	13.0	individual items, lots, or for any combination of contract
		packages. Unless otherwise specified in the TDS , prices
		quoted shall correspond to 100% of the items specified for
		each lot and to 100% of the quantities specified for each
		item of a lot. Tenderers wishing to offer any price
		reduction for the award of more than one Contract shall
		specify in their tender the price reductions applicable to
		each package, or to individual Contracts within the
		package. Price reductions or discounts shall be submitted
		by ITT 15.4, provided the tenders for each item or lot are
		submitted and opened at the same time.

16.	Tender Currencies	16.1	Prices shall be quoted in the following currencies:
			a) For goods and services that the Tenderer will supply from within the United Republic of Tanzania, the prices
			shall be quoted in Tanzania Shillings, unless otherwise
			specified in the TDS .
			b) For goods and related services that the Tender will
			supply from outside the United Republic of Tanzania, or
			for imported parts or components of goods and related services originating outside the United Republic of
			Tanzania, the tender prices shall be quoted in any freely
			convertible currency of another country. If the Tenderer
			wishes to be paid in a combination of amounts in different
			currencies, it may quote its price accordingly but use no
		160	more than three foreign currencies.
		16.2	The rates of exchange to be used by the Tenderer in
			arriving at the local currency shall be the selling rates for similar transactions established by the Bank of Tanzania
			(BOT) prevailing on the tender publication date.
		16.3	Unless otherwise specified in the TDS , local
			transportation, insurance, and other services incidental to
			delivery of the goods covered under ITT 16.1 and
			installation services covered under ITT 16.3 shall be
			quoted in either foreign and/or local currency, depending upon the currency in which the costs are to be incurred and
			by the provisions of ITT 16.1 (a) and (b) above.
		16.4	Tenderers may be required by the PE to clarify their
			foreign currency requirements and to substantiate that the
			amounts included in the Lump Sum and the Special
			Conditions of Contract are reasonable and responsive to ITT 16.1.
17.	Tender Validity Period	17.1	Tenders shall remain valid for the period specified in the
			TDS after the date of the tender submission deadline
			prescribed by the PE under ITT 22. A tender valid for a shorter period shall be rejected by the PE as non-
			responsive.
		17.2	In exceptional circumstances, before expiry of the original
			Tender validity period, the PE may request that the
			Tenderers consent to an extension of the period of validity of their Tenders. The request and the Tenderer's responses
			shall be made through NeST.
		17.3	The Tender Security provided under ITT 19 [Tender
			Security or Tender Securing Declaration] shall also be
			suitably extended. A Tenderer may refuse the request without forfeiting its Tender Security or causing to be
			executed its Tender Securing Declaration.
		17.4	A Tenderer agreeing to the request will not be required or
			permitted to modify its Tender but will be required to
			extend the validity of its Tender Security or Tender
			Securing Declaration for the period of the extension, and
			in compliance with ITT 19 [Tender Security or Tender Securing Declaration]in all respects.

		Tender Validity prescribed by the PE under ITT 18.
	8.8	The successful Tenderer's Tender Security will be
		discharged upon the Tenderer signing the contract, under
		ITT 41, and furnishing the performance security, under
		ITT 42.
	8.9	The Tender Security may be forfeited or the Tender
		Securing Declaration executed:
		a) If a Tenderer
		i) withdraws its Tender during the period of Tender
		validity specified by the Tenderer on the Form of Tender
		except as provided for in ITT 17.2; or
		ii) does not accept the correction of errors under ITT 30.3;
		or
		b) In the case of a successful Tenderer, if the Tenderer
		fails:
		i) to sign the contract by ITT 41; or
		ii) to furnish performance security by ITT 42.
	8.10	A Tenderer shall be suspended from being eligible for
	0.10	tendering in any contract with the PE for the period
		indicated in the Tender Security or Tender Securing
		Declaration:
		(a) if the Tenderer withdraws its bid, except as provided in
		ITT 17.2 and 30.2; or
		(b) In the case of a successful Tenderer, if the Tenderer
		fails within the specified time limit to:
		(i) sign the contract, or
	0 11	(ii) furnish the required performance security
	8.11	The failure of a Tenderer to abide by the terms of the

			Tender Securing Declaration shall be reported to the Public Procurement Authority (PPRA) for debarment for a period which they shall determine. A Tenderer debarred by PPRA shall be ineligible to participate in public procurement during the period of debarment.
19.	Alternative Tenders by Tenderers	19.1	Tenderers shall submit offers that comply with the requirements of the Tendering Documents, including the basic Tenderer's technical design as indicated in the specifications and Schedule of Requirements. Alternatives will not be considered unless specifically allowed for in the TDS . If so allowed, ITT 19.2 shall prevail.
		19.2	When an alternative schedule for the delivery of goods is explicitly invited, a statement of that effect will be included in the TDS as will the method for evaluating the different schedules for delivery of goods.
		19.3	If so allowed in the TDS , Tenderers wishing to offer technical alternatives to the requirements of the Tendering documents must also submit a Tender that complies with the requirements of the Tendering documents, including the basic technical design as indicated in the specifications. In addition to submitting the basic Tender, the Tenderer shall provide all information necessary for a complete evaluation of the alternative by the PE, including specifications, breakdown of prices, and other relevant details.
20.	Format and Signing of Tender	20.1	The Tenderer shall prepare documents comprising the tender as described in ITT 11 [Documents and Sample(s) Constituting the Tender].
		20.2	The Tender shall be signed by a person or persons duly authorized to sign on behalf of the Tenderer and the authorization documents shall be submitted together with the tender indicating the names and position of each signatory in accordance with the requirements of the NeST. The authorization document(s) shall be a duly notarized power of attorney in the format provided in section V; Tendering forms.
		20.3	The Tenderer shall furnish information as described in the Form of Tenderer on commissions or gratuities, if any, paid or to be paid to agents relating to this Tender and to contract execution if the Tenderer is awarded the contract.

D. Submission of Tenders

	1 ~		D. Submission of Tenders
21.	Submission of Tenders	21.1	All tenders shall be submitted through the National Electronic Procurement System of Tanzania (NeST) Tenders submitted through NeST shall be considered to be a true and legal version, duly authorized and duly executed by the tenderer, and intended to have binding legal effect. The tenderer shall properly name his soft copies of documents before submission through NeST.
		21.2	The tender shall bear e-signature or digital signatures, where applicable for identity and authentication purposes and the identity of the tenderer may be verified with a follow-up due diligence process.
		21.3	Tenders submitted through NeST shall be received in full prior to the closing time and the tenderers shall receive an acknowledgment of receipt of their tenders or amendment through the system.
		21.4	The authenticity of their submission; and in the case of electronic records entered online and files containing the tender being Unreadable for any reason, the tender submitted shall not be considered.
		21.5	In addition, if required in accordance with ITT11 [Documents and Sample(s) Constituting the Tender], the Tenderer shall deliver any samples at the address shown in the TDS not later than the deadline for submission of tenders.
22.	Deadline for Submission of Tenders	22.1	Tenders shall be received by the PE through NeST in a manner specified under ITT 21.2 and ITT 21.5 [Submission of Tenders] no later than the date and time specified in the TDS and NeST.
		22.2	The PE may, in exceptional circumstances and at its discretion, extend the deadline for the submission of Tenders by amending the Tendering Documents in accordance with ITT 9, in which case all rights and obligations of the PE and Tenderers previously subject to the deadline will thereafter be subject to the new deadline.
23.	Late Tenders	23.1	NeST does not allow a Tenderer to submit its tender after the deadline for submission of tenders in accordance with ITT 22 [Deadline for Submission of Tenders].
24.	Modification, Substitution or Withdrawal of Tenders	24.1	A Tenderer may modify substitute or withdraw its Tender after it has been submitted to the PE through NeST, provided that such modification substitution, or withdrawal is made prior to the deadline for submission of Tenders prescribed in ITT22.1 [Deadline for Submission of Tenders]. Tenderers shall receive an acknowledgment of receipt of any amendment of its submitted tender through the system.
		24.2	No Tender may be withdrawn, replaced or modified in the interval between the deadline for submission of Tenders and the expiration of the period of Tender validity specified by the Tenderer on the Form of Tender. Withdrawal of a Tender during this interval may result in the Tenderer's forfeiture of its Tender Security, or execution of Tender Securing Declaration pursuant to the ITT 18.10.

E: Opening and Evaluation Of Tenders

		, 	d Evaluation Of Tenders
25.	Opening of Tenders	25.1	The Tenders shall be opened automatically by the system after the deadline date and time. Readout prices shall be displayed automatically in the NeST portal. Automated opening reports shall be sent to all involved parties including the PE and Tenderers.
		25.2	A Tenderer or any other person with interest in the tender process can access tender opening records on the appropriate section of NeST.
26.	Confidentiality	26.1	Information relating to the examination, evaluation, comparison, Tenders, and recommendation of contract award shall not be disclosed to Tenderers or any other persons not officially concerned with such process until the award to the successful Tenderer has been announced.
		26.2	Any effort by a Tenderer to influence the PE processing of tenders or award decisions may result in the rejection of its Tender.
		26.3	Notwithstanding ITT 26.2, from the time of tender opening to the time of Contract award, if any Tenderer wishes to contact the PE on any matter related to the tendering process, it should do so in writing or in electronic forms that provides a record of the content of the communication.
27.	Clarification of Tenders	27.1	To assist in the examination, evaluation, and comparison of tenders and post-qualification of Tenderers, the PE may, at its discretion, ask any Tenderer for clarification of its tender, including breakdowns of prices. Any clarification submitted by a Tenderer that is not in response to a request by the PE shall not be considered.
		27.2	The request for clarification and the response shall be communicated through NeST and The Tenderer shall; respond through NeST. No change in the prices or substance of the Tender shall be sought, offered, or permitted except provided otherwise. From the time of tender opening to the time of contract award
			if any Tenderer wishes to contact the PE on any matter related to the tender it should do so in writing or in electronic forms that provide a record of the content of the communication.
28.	Preliminary Examination of Tenders	28.1	Before the detailed evaluation of tenders, the PE will determine whether each tender (a) meets the eligibility criteria defined in ITT 3 and 4; (b) has been properly signed; (c) is accompanied by the required securities; and (d) is substantially responsive to the requirements of the Tendering Documents. The PE's determination of a tenderer's responsiveness will be based on the contents of the tender itself.
		28.2	A substantially responsive tender conforms to all the terms, conditions, and specifications of the Tendering Documents, without material deviation or reservation. A material deviation or reservation is one that: a) affects in any substantial way the scope, quality, or delivery of related goods and or services; b) limits in any substantial way, inconsistent with the Tendering documents, the PE's rights, or the Tenderer's obligations under the Contract; or c) if rectified, would affect unfairly the competitive position of other Tenderers presenting substantially responsive tenders. For this section, the following definitions apply "Deviation" is a departure from the requirements specified in

	,	
		the Tendering Document;
		"Reservation" is the setting of limiting conditions or
		withholding from complete acceptance of the requirements
		specified in the Tendering Document; and
		"Omission" is the failure to submit part or all of the
		•
		information or documentation required in the Tendering
		Document.
	28.3	The PE will confirm that the documents and information
		specified under ITT 11, 12, and 13 have been provided in the
		Tender. If any of these documents or information is missing
		or is not provided by the Instructions to Tenderers, the Tender
		l
		shall be rejected.
	28.4	The PE may waive any minor informality, nonconformity, or
		irregularity in a Tender that does not constitute a material
		deviation, provided such waiver does not prejudice or affect
		the relative ranking of any Tenderer.
	28.5	Provided that a tender is substantially responsive, the PE may
	26.5	l • • • • • • • • • • • • • • • • • • •
		request that the Tenderer submit the necessary information or
		documentation, within a reasonable period, to rectify non-
		material non-conformities or omissions in the tender related
		to documentation requirements. Such omission shall not be
		related to any aspect of the price of the tender. Failure of the
		Tenderer to comply with the request may result in the
		rejection of its tender.
	20.6	·
	28.6	Provided that a tender is substantially responsive, the PE shall
		rectify quantifiable non-material non-conformities related to
		the Tender Price. To this effect, the Tender Price shall be
		adjusted, for comparison purposes only, to reflect the price of
		a missing or non-conforming item or component

		the Tenderer by correction of the nonconformity.
	28.8	Material deviations to commercial terms and conditions,
		which justify rejection of a tender shall include the following:
		a) failure to sign the Form of Tender and price schedules by
		the authorized person or persons;
		b) failure to satisfy eligibility requirements;
		c) failure to submit a tender security as specified in the
		tendering documents;
		d) failure to satisfy the tender validity period;
		e) inability to meet the critical delivery schedule specified in
		the tendering documents, where such schedule is a crucial
		condition with which tenderers must comply;
		f) failure to comply with minimum experience criteria as
		1 ' *
		specified in the tendering documents;
		g) conditional tenders such as conditions in a tender that limit
		the tenderer's responsibility to accept an award
		h) inability to accept the price adjustment formulae of the
		tendering documents;
		i) stipulating price adjustment when fixed price tenders were
		invited;
		j) subcontracting in a substantially different amount or
		manner than that permitted;
		k) Failure to submit major supporting documents required by
		the tendering documents to determine substantial
		responsiveness of a tender.
	28.9	All tenders shall be checked for substantial responsiveness to
	20.7	
		the technical requirements of the tendering documents and
		non-conformity to technical requirements, which are
		justifiable grounds for rejection of a tender including the

			following: a) failure to tender for the required scope of tender as instructed in the tendering documents and where failure to do so has been indicated as unacceptable; b) failure to quote for a major item in the package; c) failure to meet major technical requirements, such as offering completely different types of equipment or materials from the types specified, plant capacity well below the minimum specified, equipment not able to perform the basic functions for which it is intended; d) presentation of absolutely unrealistic and inadequate implementation plans and schedules regarding performance, technical, or service factors.
29.	Examination of Terms and Conditions; Technical Evaluation	29.1	The PE shall examine the tender to confirm that all terms and conditions specified in the General Conditions of Contract and the Special Conditions of Contract have been accepted by the Tenderer without any material deviation or reservation. The PE shall evaluate the technical aspects of the Tender
	Evaluation	29.2	submitted by ITT 12 and ITT 13, to confirm that all requirements specified in Section VI – Schedule of Requirements of the Tendering Documents and Section VII – Technical Specifications have been met without material deviation or reservation.
		29.3	If after the examination of the terms and conditions and the technical evaluation, the PE determines that the Tender is not substantially responsive by ITT 28, it shall reject the Tender.
30.	Correction of Errors	30.1	Tenders determined to be substantially responsive will be checked by the PE for any arithmetic errors. Errors will be corrected as follows: - a) If there is a discrepancy between unit prices and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail, and the total price shall be corrected unless, in the opinion of the PE, there is an obvious misplacement of the decimal point in the unit price, in which the total price as quoted shall govern and the unit price shall be corrected;
			 b) If there is an error in a total corresponding to the addition or subtraction of subtotals, the subtotals shall prevail and the total shall be corrected; and c) Where there is a discrepancy between the amounts in figures and words, the amount in words will govern unless the amount expressed in words is related to an arithmetic error, in which case the amount in
		30.2	figures shall prevail subject to (a) and (b) above. The amount stated in the tender will, be adjusted by the PE by the above procedure for the correction of errors and, with, the concurrence of the Tenderer, shall be considered as binding upon the Tenderer. If the Tenderer does not accept the corrected amount, its Tender will then be rejected, and the Tender Security may be forfeited or the Tender Securing declaration may be executed by ITT 18.10.
		30.3	In the case of National, International, and Restricted Competitive Tendering on Fixed Budget Method, determination as to whether the tender is within the budget shall be made during arithmetic correction. Any tender, whose corrected tender price exceeds the available budget

			shall be rejected
31.	Conversion to	31.1	To facilitate evaluation and comparison, the PE will convert
	Single Currency		all tender prices expressed in the various currencies in which
			they are payable to either:
			a) in Tanzania Shilling at the selling exchange rate established
			for similar transactions by the Bank of Tanzania or a
			commercial bank in the United Republic of Tanzania.
			or b) in a currency widely used in international trade, such as
			U.S. dollars, at the selling rate of exchange published
			in the international press for the amount payable in

	Evaluation of		The PE shall evaluate and compare only the Tenders determined to be substantially responsive, under ITT
	Tenders		29[Preliminary Examination of Tenders].
		22.2	
		32.2	To evaluate a Tender, the PE shall consider the following: a) Evaluation will be done for Items or Lots (contracts),
			as specified in the TDS ; and the Tender Price as
			quoted by clause 14 [Form of Tender and Price
			Schedules];
			b) price adjustment for correction of arithmetic errors by
			ITT 29 [Correction of arithmetic Errors];
			c) price adjustment due to discounts offered by ITT 16.4
			[Tender Prices and Discounts];
			d) converting the amount resulting from applying (a) to (c) above, if relevant, to a single currency by ITT 30
			[Conversion to Single Currency];
			e) price adjustment due to quantifiable non-material non-
			conformities by ITT 28.5 and 28.6[Preliminary
			Examination of Tenders]
			f) The additional evaluation factors are specified in
		22.2	Section IV [Qualification and Evaluation Criteria].
		32.3	The estimated effect of the price adjustment provisions of the Conditions of Contract applied throughout the execution of
			the Contract, shall not be taken into account in tender
			evaluation
		32.4	If these Tendering Documents allow Tenderers to quote
			separate prices for different lots (contracts), the methodology
			to determine the lowest evaluated price of the lot (contract)
			combinations, including any discounts offered in the Form of
			Tender, is specified in Section IV [Qualification and
		32.5	Evaluation Criteria
		34.3	The PE's evaluation of a Tender will exclude and not take into account:
			a) In the case of goods manufactured in the United
			Republic of Tanzania or goods of foreign original
			ready located in the United Republic of Tanzania,
			sales and other similar taxes, which will be payable
			on the goods if a contract is awarded to the Tenderer;
			b) In the case of goods of foreign origin offered from
			abroad, customs duties and other similar import taxes
			will be payable on the goods if the contract is awarded to the Tenderer; and
	<u> </u>		awarded to the Tenderer, and

-			
			c) any allowance for price adjustment during the period of execution of the contract, if provided in the Tender.
		32.6	The PE"s evaluation of a tender may require the consideration of other factors, in addition to the Tender Price quoted by ITT16 [Tender Prices and Discounts]. These factors may be related to the characteristics, performance, and terms and conditions of purchase of the Goods and Related Services. The effect of the factors selected, if any, shall be expressed in monetary terms to facilitate comparison of tenders, unless otherwise specified in the TDS from amongst those set out in Section IV [Qualification and Evaluation Criteria]. The criteria and methodologies to be used shall be as specified in ITT 32.2 (f). The comparison shall be between the EXW price of the goods
			offered from within the United Republic of Tanzania, such price to include all costs, as well as duties and taxes paid or payable on components and raw material incorporated or to be incorporated in the goods, and the CIF named port of destination (or CIP border point, or CIP named place of destination) price of the goods offered from outside the United Republic of Tanzania.
33.	National Preference	33.1	If the TDS so specifies, the PE will grant a margin of preference to goods manufactured in the United Republic of Tanzania, provided the Tenderer shall have established to the satisfaction of the PE that its Tender complies with the criteria specified in Section IV [Qualification and Evaluation Criteria].
		33.2	Where a margin of preference applies, its application and detail shall be specified in Section IV [Qualification and Evaluation Criteria].
34.	Determination of the Lowest Evaluated Bid	34.1	The Tender with the lowest evaluated price from among those that are eligible, compliant, and substantially responsive shall be the lowest evaluated Tender.
		34.2	In determining the lowered evaluated tenderer, the PE shall determine to its satisfaction whether the Tenderer that is selected as having submitted the lowest evaluated cost and substantially responsive Tender is eligible and meets the qualifying criteria specified in ITT 11.1 [Documents and Samples Constituting the Tender] as applicable and Section IV, Qualification and Evaluation Criteria.
		34.3	The determination shall be based upon an examination of the documentary evidence of the Tenderer's qualifications submitted by the Tenderer, under ITT 13 [Documents Establishing Eligibility and Qualifications of the Tenderer]. The determination shall not take into consideration the qualifications of other firms such as the Tenderer's subsidiaries, parent entities, affiliates, subcontractors, or any other firm(s) different from the Tenderer
		34.4	An affirmative determination shall be a prerequisite for the award of the Contract to the Tenderer. A negative determination shall result in disqualification of the Tender, in which event the PE shall proceed to the Tenderer who offers a substantially responsive Tender with the next lowest evaluated cost to make a similar determination of that Tenderer's qualifications to perform satisfactorily
		34.5	In the case of National, International, and Restricted Competitive Tendering on Fixed Budget Method, the lowest evaluated price shall not exceed the provided budget. If the

	1		budget, it shall be rejected.
		34.6	Where the tender price of the lowest evaluated tenderer is
		34.0	considered to be abnormally low, the PE shall perform price
			analysis as part of the Evaluation. The following process shall
			apply:
			(a) The PE may reject a tender if the PE has determined
			that the price in combination with other constituent
			elements of the tender is abnormally low about the
			subject matter of the procurement (scope of works or
			services) and raises concerns with the PE as to the
			ability of the tenderer that presented that tender to
			perform the contract.
			(b) Before rejecting an abnormally low tender the PE
			shall: request the tenderer an explanation of the
			tender or of those parts which it considers contribute
			to the tender being abnormally low; take account of
			the evidence provided in response to a request in
			writing; and subsequently verify the tender or parts of
			the tender being abnormal
			(c) The decision of the PE to reject a tender and the
			reasons for the decision shall be recorded in the
			procurement proceedings and promptly
			communicated to the tenderer concerned;
			(d) The PE shall incur liability solely by rejecting
			abnormally low tender; and
			An abnormally low tender means, in the light of the PE's
			estimate and of all the tenders submitted, the tender appears
			to be abnormally low by not providing a margin for normal
			levels of profit.
35.	Post-qualification	35.1	If pre-qualification was not undertaken, post-qualification
	of Tenderer		shall be performed. After determining the lowest-evaluated
			tender, the PE shall carry out the post-qualification of the

F. Award of Contract

	T		
36.	Criteria of Award	36.1	Subject to ITT 35 and 37, the PE will award the Contract to the Tenderer whose tender has been determined to be substantially responsive to the Tendering Documents and who has offered the lowest Evaluated Tender Price, provided that such Tenderer has been determined to (a) have supplies that are eligible pursuant to ITT 3 and (b) be eligible in accordance with the provisions of ITT 4, and (c) is determined to be qualified to perform the Contract satisfactorily (d) successful negotiations have been concluded, if any. If pursuant to ITT 13.4, this Contract is being let on a slice and package" basis, the lowest evaluated tender price will be determined when evaluating this Contract in conjunction with other Contracts to be awarded concurrently, taking into account any discounts offered by the Tenderers for the award of more than one Contract.
37.	Negotiations	37.1	Negotiations may be undertaken with the lowest evaluated tender relating to the following areas:
			(a) a minor alteration to the technical details of the specifications;
			(b) reduction of quantities for budgetary reasons, where the reduction is in excess of any provided for in the solicitation documents;
			(c) a minor amendment to the Special Conditions of Contract;
			(d) finalizing payment arrangements;
			(e) delivery arrangements;
			(f) clarifying details that were not apparent or could not
			be finalized at the time of tendering; or
			(g) reduction of Tender Price to match the available PEs` Estimate and commensurate with the market prices provided such reduction shall not make the tender abnormally low in accordance with ITT35.2 [Post qualification of Tenderers]. Negotiation of price shall not be applicable for tenders invited under the National, International and Restricted Competitive Tendering on Fixed Budget method.
		37.2	Where negotiation fails to result into an agreement, the PE may invite the next ranked Tenderer for negotiations. Where negotiations are commenced with the next ranked Tenderer, the PE shall not reopen earlier negotiations.
38.	PE's Right to Accept Any Tender and to Reject Any or All Tenders	38.1	Notwithstanding award criteria ITT 36, PE reserves the right to accept or reject any tender, and to annul the tendering process and reject all tenders at any time prior to award of contract, without thereby incurring any liability to the affected Tenderer or Tenderer or any obligation to inform the affected Tenderer or Tenderers of the grounds for the PE's action.
		38.2	Notice of the rejection of all tenders shall be given promptly to all suppliers that have submitted tenders through NeST.
		38.3	The PE shall upon request communicate to any Tenderer the grounds for its rejection of its Tenders, but is not required to justify those grounds.
39.	PE's Right to Vary Quantities at the Time of	39.1	The PE reserves the right at the time of Contract award to increase or decrease, by the percentage indicated in the TDS , the quantity of goods and services beyond that originally

43.	Advance Payment	43.1	The PE will provide an Advance Payment as stipulated in the General Conditions of Contract, subject to a maximum amount, as stated in the TDS .
		43.2	The Advance Payment request shall be accompanied by an Advance Payment Security (Guarantee) in the form provided in Section IX . For the purpose of receiving the Advance Payment, the Tenderer shall make an estimate of, and include in its Tender, the expenses that will be incurred in order to commence delivery of supplies. These expenses will relate to the purchase of equipment and supplies on the engagement of labour during the first months. beginning with the date of the PE's "Notice to Commence" as specified in the Special Conditions of Contract.
44.	Adjudicator	44.1	The PE proposes the person named in the TDS to be appointed as Adjudicator under the Contract, at an hourly fee specified in the TDS , plus reimbursable expenses. If the Tenderer disagrees with this proposal, the Tenderer should so state in the Tender. If, in the Letter of Acceptance, the Procuring has not agreed on the appointment of the Adjudicator, the Adjudicator shall be appointed by the Appointing Authority designated in the Special Conditions of Contract at the request of either party.
45.	Fraudulent, Corrupt, Coercive, Collusive or Obstructive Practices	45.1	The PE's and Tenderer's are required to observe the highest standard of ethics during the procurement and execution of such contracts. For the purpose of this provision, the following defined terms shall apply: a) "corrupt practice" means the offering, giving receiving or soliciting of anything of value to influence the action of a public officer in the procurement process or contract execution; b) "coercive practice" means impairing or harming, or threatening to impair or harm directly or indirectly, any party or the property of the party for the purpose of influencing improperly the action or that party in connection with public procurement or in furtherance of corrupt practice or fraudulent practice; c) "collusive practices" mean impairing or harming, or threatening to impair or harm directly or indirectly, any part or the property of the Party for the purpose of influencing improperly the action or a part or in connection with public procurement or government contracting or in furtherance of a corrupt practice or a Fraudulent Practice; d) "fraudulent practice" means a misrepresentation of facts in order to influence a procurement process or the execution of a contract to the detriment of the Government or a public body and includes collusive practices among tenderers, prior to or after submission designed to establish tender prices at artificial non-competitive levels and to deprive the Government of the benefits of free and open competition; and e) "obstructive practice" means acts intended to

		materially impede access to required information in exercising a duty under this Act.
4	15.2	The PE will reject a proposal for award if it determines that
		the Tenderer recommended for award has engaged in
		corrupt, fraudulent coercive, collusive and obstructive
		practices in competing for the contract;
4	15.3	A Tenderer will be declared by the Public Procurement
		Regulatory Authority (PPRA) to be ineligible for a period of
		ten years, to be awarded a public-financed contract if it at
		any time it determines that the firm has engaged in corrupt or
		fraudulent practices in competing for, or in executing, a
		public – financed contract.
	15.4	PPRA reserves the right, where a firm has been found by a
		foreign country, international organization or other foreign
		organization to have engaged in corrupt, fraudulent, coercive,
		collusive and obstructive practices, to declare that such a firm
		is ineligible, for a period of ten years to be awarded a public
		financed Contract in the United Republic of Tanzania.
	15.5	Any communications between the Tenderer and the PE related
		to matters of alleged corrupt, coercive, collusive, fraudulent or

21.	Change Orders and Contract Amendments	21.1	The Purchaser may at any time, by a written order given to the Supplier, make changes within the general scope of the Contract in any one or more of the following: a) specifications, where Goods to be furnished under the Contract are to be specifically manufactured for the Purchaser; b) the method of shipment or packing; c) the place of delivery; and/or d) the Services to be provided by the Supplier. If any such change causes an increase or decrease in the cost of, or the time required for, the Supplier's performance of any provisions under the Contract, an equitable adjustment shall be made in the Contract Price or delivery schedule, or both, and the Contract shall accordingly be amended. Any claims by the Supplier for adjustment under this clause must be asserted within thirty (30) days from the date of the Supplier's receipt of
		21.3	the Purchaser's change order. Prices to be charged by the Supplier for any Related Services that might be needed but which were not included in the Contract shall be agreed upon in advance
			by the parties and shall not exceed the prevailing rates charged to other parties by the Supplier for similar services.
		21.4	Subject to the above, no variation in or modification of the terms of the Contract shall be made except by written amendment signed by the parties. This includes, if specified in the SCC, any variation to the contract resulting from a value engineering proposal agreed between the parties.
22.	Assignment	22.1	The Supplier shall not assign, in whole or in part, its obligations to perform under this Contract, except with the Purchaser's prior written consent.
23.	Subcontracting	23.1	The Supplier shall consult the Purchaser in the event of subcontracting under this contract if not already specified in the Tender. Subcontracting shall not alter the Supplier's obligations. Subcontracts must comply with the provision of GCC
		23.2	Clause 38.
24.	Delays in the Supplier's Performance	24.1	Delivery of the Goods and performance of Services shall be made by the Supplier in accordance with the time schedule prescribed by the Purchaser in the Schedule of Requirements.
		24.2	If at any time during performance of the Contract, the Supplier or its subcontractor(s) should encounter conditions impeding timely delivery of the Goods and performance of Services, the Supplier shall promptly notify the Purchaser in writing or in electronic forms that provide record of the content of communication of the fact of the delay, its likely duration and its cause(s). As soon as practicable after receipt of the Supplier's notice, the Purchaser shall evaluate the situation and may at its discretion extend the Supplier's time for performance, with or without liquidated damages, in which case the extension shall be ratified by the parties by amendment of Contract. Except as provided under GCC Clause 28 a delay by the
			Supplier in the performance of its delivery obligations shall render the Supplier liable to the imposition of liquidated damages pursuant to GCC Clause 26, unless an extension of time is agreed upon pursuant to GCC Clause 25.2 without the application of liquidated

			damages.
25.	Liquidated Damages	25.1	Subject to GCC Clause 28, if the Supplier fails to deliver any or all of the Goods or to perform the Services within the period(s) specified in the Contract, the Purchaser shall, without prejudice to its other remedies under the Contract, deduct form the Contract Price, as liquidated damages, a sum equivalent to the percentage specified in SCC of the delivered price of the delayed Goods or unperformed Services for each week or part thereof of delay until actual delivery or performance, up to a maximum deduction of the percentage specified in SCC. Once the maximum is reached, the Purchaser may consider termination of the Contract pursuant to GCC Clause 27.
26.	Termination for Default	26.1	The Purchaser or the Supplier, without prejudice to any other remedy for breach of Contract, by written notice of default sent to the concerned party may terminate the Contract if the other party causes a fundamental breach of the Contract.
		26.2	Fundamental breaches of Contract shall include, but shall not be limited to the following: a) the Supplier fails to deliver any or all of the Goods within the period(s) specified in the Contract, or within any extension thereof granted by the Purchaser pursuant to GCC Clause 25; or b) if the Goods do not meet the Technical Specifications stated in the Contract; or c) if the Supplier fails to provide any registration or other certificates in respect of the Goods within the time specified in the Special Conditions; or d) The Purchaser gives Notice that goods delivered with a defect is a fundamental breach of Contract and the Supplier fails to correct it within a reasonable period of time determined by the Purchaser; and e) if the Supplier fails to perform any other obligations) under the Contract. f) the supplier, in the judgment of the Purchaser, has engaged in corrupt, fraudulent, coercive or obstructive practices in competing for or in exacting the Contract. For the purpose of this clause: i) "corrupt practice means the offering, giving receiving or soliciting of anything of value to influence the action of a public officer in the procurement process or contract execution; ii) "coercive practice" means impairing or harming, or threatening to impair or harm directly or indirectly, any party or the property of the party for the purpose of influencing improperly the action or that party in connection with public procurement or in furtherance of corrupt practice or fraudulent practice; iii) "collusive practices" means impairing or harming, or threatening to impair or harm directly or indirectly, any part or the property of the Party for the purpose of influencing improperly the action or a part or in connection with public procurement or a part or in connection with public procurement or government contracting or in furtherance of a corrupt practice or a Fraudulent Practice iv) "fraudulent practice" means a misrepresentation of facts in order to influence a procurement process or the execution of a contract to t

			designed to establish tender prices at artificial non-competitive levels and to deprive the Government of the benefits of free and open competition; v) "obstructive practice" means acts intended to materially impede access to required information in exercising a duty under this Act;
		26.3	In the event the Purchaser terminates the Contract in whole or in part, pursuant to GCC Clause 27.1, the Purchaser may procure, upon such terms and in such manner as it deems appropriate, Goods or Services similar to those undelivered, and the Supplier shall be liable to the Purchaser for any excess costs for such similar Goods or Services. However, the Supplier shall continue performance of the Contract to the extent not terminated.
27.	Force Majeure	27.1	Notwithstanding the provisions of GCC Clauses 25, 26, and 27, the Supplier shall not be liable for forfeiture of its performance security, liquidated damages, or termination for default if and to the extent that its delay in performance or other failure to perform its obligations under the Contract is the result of an event of Force Majeure.
		27.2	For purposes of this clause, "Force Majeure" means an event or situation beyond the control of the Supplier and not involving the Supplier's fault or negligence and not foreseeable, is unavoidable, and is not due to negligence or lack of care on the part of the Supplier. Such events

			may include, but are not restricted to, acts of the
			Purchaser in its sovereign capacity, wars or revolutions,
			fires, floods, epidemics, quarantine, restrictions, acts of terrorists and freight embargoes.
		27.3	
		27.3	If a Force Majeure situation arises, the Supplier shall promptly notify the Purchaser in writing or in electronic
			forms that provide record of the content of
			communication of such condition and the cause thereof.
			Unless otherwise directed by the Purchaser in writing or
			in electronic forms that provide record of the content of
			communication, the Supplier shall continue to perform its
			obligations under the Contract as far as is reasonably
			practical, and shall seek all reasonable alternative means
			for performance not prevented by the Force Majeure
			event.
28.	Termination for Insolvency	28.1	The Purchaser may at any time terminate the Contract by
20.	Termination for misorvency	20.1	giving written notice to the Supplier if the Supplier
			becomes bankrupt or otherwise insolvent. In this event,
			termination will be without compensation to the Supplier,
			provided that such termination will not prejudice or affect
			any right of action or remedy which has accrued or will
			accrue thereafter to the Purchaser.
29.	Termination for Convenience	29.1	The Purchaser, by written notice sent to the Supplier,
			may terminate the contract, in whole or in part, at any
			time for its convenience. The notice of termination shall
			specify that termination is for the Purchaser's
			convenience, the Contract is terminated, and the date
			upon which such termination becomes effective.
		29.2	The Goods that are complete and ready for shipment
			within thirty (30) days after the Supplier's receipt of
			notice of termination shall be accepted by the Purchaser
			at the Contract terms and price. For the remaining Goods,
			the Purchaser may elect:
		(a)	To have any portion completed and delivered at the
			Contract terms and prices; and / or
		(b)	To cancel the remainder and pay to the Supplier an
			agreed amount for partially completed Goods and
			Services and for materials and parts previously procured
			by the Supplier.
30.	Settlement of Disputes	30.1	In the event of any dispute arising out of this contract,
			either party shall issue a notice of dispute to settle the
			dispute amicably. The parties hereto shall, within twenty-
			eight (28) days from the notice date, use their best efforts
			to settle the dispute amicably through mutual
			consultations and negotiation.
		30.2	If, after Fourteen (14) days, the parties have failed to
			resolve their dispute or difference by such mutual
			consultation, then either the Supplier or the Purchaser
			may give notice to the other party of its intention to
			commence arbitration, as hereinafter provided, as to the
			matter in dispute, and no arbitration in respect of this
			matter may be commenced unless such notice is given.
			Any dispute or difference in respect of which a notice of
			intention to commence arbitration has been given in
			accordance with this Clause shall be finally settled by
			arbitration. Arbitration may be commenced prior to or
			after handover of the Assets under the Contract.
