actions or administrative proceedings, claims, demands, losses, damages, costs, and expenses of any nature, including attorney's fees and expenses, which the Supplier may suffer as a result of any infringement or alleged infringement of any patent, utility model, registered design, trademark, copyright, or other intellectual property right registered or otherwise existing at the date of the Contract arising out of or in connection with any design, data, drawing, specification, or other documents or materials provided or designed by or on behalf of the Purchaser.
10.	Performance Security/Performance Securing Declaration	10.1	The Performance Securing declaration or Performance Security shall be provided to the Purchaser no later than the date specified in the Letter of Acceptance and/or Call Off Order(s). In the case of Performance Security, it shall be issued in an amount and form and by a bank or surety acceptable to the Purchaser, and denominated in the types and proportions of the currencies in which the Contract Price is payable as specified in the SCC
		10.2	The proceeds of the performance security shall be

			payable to the Purchaser as compensation for any loss resulting from the Supplier's failure to complete its obligations under the Contract.
		10.3	The performance security will be discharged by the Purchaser and returned to the Supplier not later than thirty (30) days following the date of completion of the Supplier's performance obligations under the Contract, including any warranty obligations, unless otherwise specified in SCC.
		10.4	Where circumstances necessitate the amendment of the contract after signature, and such amendment is affected, the Purchaser shall require the Supplier to provide additional Performance Security to cover any cumulative increase of more than ten percent for the Unconditional Bank Guarantee or 15% for Surety Bond of the initial Contract Price.
		10.5	In the case of Performance Securing Declaration, it shall remain in force until completion of the Supplier's performance obligations under the Contract, and in the event the Supplier failing to perform the obligations under the Contract, the Purchaser, following the termination of the contract, shall initiate the blacklisting process with the Public Procurement Regulatory Authority.
			The performance security shall be denominated in the currency of the Contract, or in a freely convertible currency acceptable to the Purchaser and shall be in one of the following forms:
11.	Inspections and Tests	11.1	The Supplier shall at its own expense and at no cost to the Purchaser carry out all such tests and/or inspections of the Goods and Related Services after issuance of Call Off Order.
		11.2	The inspections and tests may be conducted on the premises of the Supplier or the manufacturer, at point of delivery, and/or at the Goods" final destination, or in another place in the Purchase's Country as specified in the SCC. Subject to GCC11.3, if conducted on the premises of the Supplier or the manufacturer, all reasonable facilities and assistance, including access to production data, shall be furnished to the inspectors at no charge to the Purchaser
		11.3	The Purchaser or its designated representative shall be entitled to attend the tests and/or inspections referred to in GCC11.2, provided that the Purchaser bear all of its own costs and expenses incurred in connection with such attendance including, but not limited to, all traveling and board and lodging expenses.
		11.4	Whenever the Supplier is ready to carry out any such test and inspection, it shall give a reasonable advance notice, including the place and time, to the Purchaser. The Supplier shall obtain from any relevant third party or manufacturer any necessary permission or consent to enable the Purchaser or its designated representative to attend the test and/or inspection. a) Said inspection and testing is for the Purchaser's account. In the event that inspection and testing is required prior to dispatch, the Goods shall not be shipped unless a satisfactory inspection and quality control report has been issued in respect of those Goods. b) The Supplier may have an independent quality test

			<p>conducted on a batch ready for shipment. The cost of such tests will be borne by the Supplier.</p> <p>c) Upon receipt of the Goods at place of final destination, the Purchaser's representative shall inspect the Goods or part of the Goods to ensure that they conform to the condition of the Contract and advise the Purchaser that the Goods were received in apparent good order. The Purchaser will issue an Acceptance Certificate to the Supplier in respect of such Goods (or part of Goods). The Acceptance Certificate shall be issued within ten (10) days of receipt of the Goods or part of Goods at place of final destination</p>
		11.5	<p>Where the Supplier contests the validity of the rejection by the Purchaser or his representative, of any inspection as required by GCC11.4 above conducted before shipment or at ultimate destination, whether based on product or packing grounds, a sample drawn jointly by the Supplier and Purchaser or his or her representative and authenticated by both, will be forwarded for umpire analysis within four weeks of the time the Supplier contests to an independent agency mutually agreed by the Purchaser and Supplier. The umpire's finding, which will be promptly obtained, will be final and binding on both parties. The cost of umpire analysis will be borne by the losing party</p>
		11.6	<p>The Purchaser may require the Supplier to carry out any test and/or inspection not required by the Contract but deemed necessary to verify that the characteristics and performance of the Goods comply with the technical specification's codes and standards under the Contract, provided that the Supplier's reasonable costs and expenses incurred in the carrying out of such test and/or inspection shall be added to the Contract Price. Further, if such test and/or inspection impedes the progress of manufacturing and/or the Supplier's performance of its other obligations under the Contract, due allowance will be made in respect of the Delivery Dates and Completion Dates and the other obligations so affected.</p>
		11.7	<p>The Supplier shall provide the Purchaser with a report of the results of any such test and/or inspection.</p>
		11.8	<p>The Purchaser may reject any Goods or any part thereof that fail to pass any test and/or inspection or do not conform to the specifications. The Supplier shall either rectify or replace such rejected Goods or parts thereof or make alterations necessary to meet the specifications at no cost to the Purchaser, and shall repeat the test and/or inspection, at no cost to the Purchaser, upon giving a notice pursuant to GCC11.4.</p>
		11.9	<p>The Supplier agrees that neither the execution of a test and/or inspection of the Goods or any part thereof, nor the attendance by the Purchaser or its representative, nor the issue of any report pursuant to GCC11.7, shall release the Supplier from any warranties or other obligations under the Contract.</p>
12.	Packing	12.1	<p>The supplier shall provide such packing of the Goods as is required to prevent their damage or deterioration during transit to their final destination, as indicated in the Contract. The packing shall be sufficient to withstand, without limitation, rough handling during transit and exposure to extreme temperatures, salt and precipitation during transit, and open storage. Packing case size and weights shall take into consideration, where appropriate, the remoteness of the Goods final destination and the</p>

			absence of heavy handling facilities at all points in transit.
		12.2	The packing, marking, and documentation within and outside the packages shall comply strictly with such special requirements as shall be expressly provided for in the Contract, including additional requirements, if any, specified in SCC, and in any subsequent instructions ordered by the Purchaser.
13.	Delivery and Documents	13.1	Delivery of the Goods shall be made by the Supplier in accordance with the terms specified in the Schedule of Requirements. The details of shipping and/or other documents to be furnished by the Supplier are specified in the SCC.
		13.2	For purposes of the Contract, “EXW” “FOB” “FCA”, “CIF”, “CIP,” and other trade terms used to describe the obligations of the parties shall have the meanings assigned to them by the current edition of Incoterms published by the International Chamber of Commerce, Paris.
		13.3	Documents to be submitted by the Supplier are specified in SCC.
14.	Insurance	14.1	The Goods supplied under the Contract shall be fully insured in a freely convertible currency against loss or damage incidental to manufacture or acquisition, transportation, storage, and delivery in the manner specified in the SCC.
		14.2	Where delivery of the Goods is required by the Purchaser on a CIF or CIP basis, the Supplier shall arrange and pay for cargo insurance, naming the Purchaser as beneficiary. Where delivery is on an FOB or FCA basis, insurance shall be the responsibility of the Purchaser.
15.	Transportation	15.1	Where the Supplier is required under Contract to deliver the Goods FOB, transport of the Goods, up to and including the point of putting the Goods on board the vessel at the specified port of loading, shall be arranged and paid for by the Supplier, and the cost thereof shall be included in the Contract Price. Where the Supplier is required under the Contract to deliver the Goods FCA, transport of the Goods and delivery into the custody of the carrier at the place named by the Purchaser or other agreed point shall be arranged and paid for by the Supplier, and the cost thereof shall be included in the Contract Price.
		15.2	Where the Supplier is required under Contract to deliver the Goods CIF or CIP, transport of the Goods to the port of destination or such other named place of destination in the United Republic of Tanzania, as shall be specified in the Contract, shall be arranged and paid for by the Supplier, and the cost thereof shall be included in the Contract Price.
		15.3	Where the Supplier is required under the Contract to transport the Goods to a specified place of destination within the United Republic of Tanzania, defined as the Project Site, transport to such place of destination in the United Republic of Tanzania, including insurance and storage, as shall be specified in the Contract, shall be arranged by the Supplier, and related costs shall be included in the Contract Price.
		15.4	Where the Supplier is required under Contract to deliver the Goods CIF or CIP, no restriction shall be placed on

			the choice of carrier. Where the Supplier is required under Contract (a) to deliver the Goods FOB or FCA, and (b) to arrange on behalf and at the expense of the Purchaser for international transportation on specified carriers or on national flag carriers of the United Republic of Tanzania, the Supplier may arrange for such transportation on alternative carriers if the specified or national flag carriers are not available to transport the Goods within the period(s) specified in the Contract.
16.	Incidental Services	16.1	The Supplier shall provide such incidental services, if any, as are specified in the SCC.
		16.2	Prices charged by the Supplier for incidental services, if not included in the Contract Price for the Goods, shall be agreed upon in advance by the parties and shall not exceed the prevailing rates charged to other parties by the Supplier for similar services.
17.	Spare Parts	17.1	As specified in SCC, the Supplier may be required to provide any or all of the following materials, notifications, and information pertaining to spare parts manufactured or distributed by the Supplier: a) Such spare parts as the Purchaser may elect to purchase from the Supplier, provided that this election shall not relieve the Supplier of any warranty obligations under the Contract; and b) In the event of termination of production of the spare parts: (i) advance notification to the Purchaser of the pending termination, in sufficient time to permit the Purchaser to procure needed requirements; and (ii) following such termination, furnishing at no cost to the Purchaser, the blueprints, drawings, and specifications of the spare parts, if requested.
18.	Warranty	18.1	All goods must be of fresh manufacture and must bear the dates of manufacture and expiry. The Supplier further warrants that all Goods supplied under the Contract will have remaining a minimum of five-sixths (5/6) of the specified shelf life upon delivery at port/airport of entry for goods with a shelf life of more than two years and three-fourths (3/4) for goods with a shelf life of two years or less, unless otherwise specified in the SCC; have "averages" within the ranges set forth in the Technical Specifications, where applicable; are not subject to recall by the applicable regulatory authority due to unacceptable 'quality or an adverse drug reaction; and in every other respect will fully comply in all respects with the Technical Specifications and with the conditions laid down in the Contract.
		18.2	The Purchaser shall have the right to make claims under the above warranty for the period as specified in the SCC after the Goods have been delivered to the final destination indicated in the Contract. Upon receipt of a written notice from the Purchaser, the Supplier shall, with all reasonable speed, replace the defective Goods without cost to the Purchaser. The Supplier will be entitled to remove, at his own risk and cost, the defective Goods once the replacement Goods have been delivered.
		18.3	In the event of a dispute by the Supplier, a counter-

			analysis will be carried out on the manufacturer's retained samples by an independent neutral laboratory agreed by both the Purchaser and the Supplier. If the counter-analysis confirms the defect, the cost of such analysis will be borne by the Supplier as well as the replacement and disposal of the defective goods. In the event of the independent analysis confirming the quality of the product, the Purchaser will meet all costs for such analysis.
		18.4	If, after being notified that the defect has been confirmed pursuant to GCC 17.2 above, the Supplier fails to replace the defective Goods within the period specified in the SCC, the Purchaser may proceed to take such remedial action as may be necessary, including removal and disposal, at the Supplier's risk and expense and without prejudice to any other rights that the Purchaser may have against the Supplier under the Contract. The Purchaser will also be entitled to claim for storage in respect of the defective Goods for the period following notification and deduct the sum from payments due to the Supplier under this Contract.
		18.5	In the event any of the Goods are recalled, the Supplier shall notify the Purchaser within fourteen (14) days, providing full details of the reason for the recall and promptly replace, at its own cost, the items covered by the recall with Goods that fully meet the requirements of the Technical Specification and arrange for collection or destruction of any defective Goods. If the Supplier fails to fulfill its recall obligation promptly, the Purchaser will, at the Supplier's expense, carry out the recall.
19.	Payment	19.1	The method and conditions of payment to be made to the Supplier under this Contract shall be specified in the SCC.
		19.2	The Supplier's request(s) for payment shall be made to the Purchaser in writing or in electronic forms that provide record of the content of communication, accompanied by an invoice describing, as appropriate, the Goods delivered and Services performed, and by documents submitted pursuant to GCC 13 [Delivery and Documents], and upon fulfillment of other obligations stipulated in the Contract.
		19.3	Payments shall be made promptly by the Purchaser, in the mode of payment specified in the SCC, but in no case later than sixty (60) days after submission of an invoice or claim by the Supplier.
		19.4	The currency or currencies in which payment is made to the Supplier under this Contract shall be as specified in SCC subject to the following general principle: payment will be made in the currency or currencies in which the payment has been requested in the Supplier's tender.
		19.5	All payments shall be made in the currency or currencies specified in the SCC pursuant to GCC 17.4
20.	Prices	20.1	The contract price shall be as specified in the Contract Agreement Subject to any additions and adjustments thereto or deductions there from, as may be made pursuant to the Contract.
		20.2	Prices charged by the Supplier for Goods delivered and Services performed under the Contract shall not vary from the prices quoted by the Supplier in its tender, with the exception of any price adjustments authorized in SCC or in the Purchaser's request for tender validity extension, as the case may be.

		20.3	Prices payable to the Supplier, if subject to adjustment during Performance of the Contract to reflect changes in the cost of labour and material components shall be done in accordance with GCC 22.4.
		20.4	<p>If in accordance with GCC 22.2 and 22.3, prices shall be adjustable, the following method shall be used to calculate the price adjustment: Prices payable to the Supplier, as stated in the Contract, shall be subject to adjustment during performance of the Contract to reflect changes in the cost of labour and material components in accordance with the formula:</p> $P1 = P0 [a + bL1/L0 + cM1/M0] - P0$ <p>where <math>a + b + c = 1</math>  in which:  P1 = adjustment amount payable to the Supplier.  P0 = Contract Price (base price).  Contract Price and generally in the range of five (5) to fifteen (15) percent.  b = estimated percentage of labour component in the Contract Price.  c = estimated percentage of material component in the Contract Price.  L0, L1 = labour indices applicable to the appropriate industry in the country of origin on the base date and date for adjustment, respectively.  M0, M1 = material indices for the major raw material on the base date and date for adjustment, respectively, in the country of origin. The Bidder shall indicate the source of the indices and the base date indices in its bid. The coefficients a, b, and c as specified by the Purchaser are as follows:  a = [insert value of coefficient]  b = [insert value of coefficient]  c = [insert value of coefficient]  Base date = thirty (30) days prior to the deadline for submission of the bids.  Date of adjustment = mid-point of the period of manufacture). The above price adjustment formula shall be invoked by either party subject to the following further conditions:  (a) No price adjustment shall be allowed beyond the original delivery dates. As a rule, no price adjustment shall be allowed for periods of delay for which the Supplier is entirely responsible. The Purchaser will, however, be entitled to any decrease in the prices of the Goods and Services subject to adjustment.  (b) If the currency in which the Contract Price P0 is expressed is different from the currency of origin of the labour and material indices, a correction factor will be applied to avoid incorrect adjustments of the Contract Price. The correction factor shall be: <math>Z0/Z1</math>, where:  Z0 = the number of units of currency of the origin of the indices which equal to one unit of the currency of the Contract Price on the Base date, and  Z1 = the number of units of currency of the origin of the indices which equal to one unit of the currency of the C  (c) No price adjustment shall be payable on the portion of the Contract Price paid to the Supplier as advance payment.</p>

21.	Change Orders and Contract Amendments	21.1	The Purchaser may at any time, by a written order given to the Supplier, make changes within the general scope of the Contract in any one or more of the following: a) specifications, where Goods to be furnished under the Contract are to be specifically manufactured for the Purchaser; b) the method of shipment or packing; c) the place of delivery; and/or d) the Services to be provided by the Supplier.
		21.2	If any such change causes an increase or decrease in the cost of, or the time required for, the Supplier's performance of any provisions under the Contract, an equitable adjustment shall be made in the Contract Price or delivery schedule, or both, and the Contract shall accordingly be amended. Any claims by the Supplier for adjustment under this clause must be asserted within thirty (30) days from the date of the Supplier's receipt of the Purchaser's change order.
		21.3	Prices to be charged by the Supplier for any Related Services that might be needed but which were not included in the Contract shall be agreed upon in advance by the parties and shall not exceed the prevailing rates charged to other parties by the Supplier for similar services.
		21.4	Subject to the above, no variation in or modification of the terms of the Contract shall be made except by written amendment signed by the parties. This includes, if specified in the SCC, any variation to the contract resulting from a value engineering proposal agreed between the parties.
22.	Assignment	22.1	The Supplier shall not assign, in whole or in part, its obligations to perform under this Contract, except with the Purchaser's prior written consent.
23.	Subcontracting	23.1	The Supplier shall consult the Purchaser in the event of subcontracting under this contract if not already specified in the Tender. Subcontracting shall not alter the Supplier's obligations.
		23.2	Subcontracts must comply with the provision of GCC Clause 38.
24.	Delays in the Supplier's Performance	24.1	Delivery of the Goods and performance of Services shall be made by the Supplier in accordance with the time schedule prescribed by the Purchaser in the Schedule of Requirements.
		24.2	If at any time during performance of the Contract, the Supplier or its subcontractor(s) should encounter conditions impeding timely delivery of the Goods and performance of Services, the Supplier shall promptly notify the Purchaser in writing or in electronic forms that provide record of the content of communication of the fact of the delay, its likely duration and its cause(s). As soon as practicable after receipt of the Supplier's notice, the Purchaser shall evaluate the situation and may at its discretion extend the Supplier's time for performance, with or without liquidated damages, in which case the extension shall be ratified by the parties by amendment of Contract.
		24.3	Except as provided under GCC Clause 28 a delay by the Supplier in the performance of its delivery obligations shall render the Supplier liable to the imposition of liquidated damages pursuant to GCC Clause 26, unless an extension of time is agreed upon pursuant to GCC Clause 25.2 without the application of liquidated

			damages.
25.	Liquidated Damages	25.1	Subject to GCC Clause 28, if the Supplier fails to deliver any or all of the Goods or to perform the Services within the period(s) specified in the Contract, the Purchaser shall, without prejudice to its other remedies under the Contract, deduct from the Contract Price, as liquidated damages, a sum equivalent to the percentage specified in SCC of the delivered price of the delayed Goods or unperformed Services for each week or part thereof of delay until actual delivery or performance, up to a maximum deduction of the percentage specified in SCC. Once the maximum is reached, the Purchaser may consider termination of the Contract pursuant to GCC Clause 27.
26.	Termination for Default	26.1	The Purchaser or the Supplier, without prejudice to any other remedy for breach of Contract, by written notice of default sent to the concerned party may terminate the Contract if the other party causes a fundamental breach of the Contract.
		26.2	<p>Fundamental breaches of Contract shall include, but shall not be limited to the following:</p> <p>a) the Supplier fails to deliver any or all of the Goods within the period(s) specified in the Contract, or within any extension thereof granted by the Purchaser pursuant to GCC Clause 25; or</p> <p>b) if the Goods do not meet the Technical Specifications stated in the Contract; or</p> <p>c) if the Supplier fails to provide any registration or other certificates in respect of the Goods within the time specified in the Special Conditions; or</p> <p>d) The Purchaser gives Notice that goods delivered with a defect is a fundamental breach of Contract and the Supplier fails to correct it within a reasonable period of time determined by the Purchaser; and</p> <p>e) if the Supplier fails to perform any other obligations) under the Contract.</p> <p>f) the supplier, in the judgment of the Purchaser, has engaged in corrupt, fraudulent, coercive or obstructive practices in competing for or in exacting the Contract.</p> <p>For the purpose of this clause:</p> <p>i) “corrupt practice means the offering, giving receiving or soliciting of anything of value to influence the action of a public officer in the procurement process or contract execution;</p> <p>ii) “coercive practice” means impairing or harming, or threatening to impair or harm directly or indirectly, any party or the property of the party for the purpose of influencing improperly the action or that party in connection with public procurement or in furtherance of corrupt practice or fraudulent practice;</p> <p>iii) “collusive practices” means impairing or harming, or threatening to impair or harm directly or indirectly, any part or the property of the Party for the purpose of influencing improperly the action or a part or in connection with public procurement or government contracting or in furtherance of a corrupt practice or a Fraudulent Practice</p> <p>iv) “fraudulent practice” means a misrepresentation of facts in order to influence a procurement process or the execution of a contract to the detriment of the Government or a public body and includes collusive practices among tenderers, prior to or after submission</p>

			<p>designed to establish tender prices at artificial non-competitive levels and to deprive the Government of the benefits of free and open competition;</p> <p>v) “obstructive practice” means acts intended to materially impede access to required information in exercising a duty under this Act;</p>
		26.3	<p>In the event the Purchaser terminates the Contract in whole or in part, pursuant to GCC Clause 27.1, the Purchaser may procure, upon such terms and in such manner as it deems appropriate, Goods or Services similar to those undelivered, and the Supplier shall be liable to the Purchaser for any excess costs for such similar Goods or Services. However, the Supplier shall continue performance of the Contract to the extent not terminated.</p>
27.	Force Majeure	27.1	<p>Notwithstanding the provisions of GCC Clauses 25, 26, and 27, the Supplier shall not be liable for forfeiture of its performance security, liquidated damages, or termination for default if and to the extent that its delay in performance or other failure to perform its obligations under the Contract is the result of an event of Force Majeure.</p>
		27.2	<p>For purposes of this clause, “Force Majeure” means an event or situation beyond the control of the Supplier and not involving the Supplier’s fault or negligence and not foreseeable, is unavoidable, and is not due to negligence or lack of care on the part of the Supplier. Such events</p>

			may include, but are not restricted to, acts of the Purchaser in its sovereign capacity, wars or revolutions, fires, floods, epidemics, quarantine, restrictions, acts of terrorists and freight embargoes.
		27.3	If a Force Majeure situation arises, the Supplier shall promptly notify the Purchaser in writing or in electronic forms that provide record of the content of communication` of such condition and the cause thereof. Unless otherwise directed by the Purchaser in writing or in electronic forms that provide record of the content of communication, the Supplier shall continue to perform its obligations under the Contract as far as is reasonably practical, and shall seek all reasonable alternative means for performance not prevented by the Force Majeure event.
28.	Termination for Insolvency	28.1	The Purchaser may at any time terminate the Contract by giving written notice to the Supplier if the Supplier becomes bankrupt or otherwise insolvent. In this event, termination will be without compensation to the Supplier, provided that such termination will not prejudice or affect any right of action or remedy which has accrued or will accrue thereafter to the Purchaser.
29.	Termination for Convenience	29.1	The Purchaser, by written notice sent to the Supplier, may terminate the contract, in whole or in part, at any time for its convenience. The notice of termination shall specify that termination is for the Purchaser's convenience, the Contract is terminated, and the date upon which such termination becomes effective.
		29.2	The Goods that are complete and ready for shipment within thirty (30) days after the Supplier's receipt of notice of termination shall be accepted by the Purchaser at the Contract terms and price. For the remaining Goods, the Purchaser may elect:
		(a)	To have any portion completed and delivered at the Contract terms and prices; and / or
		(b)	To cancel the remainder and pay to the Supplier an agreed amount for partially completed Goods and Services and for materials and parts previously procured by the Supplier.
30.	Settlement of Disputes	30.1	In the event of any dispute arising out of this contract, either party shall issue a notice of dispute to settle the dispute amicably. The parties hereto shall, within twenty-eight (28) days from the notice date, use their best efforts to settle the dispute amicably through mutual consultations and negotiation.
		30.2	If, after Fourteen (14) days, the parties have failed to resolve their dispute or difference by such mutual consultation, then either the Supplier or the Purchaser may give notice to the other party of its intention to commence arbitration, as hereinafter provided, as to the matter in dispute, and no arbitration in respect of this matter may be commenced unless such notice is given. Any dispute or difference in respect of which a notice of intention to commence arbitration has been given in accordance with this Clause shall be finally settled by arbitration. Arbitration may be commenced prior to or after handover of the Assets under the Contract.
		30.3	The arbitration shall be conducted in accordance with the arbitration procedure published by the Institution named and, in the place, shown in the SCC.
		30.4	Notwithstanding any reference to arbitration herein, a) the parties shall continue to perform their respective

			obligations under the Contract unless they otherwise agree; and b) the Purchaser shall pay the Supplier any monies due the Supplier.
31.	Procedure for Disputes	31.1	The Adjudicator stated in the SCC shall give a decision in writing or in electronic forms that provide record of the content of communication within 28 days of receipt of a notification of a dispute.
		31.2	The Adjudicator shall be paid by the hour at the rate specified in the SCC, together with reimbursable expenses of the types specified in the SCC, and the cost shall be divided equally between the Purchaser and the Supplier, whatever decision is reached by the Adjudicator. Either party may refer a decision of the Adjudicator to an Arbitrator within 28 days of the Adjudicator's written decision. If neither party refers the dispute to arbitration within the above 28 days, the Adjudicator's decision will be final and binding.
32.	Replacement of Adjudicator	32.1	Should the Adjudicator resign or die, or should the Purchaser and the Supplier agree that the Adjudicator is not functioning in accordance with the provisions of the Contract, a new Adjudicator will be jointly appointed by the Purchaser and the Supplier. In case of disagreement between the Purchaser and the Supplier, within 30 days, the Adjudicator shall be designated by the Appointing Authority designated in the SCC at the request of either party, within 14 days of receipt of such request.
33.	Limitation of Liability	33.1	Except in cases of criminal negligence or willful is conduct, and in the case of infringement pursuant to Clause 9, a) The Supplier shall not be liable to the Purchaser, whether in contract, tort, or otherwise, for any indirect or consequential loss or damage, loss of use, loss of production, or loss of profits or interest costs, provided that this exclusion shall not apply to any obligation of the Supplier to pay liquidated damages to the Purchaser; and b) The aggregate liability of the Supplier to the Purchaser, whether under the Contract, in tort or otherwise, shall not exceed the total Contract Price, provided that this limitation shall not apply to the cost of repairing or replacing defective equipment or to any obligation of the Supplier to indemnify the Purchaser with respect to patent infringement.
34.	Notices	34.1	Any notice given by one party to the other pursuant to this Contract shall be sent to the other party in writing or in electronic forms that provide record of the content of communication and confirmed in writing or in electronic forms that provide record of the content of communication and confirmed in writing or in electronic

			forms that provide record of the content of communication to the other party's address specified in SCC.
		34.2	A notice shall be effective when delivered or on the notice's effective date, whichever is later.
35.	Taxes and Duties	35.1	A Supplier Supplying Goods from abroad shall be entirely responsible for all taxes, stamp duties, license fees, and other such levies imposed outside the United Republic of Tanzania.
		35.2	If any tax exemptions, reductions, allowances or privileges may be available to the Supplier in the United Republic of Tanzania the Purchaser shall use its best efforts to enable the Supplier to benefit from any such tax savings to the maximum allowable extent Republic of Tanzania the Purchaser shall use its best efforts to enable the Supplier to benefit from any such tax savings to the maximum allowable extent.
		35.3	A Supplier supplying Goods offered locally shall be entirely responsible for all taxes, duties, license fees, etc., incurred until delivery of the contracted Goods to the Purchaser.
36.	Suspension of Financing	36.1	In the event that the source of financing is suspended to the Purchaser, from which part of the payments to the Supplier are being made: a) The Purchaser is obligated to notify the Supplier of such suspension within 7 days of having received the financing agency's suspension notice. b) If the Supplier has not received sums due it within the 28 days for payment provided for in GCC 21.3 [Payment], the Supplier may immediately issue a 14-day termination notice.
37.	Condition Precedent	37.1	The Contract shall come into effect after the Supplier fulfilling the conditions precedent stated in the SCC.
		37.2	If the Purchaser is satisfied that each of the conditions precedent in this contract has been satisfied (except to the extent waved by him, but subject to such conditions as he shall impose in respect of such waiver) he shall promptly issue to the Supplier a certificate of Contract commencement, which shall confirm the start date.
38	Certification of Goods in Accordance with Laws of the United Republic of Tanzania	38.1	If required under the Applicable Law, goods supplied under the Contract shall be registered for use in the United Republic of Tanzania as specified in the SCC. The Purchaser undertakes to cooperate with the Supplier to facilitate registration of the Goods for use in the United Republic of Tanzania.
		38.2	Unless otherwise specified in the SCC, the Contract shall become effective on the date ("the Effective Date") that the Supplier receives written notification from the relevant authority in the United Republic of Tanzania that the Goods have been registered for use in the United Republic of Tanzania.
		38.3	If thirty (30) days, or such longer period specified in the SCC, elapse from the date of Contract signing and the

			Contract has not become effective pursuant to GCC 9.2 above, then either party may, by not less than seven (7) days' written notice to the other party, declare this Contract null and void. In such event, the Supplier's performance security shall be promptly returned.

**SECTION IX: SPECIAL CONDITIONS OF CONTRACT (SCC)**

### Special Conditions of Contract

The following Special Conditions of Contract shall supplement the General Conditions of Contract. Whenever there is a conflict, the provisions herein shall prevail over those in the General Conditions of the Contract. The corresponding clause number of the GCC is indicated in parentheses.

S/N	GCC Clause	GCC Clause Number	Amendments of, and Supplements to, Clauses in the General Conditions of Contract
1.	Definitions	1.1 (a)	The Arbitrator's Appointing Authority is Tanzania Institute of Arbitrators (TIArb).
		1.1 (h)	The end user of goods is Health Facilities.
		1.1 (m)	The final destination is Health Facilities
		1.1 (q)	The Procuring Entity is MEDICAL STORES DEPARTMENT.
		1.1 (s)	The Project Site is Medical Stores Department headquarter.
2.	Application	2.4 (h)	No additional documents forming part of the contract are required.
3.	Nature and Period of Contract	3.2	The framework contract duration is 1095 days. The Commencement period is 7 days after signing the contract.
4.	Governing Language	4.1	The Governing Language shall be: English.
5.	Applicable Law	5.1	The Governing Law is Tanzania.
6.	Country of Origin	6.2	Not Applicable.
7.	Performance Security/Performance Securing Declaration.	10.1	The type and amount of Performance Security will be determined during the issuance of call off order.
		10.3	The performance security will be discharged: 10 percent of the Contract Amount.
8.	Packing	12.2	The following SCC shall supplement GCC Clause 12.2 The Goods shall be packed properly in accordance with standard export packing specified by the PE in the Technical Specification.
9.	Delivery and Documents	13.1 & 13.3	<p>For Goods supplied from abroad: Upon shipment, the Supplier shall notify the Purchaser and the insurance company in writing the full details of the shipment including Contract number, description of the Goods, quantity, date and place of shipment, mode of transportation, and estimated date of arrival at place of destination. In the event of Goods sent by airfreight, the Supplier shall notify the Purchaser a minimum of forty-eight (48) hours ahead of dispatch, the name of the carrier, the flight number, the expected time of arrival, and the waybill number. The Supplier shall fax and then send by courier the following documents to the Purchaser, with a copy to the insurance company:</p> <ul style="list-style-type: none"> <li>i. Three originals and two copies of the Supplier's invoice, showing Purchaser as [enter correct description of Purchaser for customs purposes]; the Contract number, loan number, Goods description, quantity, unit price, and total amount. Invoices must be signed in original, stamped, or sealed with the company stamp/seal.</li> <li>ii. <sup>1</sup>Insert the reasons for non-selection of the tenderer for the award of contract. The reasons given here should be those which appears in the evaluation report and which were approved by the Tender Board as justifiable reasons to turn down the offer given by the tenderer.

## 2. Letter of Acceptance

*[Letterhead paper of the PE]*

*[date]*

To: *[name and address of the Supplier]*

**RE: NOTIFICATION OF AWARD OF CONTRACT FOR TENDER NO.***[insert tender number]*  
**FOR** *[insert tender description]*

This is to notify you that your tender dated *[insert date]* for execution of the Contract Number *[insert Contract number and description, as given in the Special Conditions of Contract]* for the Accepted Contract Amount of the equivalent of *[insert amount in numbers and words and name of currency]*, as corrected and modified in accordance with the Instructions to Tenderers is hereby accepted by us.

You are requested to furnish the Performance Securing Declaration or Performance Security within 14 days in accordance with the Conditions of Contract, using for that purpose the Performance Security Form included in Section X, Contract Forms, of the Tendering Document.

Authorized Signature: .....

Name and Title of Signatory: .....

Name of Agency: .....

### **Attachment: Contract Agreement**

Copy:, PPRA, , CAG, Office of the Attorney General, GAMD, IAG, TRA and Adjudicator's Appointing Authority,

Insert the appropriate form of security to be furnished. The Performance Securing Declaration shall only be applicable for Tenders falling under exclusive preference.

**3. Form of Framework Agreement**

**THIS AGREEMENT** (hereinafter called the "Contract") is made this [day of the month] day of [insert a month], [insert a year] between [name and address of Purchaser] (hereinafter called "the Procuring Entity") of the one part and [name and address of Supplier] (hereinafter called "ProcuringEntity") of the other part:

**WHEREAS** the Procuring Entity invited Tenders for certain goods and ancillary services, viz., [insert brief description of goods and services] and has accepted a Tender by the Supplier for the supply of those goods and services in the sum of [insert contract price in words and figures] (hereinafter called "the Contract Price").

**NOW THIS FRAMEWORK AGREEMENT WITNESSETH AS FOLLOWS:**

1. In this Agreement words and expressions shall have the same meanings as are respectively assigned to them in this Framework Agreement.
2. The following attached documents shall be construed as forming part of this Framework Agreement.
  - (a) Form of Agreement,
  - (b) Letter of Acceptance
  - (c) Minutes of Negotiations (if any)
  - (d) Form of Tender
  - (e) Special Conditions of Contract,
  - (f) General Conditions of Contract,
  - (g) Specifications
  - (h) Completed Schedules (including Price Schedules), and
  - (i) [Other relevant document(s): [List any]
3. The Supplier covenants with the Procuring Entity to supply the following goods in conformity with the provisions of contract:

Item code	Goods Description	UOM	Manufacturer/Country of Origin	Unit (Currency)	Price
<b>Incoterm:</b> [Insert Place of Destination ]					

4. In consideration of the supply of goods, the Procuring Entity hereby covenants to pay the Supplier the contract price at agreed unit price(s) indicated in paragraph three (3) above as may become payable under the provisions of the contract at the times in the manner prescribed by the Contract.
5. The Procuring Entity shall order from the Supplier the goods specified in the contract period as the need shall arise by issuing call off orders which shall be issued as notices and signed by the Procuring Entity and the Supplier. The quantities of goods specified in the Schedule of Requirements are estimated quantities only and are not purchased by this contract. If the orders under this contract do not result in total orders of the quantities described as estimates, that fact shall not constitute the basis for an equitable adjustment. Call off orders may be issued at any time during a period of this Framework Agreement from the date of contract indicated in this Framework Agreement. Any order issued, but not completed, during this period, shall be governed by the Contract in the same way as if it had been completed during that period.
6. The Supplier shall deliver the goods as per delivery schedule stated in the Call off Order. Where the goods will be urgently needed and in the event the Supplier will be unable to deliver the goods within the indicated time frame, the Procuring Entity shall be at liberty to procure the goods from other alternative sources available.
7. The Supplier shall ensure the goods supplied shall be in good quality and standards and shall not be less than 80% or 24 months of the total shelf life at the time of delivery.
8. The Procuring Entity shall have right to inspect, test and, where necessary, reject the goods that fail to conform to specifications irrespective of having previously been inspected and passed before delivery to MSD.
9. In the event of rejection of the goods for any reason, the Supplier shall pick the rejected goods immediately and not more than seven working days (07) after the notice of rejection has been communicated. A daily storage charge shall be imposed on any unpicked goods after expiry of the grace period of seven working days as the Procuring Entity shall determine.
10. The Procuring Entity shall apply a vendor rating system through which the Supplier's performance will be continuously measured in respect of adherence to agreed delivery schedules, quality of consignments received, quality of communications during the contract period and all conditions of contract in general. Such performance rating shall be used in future evaluations and may influence future contract awards.
11. The Supplier shall deliver a Performance Security to the Procuring Entity within Fourteen (14) days after receipt of the Call off order. Performance security shall be ten (10) percent of the call off total price.
12. This Framework Agreement shall run for a period of (insert no. of months) effective from (insert start date) to (insert end date). The Department may invite new tenderers any time when needs arise.

**IN WITNESS WHEREOF**, the Parties hereto have caused this Agreement to be executed in their respective names as of the day, month and year specified above.

## 7. Performance Bond

*[Guarantor letterhead]*

By this Bond *[insert name of Principal]* as Principal (hereinafter called “the Supplier”) and *[insert name of Surety]* as Surety (hereinafter called “the Surety”), are held and firmly bound unto *[insert name of Purchaser]* as Obligee (hereinafter called “the Purchaser”) in the amount of *[insert amount in words and figures]*, for the payment of which sum well and truly to be made in the types and proportions of currencies in which the Contract Price is payable, the Supplier and the Surety bind themselves, their heirs, executors, administrators, successors and assigns, jointly and severally, firmly by these presents.

WHEREAS the Supplier has entered into a written Agreement with the Purchaser dated the day of , 20 , for *[name of contract and brief description of Works]* in accordance with the documents, plans, specifications, and amendments thereto, which to the extent herein provided for, are by reference made part hereof and are hereinafter referred to as the Contract.

NOW, THEREFORE, the Condition of this Obligation is such that, if the Supplier shall promptly and faithfully perform the said Contract (including any amendments thereto), then this obligation shall be null and void; otherwise, it shall remain in full force and effect. Whenever the Supplier shall be, and declared by the Purchaser to be, in default under the Contract, the Purchaser having performed the Purchaser’s obligations thereunder, the Surety may promptly remedy the default, or shall promptly:

- (1) complete the Contract in accordance with its terms and conditions; or
- (2) obtain a Tender or tenders from qualified Tenderers for submission to the Purchaser for completing the Contract in accordance with its terms and conditions, and upon determination by the Purchaser and the Surety of the lowest responsive Tenderer, arrange for a Contract between such Tenderer and Purchaser and make available as work progresses (even though there should be a default or a succession of defaults under the Contract or Contracts of completion arranged under this paragraph) sufficient funds to pay the cost of completion less the Balance of the Contract Price; but not exceeding, including other costs and damages for which the Surety may be liable hereunder, the amount set forth in the first paragraph hereof. The term “Balance of the Contract Price,” as used in this paragraph, shall mean the total amount payable by Purchaser to Supplier under the Contract, less the amount properly paid by Purchaser to Supplier; or
- (3) pay the Purchaser the amount required by Purchaser to complete the Contract in accordance with its terms and conditions up to a total not exceeding the amount of this Bond.

The Surety shall not be liable for a greater sum than the specified penalty of this Bond.

Any suit under this Bond must be instituted before the expiration of one year from the date of issue of the Certificate of Completion.

No right of action shall accrue on this Bond to or for the use of any person or corporation other than the Purchaser named herein or the heirs, executors, administrators, successors, and assigns of the Purchaser.

In testimony whereof, the Supplier has hereunto set his hand and affixed his seal, and the Surety has caused these presents to be sealed with his corporate seal duly attested by the signature of his legal representative, this day of 20 .

## 8. Bank Guarantee Form for Advance Payment

Date: *[insert date]*

IFT: *[insert name and number of IFT]*

Contract: *[insert name and number of Contract]*

To: *[insert name and address of Purchaser]*

Dear Sir or Madam,

In accordance with the payment provision included in the Special Conditions of Contract (SCC), which amends GCC 23 to provide for advance payment, *[name and address of Supplier]* (hereinafter called “the Supplier”) shall deposit with the Purchaser a Bank Guarantee to guarantee its proper and faithful performance under the said Clause of the Contract in an amount of *[amount of guarantee in figures and words]*.

We, the *[bank or financial institution]*, as instructed by the Supplier, agree unconditionally and irrevocably to guarantee as primary obligator and not as surety merely, the payment to the Purchaser on its first demand without whatsoever right of objection on our part and without its first claim to the Supplier, in the amount not exceeding *[amount of guarantee in figures and words]*.

We further agree that no change or addition to or other modification of the terms of the Contract to be performed there under or of any of the Contract documents which may be made between the Purchaser and the Supplier, shall in any way release us from any liability under this guarantee, and we hereby waive notice of any such change, addition, or modification.

This guarantee shall remain valid and in full effect from the date of the advance payment received by the Supplier under the Contract until *[date]*.

Yours truly,

Signature and seal of the Guarantors
